

H&R Block offers easiest way to get the most money interest free with Refund Advance loan of up to \$3,500 starting Jan. 4

December 26, 2019

Transforming the taxpayer experience with transparency, no interest and no loan fees

KANSAS CITY, Mo., Dec. 26, 2019 (GLOBE NEWSWIRE) -- H&R Block (NYSE: HRB) offers tax office clients the easiest way to get the most money interest free through applying for a [Refund Advance Loan](#)* of up to \$3,500 starting Jan. 4. Federal tax refunds can take 21 days to receive, and the IRS expects it will be the first week of March before most people who claim the earned income tax credit or additional child tax credit receive their refunds. However, the Refund Advance, a no-fee, no-interest loan from Axos Bank® offered Jan. 4 to Feb. 29 at participating H&R Block offices, allows clients to access money typically within minutes of filing their tax return.

“A Refund Advance at H&R Block gives approved clients access to loan proceeds on the same day of filing —up to \$3,500—so you don’t have to wait on the IRS,” said Vinoo Vijay, chief marketing officer at H&R Block. “And when you choose us you can be confident it will be interest free and have no loan fees.”

Twenty-five million taxpayers could have refunds delayed until the first week of March because of anti-fraud laws requiring the IRS to hold refunds that claim the earned income tax credit and the additional child tax credit.

The advance is repaid from the federal or state income tax refunds.
