J.P. Morgan Securities LLC

As Representative of the several
Underwriters listed in Schedule A hereto

Ladies and Gentlemen:

Block Financial LLC, a Delaware limited liability company (the "Company"), confirms its agreement with the several Underwriters named in Schedule A hereto (collectively, the "Underwriters," which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof), for whom you are acting as Representative (the "Representative"), with respect to the issue and sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of the respective principal amounts set forth in said Schedule A of \$500,000,000 aggregate principal amount of the Company's Notes due 2022 (the "Securities"). The Securities are to be issued pursuant to an indenture (the "Indenture") dated October 20, 1997, among H&R Block, Inc., a Missouri corporation (the "Parent Guarantor"), the Company and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), as trustee, as supplemented by the First Supplemental Indenture, dated April 18, 2000, among the Company, the Parent Guarantor, Bankers Trust Company and The Bank of New York, as separate trustee (as may be further supplemented, amended or modified). The term "Indenture," as used herein, includes the Officer's Certificate (as defined in the Indenture) establishing the form and terms of the Securities pursuant to Sections 2.01 and 2.03 of the Indenture. The Securities will be fully and unconditionally guaranteed by the Parent Guarantor pursuant to guarantees (the "Guarantee") endorsed on the securities under the terms of the Indenture.

The Company and the Parent Guarantor understand that the Underwriters propose to make a public offering of the Securities as soon as the Underwriters deem advisable after this Agreement has been executed and delivered.

The Company and the Parent Guarantor have filed with the Securities and Exchange Commission (the "Commission") a shelf registration statement on Form S-3 (No. 333-184343), including the related preliminary prospectus or prospectuses, which registration statement has been declared effective by the Commission pursuant to the rules and regulations (the "1933 Act Regulations") under the Securities Act of 1933, as amended (the "1933 Act"). Such registration statement covers the registration of the Securities under the 1933 Act. Promptly after execution and delivery of this Agreement, the Company and the Parent Guarantor will prepare and file a prospectus in accordance with the provisions of Rule 430B ("Rule 430B") of the 1933 Act Regulations and paragraph (b) of Rule 424 ("Rule 424(b)") of the 1933 Act Regulations. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B is referred to as "Rule 430B Information." Each prospectus used in connection with the offering of the Securities that omitted Rule 430B Information is herein called a "preliminary prospectus." Such registration statement, at any given time, including the amendments thereto to such time, the exhibits and any schedules

thereto at such time, the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at such time and the documents otherwise deemed to be a part thereof or included therein by 1933 Act Regulations, is herein called the "Registration Statement." The Registration Statement at the time it originally became effective is herein called the "Original Registration Statement." The final prospectus in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the 1933 Act) in connection with confirmation of sales of the Securities, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at the time of the execution of this Agreement and any prospectuses that form a part thereof is herein called the "Prospectus."

All references in this Agreement to financial statements and schedules and other information which is "contained," "included" or "stated" in the Registration Statement, any preliminary prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by 1933 Act Regulations to be a part of or included in the Registration Statement, any preliminary prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any preliminary prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934 (the "1934 Act") which is incorporated by reference in or otherwise deemed by 1933 Act Regulations to be a part of or included in the Registration Statement, such preliminary prospectus or the Prospectus, as the case may be.

SECTION 1. Representations and Warranties.

(a) *Representations and Warranties by the Company and the Parent Guarantor.* The Company and the Parent Guarantor jointly and severally represent and warrant to each Underwriter as of the date hereof, the Applicable Time referred to in Section 1(a)(i) hereof and as of the Closing Time referred to in Section 2(b) hereof, and agrees with each Underwriter, as follows:

(i) Form S-3. (A) At the time of the filing of the Original Registration Statement, (B) at the time the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 and 15(d) of the 1934 Act or form of prospectus), (C) at the time the Company and the Parent Guarantor or any person acting on their behalf (within the meaning, for this clause only, of Rule 163(c) of the 1933 Act Regulation) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the 1933 Act Regulation and (D) at the date hereof, the Company and the Parent Guarantor meet the requirements for use of Form S-3 under the 1933 Act. Each of the Company and the Parent Guarantor was and is, as of the times specified in Clauses B, C and D of the preceding sentence, a "well-known seasoned issuer" as defined in Rule 405 of the 1933 Act Regulations ("Rule 405"), including not having been and not being an "ineligible issuer" as defined in Rule 405.

(ii) Registration Statement, Prospectus and Disclosure at Time of Sale. The Original Registration Statement, and any post-effective amendment thereto, has been declared effective by the Commission. No notice of objection of the Commission to the use of the Original Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the 1933 Act has been received by the Company and no stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act and no proceedings for that purpose or pursuant to Section 8A of the 1933 Act have been instituted or are pending or, to the knowledge of the Company and the Parent Guarantor, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

At the respective times the Original Registration Statement and each amendment thereto became effective, at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations and at the Closing Time, the Registration Statement complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the Trust Indenture Act of 1939 (the "Trust Indenture Act") and the rules and regulations of the Commission under the Trust Indenture Act (the "TIA Regulations"), and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Time, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Each preliminary prospectus (including the prospectus or prospectuses filed as part of the Original Registration Statement or any amendment thereto) complied when so filed in all material respects with the 1933 Act Regulations, and each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to the Commission's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR"), except to the extent permitted by Regulation S-T.

As of the Applicable Time, neither (x) the Issuer General Use Free Writing Prospectus (as defined below) issued at or prior to the Applicable Time (as defined below) and the Statutory Prospectus (as defined below), all considered together (collectively, the "General Disclosure Package"), nor (y) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As of the time of the filing of the Final Term Sheet, the General Disclosure Package, when considered together with the Final Term Sheet (as defined in Section 3(b)), will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

"Applicable Time" means 5:30 p.m. (Eastern time) on October 22, 2012 or such other time as agreed by the Company and the Representative.

"Issuer Free Writing Prospectus" means any "issuer free writing prospectus," as defined in Rule 433 of the 1933 Act Regulations ("Rule 433"), relating to the Securities that (i) is required to be filed with the Commission by the Company or the Parent Guarantor, (ii) is a "road show that is a written communication" within the meaning of Rule 433(d)(8)(i), whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company's or the Parent Guarantor's records pursuant to Rule 433(g).

"Issuer General Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule C hereto.

“Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

“Statutory Prospectus” as of any time means the prospectus relating to the Securities that is included in the Registration Statement immediately prior to that time, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the issuer notified or notifies the Representative as described in Section 3(e), did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use therein.

(iii) Incorporated Documents. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Prospectus and the General Disclosure Package, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder (the “1934 Act Regulations”), and, when read together with the other information in the Prospectus, (a) at the time the Original Registration Statement became effective, (b) at the earlier of time the Prospectus was first used and the date and time of the first contract of sale of Securities in this offering and (c) at the Closing Time, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(iv) Independent Accountants. Deloitte & Touche LLP, who has certified the financial statements incorporate by reference in the Registration Statement, is an independent registered public accounting firm with respect to the Company and the Parent Guarantor as required by the 1933 Act and the 1933 Act Regulations.

(v) Financial Statements. The financial statements included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus, together with the related schedules and notes, comply in all material respects with the applicable requirements of the 1933 Act and the 1934 Act, as applicable, and present fairly in all material respects the financial position of the Parent Guarantor and its consolidated subsidiaries at the dates indicated and the statement of operations, stockholders’ equity and cash flows of the Parent Guarantor and its consolidated subsidiaries for the periods specified; said financial statements have been prepared in conformity with generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods involved. The supporting schedules, if any, present fairly in all material respects in accordance with GAAP the information required to be stated therein. The selected financial data included in the Prospectus present fairly in all material respects the information shown therein and have been compiled on a basis consistent with that of the financial statements incorporated by reference into the Registration Statement. All disclosures contained in the Registration Statement, the General Disclosure Package or the Prospectus regarding “non-GAAP financial measures” (as such term is defined by the rules and regulations of the Commission) comply

with Regulation G under the 1934 Act and Item 10 of Regulation S-K of the 1933 Act Regulations, to the extent applicable. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in each of the Registration Statement, the General Disclosure Package and the Prospectus fairly presents the information called for in all material respects and is prepared in all material respects in accordance with the Commission's rules and guidelines applicable thereto.

