

H&R Block Emerald Advance® line of credit gives consumers up to \$1,000 same day

November 27, 2018

KANSAS CITY, Mo., Nov. 27, 2018 (GLOBE NEWSWIRE) -- The promotional period for [H&R Block Emerald Advance® line of credit](#) launched nationally for consumers to apply at any participating H&R Block tax office. Approved applicants are eligible for an unsecured credit limit between \$350 and \$1,000.

"Over the last 13 years, the Emerald Advance has been a resource for consumers so that whatever is happening in your life, you can get up to \$1,000 today with no W-2 required to apply," said Greg Steinlicht, vice president of tax and financial products with H&R Block.

How to apply for Emerald Advance line of credit

The Emerald Advance™ is originated by Axos Bank™. Upon application, the bank will determine approval based on standard underwriting criteria. Since draws from the Emerald Advance are loaded to the consumer's H&R Block Emerald Prepaid Mastercard® account, approved applicants typically leave the office with the first draw already loaded and ready to spend as they see fit.

To apply for the Emerald Advance, clients must bring a current earnings statement (e.g., paystub), valid, unexpired government-issued photo identification (e.g., a driver's license) and their Emerald Card if they have one, to a participating H&R Block tax office.

"Whether it is to plan for end-of-year expenses, holidays, or other financial needs that pop up throughout the year, the [Emerald Advance](#) provides consumers an option for money now," says Steinlicht.