(vi) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package or the Prospectus, except as otherwise stated therein, (A) there has been no material adverse change or prospective material adverse change in the financial condition, the earnings or the business affairs of the Company, the Parent Guarantor and their subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business (a "Material Adverse Effect"), (B) there have been no transactions entered into by the Company, the Parent Guarantor or any of its subsidiaries, other than those in the ordinary course of business, which are material with respect to the Company, the Parent Guarantor and its subsidiaries considered as one enterprise, and (C) there has been no dividend or distribution of any kind declared, paid or made by the Company or the Parent Guarantor on any class of their capital stock or other equity securities.

The only subsidiaries of the Parent Guarantor and the Company are the subsidiaries listed on Schedule B hereto.

(ix) Authorization of Agreement. This Agreement has been duly authorized, executed and delivered by the Company and the Parent Guarantor.

(x) Authorization of the Indenture. The Indenture has been duly authorized by the Company and the Parent Guarantor and duly qualified under the Trust Indenture Act, has been validly executed and delivered by the Company, and constitutes a valid and binding agreement of the Company and the Parent Guarantor, enforceable against the Company and the Parent Guarantor in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

instrumentality or court, domestic or foreign, having jurisdiction over the Company, the Parent Guarantor or any subsidiary or any of their assets, properties or operations, except, with respect to section (ii) above, for such violations that would not result in a Material Adverse Effect. As used herein, a “Repayment Event” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company, the Parent Guarantor or any subsidiary.

(xiv) Legal Proceedings. Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, there are no legal, governmental or regulatory investigations, actions, suits or proceedings pending to which the Parent Guarantor or any of its subsidiaries is or may be a party or to which any property of the Parent Guarantor or any of its subsidiaries is or may be the subject as to which there is a reasonable possibility of an adverse determination and that if determined adversely to the Parent Guarantor or any of its subsidiaries, would reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect; except as described in the Registration Statement, the General Disclosure Package and the Prospectus, to the knowledge of the Company and the Parent Guarantor, no such investigations, actions, suits or proceedings are threatened or contemplated by any governmental or regulatory authority or threatened by others; and (i) there are no current or pending legal, governmental or regulatory actions, suits or proceedings that are required under the Securities Act to be described in the Prospectus that are not so described and (ii) there are no contracts or other documents that are required under the Securities Act to be filed as exhibits to the Registration Statement or described in the Registration Statement, the General Disclosure Package or the Prospectus that are not so filed or described, except for those documents relating to the issuance of a particular series of Securities, which will be filed on Form 8-K in connection with the closing of the issuance of such Securities.

(xv) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company or the Parent Guarantor of its obligations hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions contemplated by this Agreement or for the due execution, delivery or performance of the Indenture by the Company or the Parent Guarantor, except such as have been already obtained or as may be required under the 1933 Act or the 1933 Act Regulations or state securities laws and except for the qualification of the Indenture under the Trust Indenture Act.

(xvi) Licenses and Permits. Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, the Parent Guarantor and its subsidiaries possess all licenses, certificates, permits and other authorizations issued by, and have made all declarations and filings with, the appropriate federal, state, local or foreign governmental or regulatory authorities that are necessary for the ownership or lease of their respective properties or the conduct of their respective businesses as described in the Registration Statement, the General Disclosure Package and the Prospectus, except where the failure to possess or make the same would not, individually or in the aggregate, result in a Material Adverse Effect.

(xvii) Investment Company Act. Neither the Company nor the Parent Guarantor is required, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be required, to register as an “investment company” under the Investment Company Act of 1940, as amended.

(xviii) Accounting Controls and Disclosure Controls. The Parent Guarantor maintains a system of internal accounting controls sufficient to provide reasonable assurances that (1) transactions are executed in accordance with management’s general or specific authorization; (2) transactions are

recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (3) access to assets is permitted only in accordance with management's general or specific authorization; (4) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences and (5) interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement, General Disclosure Package and the Prospectus is prepared in all material respects in accordance with the Commission's rules and guidelines applicable thereto. Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, since the end of the Parent Guarantor's most recent audited fiscal year there has been (I) no material weakness in the Parent Guarantor's internal control over financial reporting (whether or not remediated) except that, with respect to the period since July 31, 2012, the representation contained in this section (xviii)(I) is limited to the knowledge of the Company and (II) no change in the Parent Guarantor's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Parent Guarantor's internal control over financial reporting.

The Parent Guarantor and its consolidated subsidiaries employ "disclosure controls and procedures" that are designed to ensure that information required to be disclosed by the Parent Guarantor in the reports that it files or submits under the 1934 Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms, and is accumulated and communicated to the Parent Guarantor's management, including its principal executive officer or officers and principal financial officer or officers, as appropriate, to allow timely decisions regarding disclosure.

(xix) Compliance with the Sarbanes-Oxley Act. The Parent Guarantor or any of the Parent Guarantor's directors or officers, in their capacities as such, are in compliance in all material respects with the applicable provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith (the "Sarbanes-Oxley Act"), including Section 402 related to loans and Sections 302 and 906 related to certifications.

(xx) No Unlawful Payments. Neither the Parent Guarantor nor any of its subsidiaries nor, to the knowledge of the Company and the Parent Guarantor, any director, officer, agent or employee acting on behalf of the Parent Guarantor or any of its subsidiaries has violated or is in violation of in any material respect any provision of the Foreign Corrupt Practices Act of 1977 or other applicable laws relating to (i) the use of corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) unlawful payments to any foreign or domestic government official or employee from corporate funds; or (iii) any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment.

(xxi) Compliance with Money Laundering Laws. The operations of the Parent Guarantor and its subsidiaries are and have been conducted in compliance in all material respects with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the "Money Laundering Laws") and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Parent Guarantor or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company and the Parent Guarantor, threatened.

(xxiii) Savings and Loan Holding Company. The Company is duly registered as a savings and loan holding company under the Home Owners’ Loan Act of 1933, as amended.

(xxiv) Regulatory Compliance.

(1) The Company and each of its subsidiaries are in compliance with all laws and regulations administered by the Federal Deposit Insurance Corporation (the “FDIC”), the Office of the Comptroller of the Currency (the “OCC”), the Board of Governors of the Federal Reserve System (the “Federal Reserve Board”) and any other federal or state bank regulatory authorities (collectively with the FDIC, the OCC, and the Federal Reserve Board, the “Bank Regulatory Authorities”) with jurisdiction over the Company or any of its subsidiaries to the extent such laws or regulations apply to the Company or any of its subsidiaries, except (1) as described in the Registration Statement, the General Disclosure Package and the Prospectus or (2) where the failure to be so in compliance would not, individually or in the aggregate, have a Material Adverse Effect.

(2) Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, neither the Company nor any of its subsidiaries is a party to any written agreement or memorandum of understanding with, or a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or is a recipient of any extraordinary supervisory letter from, any Bank Regulatory Authority that restricts materially the conduct of its business, or in any material manner relates to its capital adequacy, its credit policies or its management, nor have any of them been advised by any Bank Regulatory Authority that such Bank Regulatory Authority is contemplating issuing or requesting (or considering the appropriateness of issuing or requesting) any such order, decree, agreement, memorandum of understanding, extraordinary supervisory letter, commitment letter or similar submission.

(3) The deposit accounts of H&R Block Bank, a federal savings bank and “insured depository institution” within the meaning of Section 3(a)(2) of the Federal Deposit Insurance Act, as amended (the “Bank”), are insured by the FDIC up to applicable limits to the fullest extent permitted by law and, to the knowledge of the Company or the Bank, no proceeding for the termination or revocation of such insurance is pending or threatened.

(4) The Bank is the only insured depository institution subsidiary of the Company,

(5) The Bank is a member in good standing of the Federal Home Loan Bank of Des Moines.

(b) Officer’s Certificates. Any certificate signed by any officer of the Company, the Parent Guarantor or any of its subsidiaries delivered to the Underwriters or to counsel for the Underwriters shall be deemed a representation and warranty by the Company and the Parent Guarantor to each Underwriter as to the matters covered thereby.

SECTION 2. Sale and Delivery to Underwriters; Closing.

(a) *Securities.* On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company the aggregate principal amount of Securities set forth in Schedule A opposite the name of such Underwriter, plus any additional principal amount of Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof, at a price equal to 98.787% of the principal amount thereof plus accrued interest, if any, from October 25, 2012 to the date on which the Closing Time (as defined below) occurs.

(b) *Payment.* Payment of the purchase price for, and delivery of certificates for, the Securities shall be made at the offices of Simpson Thacher & Bartlett LLP, or at such other place as shall be agreed upon by the Underwriters and the Company, at 9:00 A.M. (Eastern time) on the third business day after the date hereof (unless postponed in accordance with the provisions of Section 10), or such other time not later than ten business days after such date as shall be agreed upon by the Underwriters and the Company (such time and date of payment and delivery being herein called "Closing Time").

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the nominee of The Depository Trust Company, for the account of the Underwriters, of one or more global notes representing the Securities to be purchased by them. It is understood that each Underwriter has authorized the Underwriters, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has agreed to purchase. J.P. Morgan Securities LLC, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

(c) *Denominations; Registration.* Certificates for the Securities shall be in such denominations (\$2,000 or integral multiples of \$1,000 thereof) and registered in such names as the Underwriters may request in writing at least one full business day before the Closing Time. The Securities, which may be in temporary form, will be made available for examination and packaging by the Underwriters in The City of New York not later than 10:00 A.M. (Eastern time) on the business day prior to the Closing Time.

SECTION 3. Covenants of the Company and Parent Guarantor. The Company and, to the extent expressly referred to in the paragraphs below, the Parent Guarantor jointly and severally covenant with each Underwriter as follows:

(a) *Compliance with Securities Regulations and Commission Requests; Payment of Filing Fees.* The Company and the Parent Guarantor, subject to Section 3(b), will comply with the requirements of Rule 430B and will notify the Underwriters promptly, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement or new registration statement relating to the Securities shall become effective, or any supplement to the Prospectus or any amended Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or the filing of a new registration statement or any amendment or supplement to the Prospectus or any document incorporated by reference therein or otherwise deemed to be a part thereof or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of

the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement and (v) if the Company or the Parent Guarantor becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities. The Company and the Parent Guarantor will effect the filings required under Rule 424(b), in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)), and will take such steps as it deems necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 424(b) was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus. The Company and the Parent Guarantor will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment. The Company and the Parent Guarantor have paid the registration fee for this offering pursuant to Rule 456(b)(1) under the 1933 Act or will pay such fee within the time period required by such rule (without giving effect to the proviso therein) and in any event prior to the Closing Time.

(b) *Filing of Amendments and Exchange Act Documents; Preparation of Final Term Sheet.* The Company and the Parent Guarantor will give the Underwriters notice of its intention to file or prepare any amendment to the Registration Statement or new registration statement relating to the Securities or any amendment, supplement or revision to either any preliminary prospectus (including any prospectus included in the Original Registration Statement or amendment thereto at the time it became effective) or to the Prospectus, whether pursuant to the 1933 Act, the 1934 Act or otherwise, and the Company and the Parent Guarantor will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Underwriters or counsel for the Underwriters shall reasonably object. The Company and the Parent Guarantor have given the Underwriters notice of any filings made pursuant to the 1934 Act or 1934 Act Regulations within 48 hours prior to the Applicable Time; the Company and the Parent Guarantor will give the Underwriters notice of its intention to make any such filing from the Applicable Time to the Closing Time and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing and will not file or use any such document to which the Underwriters or counsel for the Underwriters shall reasonably object. The Company and the Parent Guarantor will prepare a final term sheet, a copy of which is attached hereto as Schedule C (the "Final Term Sheet"), reflecting the final terms of the Securities, in form and substance satisfactory to the Underwriters, and shall file such Final Term Sheet as an "issuer free writing prospectus" pursuant to Rule 433 prior to the close of business two business days after the date hereof; provided that the Company shall furnish the Underwriters with copies of any such Final Term Sheet a reasonable amount of time prior to such proposed filing and will not use or file any such document to which the Underwriters or counsel to the Underwriters shall object.

(c) *Delivery of Prospectuses.* The Company and the Parent Guarantor have delivered to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter reasonably requested, and the Company and the Parent Guarantor hereby consent to the use of such copies for purposes permitted by the 1933 Act. The Company and the Parent Guarantor will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) *Continued Compliance with Securities Laws.* The Company and the Parent Guarantor will comply with the 1933 Act and the 1933 Act Regulations, the 1934 Act and the 1934 Act Regulations and the Trust Indenture Act and the TIA Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Prospectus. If at any time when a prospectus is required by the 1933 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for

the Company and the Parent Guarantor, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or to file a new registration statement or amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company and the Parent Guarantor will promptly prepare and file with the Commission, subject to Section 3(b), such amendment, supplement or new registration statement as may be necessary to correct such statement or omission or to comply with such requirements, the Company and the Parent Guarantor will use their best efforts to have such amendment or new registration statement declared effective as soon as practicable (if it is not an automatic shelf registration statement with respect to the Securities) and the Company and the Parent Guarantor will furnish to the Underwriters such number of copies of such amendment, supplement or new registration statement as the Underwriters may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement (or any other registration statement relating to the Securities) or the Statutory Prospectus or any preliminary prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company and the Parent Guarantor will promptly notify the Representative and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(e) *Blue Sky Qualifications*. The Company and the Parent Guarantor will use their reasonable best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions as the Underwriters may reasonably designate and to maintain such qualifications in effect for so long as required for distribution of the securities; provided, however, that the Company and the Parent Guarantor shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. The Company and the Parent Guarantor will also supply the Underwriters with such information as is necessary for the determination of the legality of the Securities for investment under the laws of such jurisdictions as the Underwriters may reasonably request.

(f) *Rule 158*. The Parent Guarantor will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Underwriters the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act and Rule 158 of the Commission promulgated thereunder.

(g) *Use of Proceeds*. The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Prospectus under "Use of Proceeds."

(h) *Clear Market*. During the period from the date hereof through and including the Closing Time, the Company and the Parent Guarantor will not, without the prior written consent of the Underwriters, offer, sell, contract to sell or otherwise dispose of any debt securities issued or guaranteed by the Company or the Parent Guarantor and having a tenor of more than one year (other than the Securities).

(i) *Reporting Requirements*. The Parent Guarantor, during the period when the Prospectus is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(j) *Issuer Free Writing Prospectuses.* The Company and the Parent Guarantor represent and agree that, unless they obtain the prior consent of the Representative, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company, the Parent Guarantor and the Representative, it has not made and will not make any offer relating to the Securities that would constitute an “issuer free writing prospectus,” as defined in Rule 433, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission; provided, however, that prior to the preparation of the Final Term Sheet in accordance with Section 3(b), the Underwriters are authorized to use the information with respect to the final terms of the Securities in communications conveying information relating to the offering to investors. Any such free writing prospectus consented to by the Company, the Parent Guarantor and the Representative is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company and the Parent Guarantor represent that they have treated or agree that they will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

SECTION 4. Payment of Expenses.

(a) *Expenses.* The Company and the Parent Guarantor jointly and severally agree to pay all expenses incident to the performance of their obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of this Agreement, any Agreement among Underwriters, the Indenture and such other documents as may be required in connection with the offering, purchase, sale, issuance or delivery of the Securities, (iii) the preparation, issuance and delivery of the certificates for the Securities to the Underwriters, (iv) the fees and disbursements of the Company’s and the Parent Guarantor’s counsel, accountants and other advisors, (v) the qualification of the Securities under securities laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation of the Blue Sky Survey and any supplement thereto, (vi) the printing and delivery to the Underwriters of copies of each preliminary prospectus, any Permitted Free Writing Prospectus and of the Prospectus and any amendments or supplements thereto and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (vii) the preparation, printing and delivery to the Underwriters of copies of the Blue Sky Survey and any supplement thereto, (viii) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities, (ix) the costs and expenses of the Company and the Parent Guarantor relating to investor presentations on any “road show” undertaken in connection with the marketing of the Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and the Parent Guarantor and any such consultants, and the cost of aircraft and other transportation chartered in connection with the road show and (x) any fees payable in connection with the rating of the Securities, and (xi) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Securities made by the Underwriters caused by a breach of the representation contained in the fifth paragraph of Section 1(a)(ii).

(b) *Termination of Agreement.* If this Agreement is terminated by the Underwriters in accordance with the provisions of Section 5 or Section 9(a)(i) hereof, the Company and the Parent Guarantor jointly and severally shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters’ Obligations. The obligations of the several Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company and the Parent Guarantor contained in Section 1 hereof or in certificates of any officer of the Company and the

Parent Guarantor or any subsidiary of the Company and the Parent Guarantor delivered pursuant to the provisions hereof, to the performance by the Company and the Parent Guarantor of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement; Filing of Prospectus; Payment of Filing Fee*. The Registration Statement has become effective and at Closing Time no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission, and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters. A prospectus containing the Rule 430B Information shall have been filed with the Commission in the manner and within the time period required by Rule 424(b) without reliance on Rule 424(b)(8) (or a post-effective amendment providing such information shall have been filed and become effective in accordance with the requirements of Rule 430B). The Company and the Parent Guarantor have paid the registration fee for this offering pursuant to Rule 456(b)(1) under the 1933 Act or will pay such fee within the time period required by such rule (without giving effect to the proviso therein) and in any event prior to the Closing Time.

(b) *Opinion of Counsel for Company and the Parent Guarantor*. At Closing Time, the Underwriters shall have received the favorable opinion, dated as of Closing Time, of (i) Stinson Morrison Hecker LLP, counsel for the Company and the Parent Guarantor in form and substance reasonably satisfactory to counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters to the effect set forth in Exhibit A hereto and (ii) Weil, Gotshal & Manges LLP, counsel for the Company and the Parent Guarantor, in form and substance reasonably satisfactory to counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters to the effect set forth in Exhibit B hereto.

(c) *Opinion of Counsel for Underwriters*. At Closing Time, the Underwriters shall have received the favorable opinion, dated as of Closing Time, of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, in form and substance satisfactory to the Underwriters together with signed or reproduced copies of such letter for each of the other Underwriters with respect to matters as the Underwriters may request and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters. In giving such opinion such counsel may rely, as to all matters governed by the laws of jurisdictions other than the law of the State of New York and the federal law of the United States and the Delaware Limited Liability Company Act, upon the opinions of counsel satisfactory to the Underwriters. Such counsel may also state that, insofar as such opinion involves factual matters, they have relied, to the extent they deem proper, upon certificates of officers of the Company, the Parent Guarantor and its subsidiaries and certificates of public officials.

(d) *Officers' Certificate*. At Closing Time, shall not have been, since the date hereof or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change or prospective material adverse change in the financial condition, the earnings or the business affairs of the Company, the Parent Guarantor and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, and the Underwriters shall have received a certificate of the President or a Vice President of the Company and the Parent Guarantor and of the chief financial or chief accounting officer of the Company and the Parent Guarantor, dated as of Closing Time, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties in Section 1(a) hereof are true and correct with the same force and effect as though expressly made at and as of Closing Time, (iii) the Company and the Parent Guarantor have complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to Closing Time, and (iv) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or, to their knowledge, contemplated by the Commission.

(e) *Accountant's Comfort Letter*. At the time of the execution of this Agreement, the Underwriters shall have received from Deloitte & Touche LLP a letter dated such date, in form and substance reasonably satisfactory to the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements incorporated by reference and certain financial information contained in the Registration Statement and the Prospectus.

(f) *Bring-down Comfort Letter*. At Closing Time, the Underwriters shall have received from Deloitte & Touche LLP a letter, dated as of Closing Time, to the effect that it reaffirms the statements made in the letter furnished pursuant to subsection (e) of this Section, except that the specified date referred to shall be a date not more than three business days prior to Closing Time.

(g) *Maintenance of Rating*. At Closing Time, the Securities shall be rated at least Baa2 by Moody's Investors Service Inc. ("Moody's") and BBB by Standard & Poor's Ratings Services ("S&P"), a division of The McGraw-Hill Companies, Inc., and the Company shall have delivered to the Underwriters a letter dated the Closing Time, from each such rating agency, or other evidence satisfactory to the Underwriters, confirming that the Securities have such ratings; and since the date of this Agreement (i) there shall not have occurred a downgrading in the rating assigned to the Securities or any of the Company's or the Parent Guarantor's other securities by either Moody's or S&P and (ii) neither Moody's nor S&P shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or any of the Company's or the Parent Guarantor's other securities, other than the negative outlook announcements in effect as of the date of this Agreement.

(h) *Additional Documents*. At Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company and the Parent Guarantor in connection with the issuance and sale of the Securities as herein contemplated shall be reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

(i) *Termination of Agreement*. If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Underwriters by notice to the Company and the Parent Guarantor at any time at or prior to Closing Time, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Sections 1, 6, 7 and 8 shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) *Indemnification of Underwriters*. The Company and the Parent Guarantor jointly and severally agree to indemnify and hold harmless each Underwriter, its affiliates, as such term is defined in Rule 501(b) under the 1933 Act (each, an "Affiliate"), its directors, officers and selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim and damage whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any Issuer Free Writing

Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim and damage whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company and the Parent Guarantor;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel to the extent provided in Section 6(c)), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) *Indemnification of Company, Parent Guarantor, Directors and Officers.* Each Underwriter severally agrees to indemnify and hold harmless the Company, the Parent Guarantor and each of their respective directors, each of their respective officers who signed the Registration Statement, and each person, if any, who controls the Company or the Parent Guarantor within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company and the Parent Guarantor by such Underwriter through the Representative expressly for use therein, it being understood and agreed upon that the only such information furnished by any Underwriter consists of the following information in the Prospectus furnished on behalf of each Underwriter: (i) in the third paragraph under the caption "Underwriting" regarding concession and reallocation figures and (ii) in the ninth and tenth paragraphs under the caption "Underwriting" relating to stabilization, syndicate covering transactions and penalty bids.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In case any such action is brought against any indemnified party, the indemnifying party may assume the defense of any litigation or proceeding in respect of which indemnity may be sought hereunder, including the employment of counsel. In any such litigation or proceeding the defense of which the indemnifying party shall have so assumed, any indemnified party shall have the right to participate in such litigation or proceeding and to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and such indemnified party shall

have mutually agreed in writing to the retention of such counsel or experts, (ii) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest ; (iii) the indemnifying party shall have failed in a timely manner to assume the defense and employ counsel reasonably satisfactory to the indemnified party in such litigation or proceeding or (iv) the named parties to any such litigation or proceeding (including any impleaded parties) include the indemnifying party and such indemnified party and representation of the indemnifying party and any indemnified party by the same counsel would, in the reasonable opinion of the indemnified party, be inappropriate due to actual or potential differing interests between the indemnifying party and any such indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse*. If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement. Notwithstanding the immediately preceding sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, an indemnifying party shall not be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its consent if such indemnifying party (i) reimburses such indemnified party in accordance with such request to the extent it considers such request to be reasonable and (ii) provides written notice to the indemnified party substantiating the unpaid balance as unreasonable, in each case prior to the date of such settlement.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Parent Guarantor on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Parent Guarantor on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company and the Parent Guarantor on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the Parent Guarantor and the total underwriting discount received by the Underwriters, in each case as set forth on the cover of the Prospectus bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company and the Parent Guarantor on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Parent Guarantor or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Parent Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each Underwriter's Affiliates and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company or the Parent Guarantor, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company or the Parent Guarantor within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company and the Parent Guarantor. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company and the Parent Guarantor or any of their subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its Affiliates, directors, officers or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company or the Parent Guarantor or (ii) delivery of and payment for the Securities.

SECTION 9. Termination of Agreement.

(a) *Termination; General.* The Underwriters may terminate this Agreement, by notice to the Company, at any time at or prior to Closing Time (i) if there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus (exclusive of any

supplement thereto) or the General Disclosure Package, any material adverse change or prospective material adverse change in the financial condition, the earnings or business affairs of the Company, the Parent Guarantor and their subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Underwriters, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company or the Parent Guarantor has been suspended or materially limited by the Commission or the New York Stock Exchange, or if trading generally on the American Stock Exchange, the New York Stock Exchange, or the Nasdaq Stock Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the Financial Institutions Regulatory Authority or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement, or (iv) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or with respect to Clearstream or Euroclear systems in Europe, or (v) if a banking moratorium has been declared by either Federal or New York State authorities.

(b) *Liabilities*. If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7 and 8 shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement (the “Defaulted Securities”), the Underwriters shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Underwriters shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the aggregate principal amount of the Securities to be purchased hereunder, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the number of Defaulted Securities exceeds 10% of the aggregate principal amount of the Securities to be purchased hereunder, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the Underwriters or the Company shall have the right to postpone Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements. As used herein, the term “Underwriter” includes any person substituted for an Underwriter under this Section 10.

SECTION 11. Tax Disclosure. Notwithstanding any other provision of this Agreement, immediately upon commencement of discussions with respect to the transactions contemplated hereby, the Company and the Parent Guarantor (and each employee, representative or other agent of the Company and the Parent Guarantor) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to the Company and the Parent Guarantor relating to such tax treatment and tax structure. For purposes of the foregoing, the term “tax treatment” is the purported or claimed federal income tax treatment of the transactions contemplated hereby, and the term “tax structure” includes any fact that may be relevant to understanding the purported or claimed federal income tax treatment of the transactions contemplated hereby.

SECTION 13. No Advisory or Fiduciary Relationship. The Company and the Parent Guarantor acknowledge and agree that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Parent Guarantor, on the one hand, and the several Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, the Parent Guarantor or any of their respective stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company or the Parent Guarantor with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company or the Parent Guarantor on other matters) and no Underwriter has any obligation to the Company or the Parent Guarantor with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Parent Guarantor, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and the Parent Guarantor have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

SECTION 14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Company, the Parent Guarantor and the Underwriters, or any of them, with respect to the subject matter hereof.

- (2) Deutsche Bank has been appointed as the Trustee under the Indenture and as Registrar, Paying Agent, transfer agent and authenticating agent with respect to the Notes.
- (3) The aggregate principal amount of the Notes which may be initially authenticated and delivered under the Indenture with respect to this series of Notes shall be initially limited to a maximum of \$500,000,000, subject to the right of the Company to issue additional principal amount of the Notes of this series at any time and from time to time in the future on the same terms and conditions (except for any differences in the issue price and interest accrued prior to the issue date of the additional Notes and with the same CUSIP number as the Notes issued hereby) ; provided that such additional Notes are fungible for U.S. federal income tax purposes.
- (4) The Stated Maturity of the Notes is November 1, 2022.
- (5) The Notes shall bear interest at the rate of 5.50% per annum (the "Original Interest Rate"), which interest shall accrue from October 25, 2012, or from the most recent Interest Payment Date (as defined below) to which interest has been paid or duly provided for, on the Notes until their principal is paid. Interest shall be payable semi-annually on May 1 and November 1 (each an "Interest Payment Date"), commencing on May 1, 2013, to Holders of record at the close of business on the April 15 or October 15, respectively, next preceding each such Interest Payment Date, whether or not a Business Day.
- (6) The Company hereby designates as Places of Payment for the Notes (i) the principal corporate trust office of Deutsche Bank in the Borough of Manhattan, The City of New York, New York, or (ii) any other banking institution hereafter selected by the officers of the Company. -
- (7) The Notes are approved in the form attached hereto as Exhibit A and shall be issued upon original issuance in whole in the form of book-entry Global Securities, and the Depository shall be The Depository Trust Company, New York, New York. Such Global Securities shall bear the legends set forth in the form of Note attached as Exhibit A hereto.
- (8) In addition to the circumstances specified in Section 2.15(c)(i) and (ii) of the Indenture, the Global Securities may be exchanged for individual Notes in definitive registered form if an Event of Default has occurred and is continuing.
- (9) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity at a redemption price equal to the greater of:
- (a) 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the redemption date, or
 - (b) the sum of the present values of the remaining principal amount and scheduled payments of interest on the Notes to be redeemed (not including any portion of payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis at the Treasury Rate plus 60 basis points plus accrued and unpaid interest to the redemption date.

The redemption price shall be calculated assuming a 360-day year consisting of twelve 30-day months.

For purposes of the Notes:

“Treasury Rate” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated on the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date:

- (x) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations, or

-
- (y) if the Trustee obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of (1) J.P. Morgan Securities LLC, or its affiliates, and their respective successors, (2) one primary U.S. Government securities dealer in The City of New York (a “Primary Treasury Dealer”) selected by each of Crédit Agricole Securities (USA) Inc., SunTrust Robinson Humphrey, Inc. and TD Securities (USA) LLC and their respective successors, and (3) any other Primary Treasury Dealer selected by the Company; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding that redemption date.

In addition, at its option, the Company may redeem the Notes, in whole or in part, at any time on or following May 1, 2022 (the date falling six months prior to the maturity date of the Notes) at a redemption price equal to 100% of the principal amount of the notes to be redeemed, plus accrued interest to the redemption date.

Notice of any redemption shall be given at least 30 days but not more than 60 days before the redemption date to each Holder of the Notes to be redeemed. Notices of redemption may not be conditional. Unless there exists a default in payment of the redemption price, on and after the redemption date, interest shall cease to accrue on the Notes or portions of the Notes called for redemption.

If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption on a pro rata basis, by lot or by such method as the Trustee deems fair and appropriate; provided, however, that, so long as the Notes are held in book-entry form, the Notes shall be selected for redemption in accordance with the Depository’s then-current practice.

- (10) Upon the occurrence of a Change of Control Triggering Event (as defined herein), unless the Company has exercised its right to redeem the Notes pursuant to paragraph (9) hereof, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder’s Notes as provided herein (the “Change of Control Offer”) at a purchase price in cash equal to 101% of the aggregate principal amount of such Notes plus accrued and

unpaid interest, if any, on such Notes to the date of purchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event, the Company shall send, by first class mail, a notice to each Holder of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

- (i) a description of the transaction or transactions that constitute such Change of Control Triggering Event;
- (ii) that the Change of Control Offer is being made pursuant to this paragraph (10) and that all Notes validly tendered will be accepted for payment;
- (iii) the Change of Control Payment and the date on which the Change of Control Payment will be made (the “Change of Control Payment Date”), which shall be a Business Day that is no earlier than 30 days nor later than 60 days from the date the notice is mailed, other than as may be required by law;
- (iv) that any Note not tendered will continue to accrue interest;
- (v) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Payment Date unless the Company shall default in the Change of Control Payment and the only remaining right of the Holder thereof is to receive the Change of Control Payment upon surrender of such Note to the Paying Agent;
- (vi) that Holders of the Notes electing to have a portion of a Note purchased pursuant to the Change of Control Offer may only elect to have such Note purchased in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof;
- (vii) that if a Holder of Notes elects to have such Notes purchased pursuant to the Change of Control Offer it will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;
- (viii) that a Holder of Notes will be entitled to withdraw its election if the Company receives, not later than the third Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes such Holder delivered for purchase, and a statement that such Holder is withdrawing its election to have such Notes purchased; and

-
- (ix) that if Notes are purchased only in part a new Note of the same type will be issued in a principal amount equal to the unpurchased portion of the Notes surrendered.

On the Change of Control Payment Date, the Company shall, to the extent lawful, (a) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, (b) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof properly tendered and (c) deliver or cause to be delivered to the Trustee for cancellation the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company. The Paying Agent shall promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee, upon receipt of an order from the Company, shall promptly authenticate and mail (or cause to be transferred by book entry) to such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered by such Holder, if any, in denominations as set forth in the Indenture.

The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other applicable securities laws and regulations thereunder to the extent these laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this paragraph (10), the Company and Block will comply with the applicable securities laws and regulations and will not be deemed to have breached its or their obligations under this paragraph (10) by virtue of such conflicts.

For purposes of the Notes:

"Below Investment Grade Rating Event" means the ratings on the Notes are lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee or the Company in writing at the Trustee's or the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Capital Stock” of any Person means any and all shares, interests, rights to purchase, warrants, options, participation or other equivalents of or interests in (however designated) equity of such Person, including any preferred stock and limited liability or partnership interests (whether general or limited), but excluding any debt securities convertible into such equity.

“Change of Control” means the occurrence of any of the following:

(a) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of Block’s properties or assets and of Block’s Subsidiaries’ properties or assets taken as a whole to any Person or group of related “persons” (as that term is used in Section 13(d)(3) of the Exchange Act) (a “Group”) other than the Company or Block or one of their Subsidiaries or a holding company satisfying the conditions of the proviso below;

(b) the adoption of a plan relating to liquidation or dissolution of Block;

(c) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group (other than the Company or Block or one of their subsidiaries) becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s or Block’s Voting Stock; or

(d) the first day on which a majority of the members of the board of directors of Block are not Continuing Directors.

Notwithstanding the foregoing, a transaction will not be considered to be a Change of Control if (i) Block becomes a direct or indirect wholly owned subsidiary of a holding company or transfers all or substantially all of its assets to a holding company and (ii) immediately following that transaction, (A) the direct or indirect holders of the Voting Stock of the holding company are substantially the same as the holders of Block’s Voting Stock immediately prior to that transaction or (B) no Person or Group is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of the holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Director” means, as of any date of determination, any member of the board of directors of Block who (i) was a member of the board of directors of Block on the date of the issuance of the Notes or (ii) was nominated

for election, elected or appointed to Block’s board of directors with the approval of a majority of the Continuing Directors who were members of the board of directors of Block at the time of such nomination, election or appointment (either by a specific vote or by approval of Block’s proxy statement in which such member was named as a nominee for election as a director).

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P.

“Moody’s” means Moody’s Investors Service, Inc. or its successor.

“Person” means any individual, corporation, partnership, joint venture, association, joint stock company, trust, unincorporated organization, limited liability company, government or any agency or political subdivision thereof or any other entity, and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (i) each of Moody’s and S&P and (ii) if either of Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act selected by Block (as certified by a resolution of the board of directors of Block) as a replacement agency for Moody’s or S&P, or either of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc. or its successor.

“Voting Stock” of a Person means all classes of Capital Stock of such Person then outstanding and normally entitled to vote in the election of directors, managers or trustees, as applicable.

- (11) Unless a Change of Control Triggering Event has occurred, the Holders of the Notes shall not have the right to demand repayment of the Notes prior to maturity.
- (12) The interest rate payable on the Notes shall be subject to adjustments from time to time if either Moody’s or S&P (or, in either case if applicable, any Substitute Rating Agency (as defined below)) downgrades or subsequently upgrades the debt rating assigned to the Notes, as set forth below.

If the rating from Moody’s (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
Ba1	0.25%
Ba2	0.50%
Ba3	0.75%
B1 or below	1.00%

If the rating from S&P (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
BB+	0.25%
BB	0.50%
BB-	0.75%
B+ or below	1.00%

Notwithstanding the foregoing, if at any time the interest rate on the Notes has been adjusted upward and either Moody's or S&P (or any applicable Substitute Rating Agency), as the case may be, subsequently increases its rating of the Notes to any of the threshold ratings set forth in the tables above, the interest rate on the Notes shall be decreased such that the interest rate for the Notes equals the Original Interest Rate plus the percentages set forth opposite the ratings from the tables above in effect immediately following the increase. If Moody's (or any applicable Substitute Rating Agency) subsequently increases its rating of the Notes to Baa3 or higher and S&P (or any applicable Substitute Rating Agency) increases its rating to BBB- or higher (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) the interest rate on the Notes shall be decreased to the Original Interest Rate.

Each adjustment required by any decrease or increase in a rating set forth above, whether occasioned by the action of Moody's or S&P (or any applicable Substitute Rating Agency), shall be made independent of any and all other adjustments. In no event shall (1) the interest rate for the Notes be reduced to below the Original Interest Rate or (2) the total increase in the interest rate on the Notes exceed 2.00% above the Original Interest Rate.

If either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes and a Substitute Rating Agency is not obtained as provided below, any subsequent increase or decrease in the interest rate of the Notes necessitated by a reduction or increase in the rating by the agency continuing to provide the rating shall be twice the percentage set forth in the applicable table above. No adjustments in the interest rate of the Notes shall be made solely as a result of either Moody's or S&P (or any applicable Substitute Rating Agency) ceasing to provide a rating. If none of Moody's, S&P or any Substitute Rating Agency provides a rating of the Notes, the interest rate on the Notes shall increase to, or remain at, as the case may be, 2.00% above the Original Interest Rate.

If at any time either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes for reasons outside of the Company's control, the Company may, at its option, obtain a rating of the Notes from another nationally recognized statistical rating organization within the meaning of Section 3(a)(62) under the Exchange Act, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by the Company in writing to the Trustee, a "Substitute Rating Agency"), for purposes of determining any increase or decrease in the interest rate on the Notes pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last such rating agency to provide a rating of the Notes but which has since ceased to provide such rating until such time, if any, as such rating agency resumes providing a rating of the Notes, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by the Company and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody's, S&P or any prior Substitute Rating Agency (if applicable), as the case may be, in such table and for any other purpose described in this section and (c) the interest rate on the Notes will increase, decrease or remain unchanged, as the case may be, as described above to reflect any change in the appropriate percentage, if any, set forth opposite the rating from such Substitute Rating Agency in the applicable table above (taking into account the provisions of clause (b) above) compared to the prior percentage, if any, corresponding to the rating agency for which the Substitute Rating Agency has been substituted. If Moody's or S&P either ceases to provide a rating of the Notes for reasons within the Company's control, the Company will not be entitled to obtain a rating from a Substitute Rating Agency and the increase or decrease in the interest rate of the Notes shall be determined in the manner described above as if either only one or no rating agency provides a rating of the Notes, as the case may be.

Any interest rate increase or decrease described above shall take effect on the next Business Day after the rating change has occurred.

The interest rate on the Notes shall permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by either or both rating agencies (or any applicable Substitute Rating Agency)) if the Notes become rated Baa1 and BBB+ or higher by Moody's and S&P, respectively (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) (or one of these ratings if only rated by one rating agency), with a stable or positive outlook by each of the rating agencies.

- (13) The Notes shall be general unsecured obligations of the Company and shall rank equal in right of payment, on a pari passu basis, with all of its other existing and future unsecured and unsubordinated senior indebtedness. The Notes shall be fully and unconditionally guaranteed on a senior unsecured basis by Block. The guarantee shall rank equal in right of payment, on a pari passu basis, with all of Block's existing and future unsecured and unsubordinated senior indebtedness and guarantees.

(14) The Notes shall not be subject to any sinking fund requirement.

(15) Section 4.10 of the Indenture with respect to the Notes shall be replaced with the following:

Limitation on Liens. Unless the Company contemporaneously secures the Notes equally and ratably with (or prior to) such obligation, the Company shall not, and shall not permit any of its Subsidiaries to create or permit to exist any Lien on any Principal Property, or any shares of stock or Indebtedness of a Restricted Subsidiary, whether owned on the date of issuance of the Notes or thereafter acquired, securing any obligation except for:

- (i) Permitted Liens; or

(16) The definition of "Credit Agreement" in the Indenture with respect to the Notes shall be replaced with the following:

BLOCK FINANCIAL LLC
5.50% Notes 2022

The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the redemption date, or (ii) the sum of the present values of the remaining principal amount and scheduled payments of interest on the Notes to be redeemed (not including any portion of payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus sixty (60) basis points, plus accrued and unpaid interest to the redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated on the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date:

- (a) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations, or
- (b) if the Trustee obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of (1) J.P. Morgan Securities LLC, or its affiliates, and their respective successors, (2) one primary U.S. Government securities dealer in The City of New York (a “Primary Treasury Dealer”) selected by each of Crédit Agricole Securities (USA) Inc., SunTrust Robinson Humphrey, Inc. and TD Securities (USA) LLC and their respective successors, and (3) any other Primary Treasury Dealer selected by the Company; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding that redemption date.

In addition, at its option, the Company may redeem the Notes, in whole or in part, at any time on or following May 1, 2022 (the date falling six months prior to the maturity date of the Notes) at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued interest to the redemption date.

Notice of any redemption shall be given at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed. Notices of redemption may not be conditional. Unless the Company defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption on a pro rata basis, by lot or by such method as the Trustee deems fair and appropriate; provided, however, that, so long as the Notes are held in book-entry form, the Notes shall be selected for redemption in accordance with the Depository's then-current practice.

Upon the occurrence of a Change of Control Triggering Event (as defined herein), unless the Company has exercised its right to redeem the Notes, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes as provided herein (the "Change of Control Offer") at a purchase price in cash equal to 101% of the aggregate principal amount of such Notes plus accrued and unpaid interest, if any, on such Notes to the date of purchase (the "Change of Control Payment").

Within 30 days following any Change of Control Triggering Event, the Company shall send, by first class mail, a notice to each Holder of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

- (i) a description of the transaction or transactions that constitute such Change of Control Triggering Event;
- (ii) that the Change of Control Offer is being made pursuant to provisions hereof and that all Notes validly tendered will be accepted for payment;
- (iii) the Change of Control Payment and the date on which the Change of Control Payment will be made ("Change of Control Payment Date"), which shall be a Business Day that is no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law;
- (iv) that any Note not tendered will continue to accrue interest;
- (v) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Payment Date unless the Company shall default in the Change of Control Payment and the only remaining right of the Holder thereof is to receive the Change of Control Payment upon surrender of such Note to the Paying Agent;

(vi) that Holders of the Notes electing to have a portion of a Note purchased pursuant to a Change of Control Offer may only elect to have such Note purchased in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof;

(vii) that if a Holder of Notes elects to have such Notes purchased pursuant to the Change of Control Offer it will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(viii) that a Holder of Notes will be entitled to withdraw its election if the Company receives, not later than the third Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes such Holder delivered for purchase, and a statement that such Holder is withdrawing its election to have such Notes purchased; and

(ix) that if Notes are purchased only in part a new Note of the same type will be issued in a principal amount equal to the unpurchased portion of the Notes surrendered.

On the Change of Control Payment Date, the Company shall, to the extent lawful, (i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof properly tendered and (iii) deliver or cause to be delivered to the Trustee for cancellation the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company. The Paying Agent shall promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee, upon receipt of an order from the Company, shall promptly authenticate and mail (or cause to be transferred by book entry) to such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered by such Holder, if any, in denominations as set forth in the Indenture.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations thereunder to the extent these laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions hereof, the Company and the Guarantor will comply with the applicable securities laws and regulations and will not be deemed to have breached its or their obligations under the Change of Control Triggering Event provisions hereof by virtue of such conflicts.

For all purposes hereof:

"Below Investment Grade Rating Event" means the ratings on the Notes are lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that

could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee or the Company in writing at the Trustee's or the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

"Capital Stock" of any Person means any and all shares, interests, rights to purchase, warrants, options, participation or other equivalents of or interests in (however designated) equity of such Person, including any preferred stock and limited liability or partnership interests (whether general or limited), but excluding any debt securities convertible into such equity.

"Change of Control" means the occurrence of any of the following:

- (a) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Guarantor's properties or assets and of the Guarantor's Subsidiaries' properties or assets taken as a whole to any Person or group of related "persons" (as that term is used in Section 13(d)(3) of the Exchange Act (a "Group") other than the Company or Guarantor or one of the their Subsidiaries or a holding company satisfying the conditions of the proviso below;
- (b) the adoption of a plan relating to the liquidation or dissolution of the Guarantor;
- (c) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group (other than the Company or the Guarantor or one of their subsidiaries) becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company's or the Guarantor's Voting Stock; or
- (d) the first day on which a majority of the members of the Guarantor's Board of Directors are not Continuing Directors.

Notwithstanding the foregoing, a transaction will not be considered to be a Change of Control if (1) the Guarantor becomes a direct or indirect wholly owned subsidiary of a holding company or transfers all or substantially all of its assets to a holding company and (2) immediately following that transaction, (A) the direct or indirect holders of the Voting Stock of the holding company are substantially the same as the Holders of the Guarantor's Voting Stock immediately prior to that transaction or (B) no Person or Group is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of the holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Director” means, as of any date of determination, any member of the Guarantor’s Board of Directors who (1) was a member of the Guarantor’s Board of Directors on the date of the issuance of the Notes or (2) was nominated for election, elected or appointed to the Guarantor’s Board of Directors with the approval of a majority of the Continuing Directors who were members of the Guarantor’s Board of Directors at the time of such nomination, election or appointment (either by a specific vote or by approval of the Guarantor’s proxy statement in which such member was named as a nominee for election as a director).

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P.

“Moody’s” means Moody’s Investors Service, Inc. or its successor.

“Person” means any individual, corporation, partnership, joint venture, association, joint stock company, trust, unincorporated organization, limited liability company, government or any agency or political subdivision thereof or any other entity, and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Moody’s and S&P and (2) if either of Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act, selected by the Guarantor (as certified by a resolution of the Guarantor’s Board of Directors) as a replacement agency for Moody’s or S&P or either of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc. or its successor.

“Voting Stock” of a Person means all classes of Capital Stock of such Person then outstanding and normally entitled to vote in the election of directors, managers or trustees, as applicable.

Unless a Change of Control Triggering Event has occurred, the Holders of the Notes shall not have the right to demand repayment of the Notes prior to maturity.

The Notes will not be entitled to any sinking fund.

In case an Event of Default with respect to the Notes, as defined in the Indenture, shall have occurred and be continuing, the principal hereof together with interest accrued thereon, if any, may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

(30) The interest rate payable on the Notes shall be subject to adjustments from time to time if either Moody's or S&P (or, in either case if applicable, any Substitute Rating Agency (as defined below)) downgrades or subsequently upgrades the debt rating assigned to the Notes, as set forth below.

If the rating from Moody's (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
Ba1	0.25%
Ba2	0.50%
Ba3	0.75%
B1 or below	1.00%

If the rating from S&P (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
BB+	0.25%
BB	0.50%
BB-	0.75%
B+ or below	1.00%

Notwithstanding the foregoing, if at any time the interest rate on the Notes has been adjusted upward and either Moody's or S&P (or any applicable Substitute Rating Agency), as the case may be, subsequently increases its rating of the Notes to any of the threshold ratings set forth in the tables above, the interest rate on the Notes shall be decreased such that the interest rate for the Notes equals the Original Interest Rate plus the percentages set forth opposite the ratings from the tables above in effect immediately following the increase. If Moody's (or any applicable Substitute Rating Agency) subsequently increases its rating of the Notes to Baa3 or higher and S&P (or any applicable Substitute Rating Agency) increases its rating to BBB- or higher (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) the interest rate on the Notes shall be decreased to the Original Interest Rate.

Each adjustment required by any decrease or increase in a rating set forth above, whether occasioned by the action of Moody's or S&P (or any applicable Substitute Rating Agency), shall be made independent of any and all other adjustments. In no event shall (1) the interest rate for the Notes be reduced to below the Original Interest Rate or (2) the total increase in the interest rate on the Notes exceed 2.00% above the Original Interest Rate.

If either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes and a Substitute Rating Agency is not obtained as provided below, any subsequent increase or decrease in the interest rate of the Notes necessitated by a reduction or increase in the rating by the agency continuing to provide the rating shall be twice the percentage set forth in the applicable table above. No adjustments in the interest rate of the Notes shall be made solely as a result of either Moody's or S&P (or any applicable Substitute Rating Agency) ceasing to provide a rating. If none of Moody's, S&P or any Substitute Rating Agency provides a rating of the Notes, the interest rate on the Notes shall increase to, or remain at, as the case may be, 2.00% above the Original Interest Rate.

If at any time either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes for reasons outside of the Company's control, the Company may, at its option, obtain a rating of the Notes from another nationally recognized statistical rating organization within the meaning of Section 3(a)(62) under the Exchange Act, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by the Company in writing to the Trustee, a "Substitute Rating Agency"), for purposes of determining any increase or decrease in the interest rate on the Notes pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last such rating agency to provide a rating of the Notes but which has since ceased to provide such rating until such time, if any, as such rating agency resumes providing a rating of the Notes, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by the Company and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody's, S&P or any prior Substitute Rating Agency (if applicable), as the case may be, in such table and for any other purpose described in this section and (c) the interest rate on the Notes will increase, decrease or remain unchanged, as the case may be, as described above to reflect any change in the appropriate percentage, if any, set forth opposite the rating from such Substitute Rating Agency in the applicable table above (taking into account the provisions of clause (b) above) compared to the prior percentage, if any, corresponding to the rating agency for which the Substitute Rating Agency has been substituted. If Moody's or S&P either ceases to provide a rating of the Notes for reasons within the Company's control, the Company will not be entitled to obtain a rating from a Substitute Rating Agency and the increase or decrease in the interest rate of the Notes shall be determined in the manner described above as if either only one or no rating agency provides a rating of the Notes, as the case may be.

Any interest rate increase or decrease described above shall take effect on the next Business Day after the rating change has occurred.

The interest rate on the Notes shall permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by either or both rating agencies (or any applicable Substitute Rating Agency)) if the Notes become rated Baa1 and BBB+ or higher by Moody's and S&P, respectively (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) (or one of these ratings if only rated by one rating agency), with a stable or positive outlook by each of the rating agencies.

The Indenture contains provisions permitting the Company, the Guarantor and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes; provided, however, that no such supplemental indenture shall, among other things, (i) reduce the percentage in principal amount of Notes whose Holders must consent to an amendment; (ii) reduce the rate of or extend the time for payment of interest on any Notes; (iii) reduce the principal of or extend the Stated Maturity of any Notes; (iv) reduce the premium payable upon the redemption of any Notes or change the time at which any Notes may or will be redeemed; (v) make any Notes payable in Currency other than that stated in the Notes; (vi) release any security that may have been granted in respect of the Notes; or (vii) make any change in any of the provisions of the Indenture relating to directing the Trustee and waiving defaults or amendments that require unanimous consent. It is also provided in the Indenture that the Holders of a majority in aggregate principal amount of the Securities of a series at the time outstanding may on behalf of the Holders of all the Securities of such series waive any past default under the Indenture with respect to such series and its consequences, except a default in the payment of the principal of, premium, if any, or interest, if any, on any Security of such series or in respect of a covenant or provision which cannot be modified without the consent of each Holder affected thereby. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Note and any Notes which may be issued in exchange or substitution herefor, irrespective of whether or not any notation thereof is made upon this Note or such other Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, if any, and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein prescribed.

The Indenture permits the Company to discharge its obligations with respect to the Notes on the 91st day following the satisfaction of the conditions set forth in the Indenture, which include the deposit with the Trustee of money or U.S. Government Obligations or a combination thereof sufficient to pay and discharge each installment of principal of (including premium, if any, on) and interest, if any, on the outstanding Notes.

If the Company or Guarantor shall, in accordance with Section 10.01 of the Indenture, consolidate with or merge with or into any other Person or convey, transfer or lease all or substantially all the assets of the Guarantor on a consolidated basis to any Person (other than the Company or any Subsidiary) the successor shall succeed to, and be substituted for, the Person named as the "Company" on the face of this Note or the Guarantee, as applicable, all on the terms set forth in the Indenture.

The Notes are issuable in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000. In the manner and subject to the limitations provided in the

Indenture, but without the payment of any service charge, Notes may be exchanged for an equal aggregate principal amount of Notes of other authorized denominations at the office or agency of the Company maintained for such purpose.

Prior to due presentment for registration of transfer of this Note, the Company, the Trustee and any agent of the Company or the Trustee may deem and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue) for the purpose of receiving payment of the principal of, premium, if any, and interest on this Note, as herein provided, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be affected by any notice of the contrary. All payments made to or upon the order of such registered Holder shall, to the extent of the sum or sums paid, effectually satisfy and discharge liability for moneys payable on this Note.

No recourse for the payment of the principal of, premium, if any, or interest on this Note, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any indenture supplemental thereto or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

Unless otherwise defined in this Note, all terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

BLOCK FINANCIAL LLC
5.50% Notes 2022

The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the redemption date, or (ii) the sum of the present values of the remaining principal amount and scheduled payments of interest on the Notes to be redeemed (not including any portion of payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus sixty (60) basis points, plus accrued and unpaid interest to the redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated on the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date:

- (a) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations, or
- (b) if the Trustee obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of (1) J.P. Morgan Securities LLC, or its affiliates, and their respective successors, (2) one primary U.S. Government securities dealer in The City of New York (a “Primary Treasury Dealer”) selected by each of Crédit Agricole Securities (USA) Inc., SunTrust Robinson Humphrey, Inc. and TD Securities (USA) LLC and their respective successors, and (3) any other Primary Treasury Dealer selected by the Company; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding that redemption date.

In addition, at its option, the Company may redeem the Notes, in whole or in part, at any time on or following May 1, 2022 (the date falling six months prior to the maturity date of the Notes) at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued interest to the redemption date.

Notice of any redemption shall be given at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed. Notices of redemption may not be conditional. Unless the Company defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption on a pro rata basis, by lot or by such method as the Trustee deems fair and appropriate; provided, however, that, so long as the Notes are held in book-entry form, the Notes shall be selected for redemption in accordance with the Depository's then-current practice.

Upon the occurrence of a Change of Control Triggering Event (as defined herein), unless the Company has exercised its right to redeem the Notes, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes as provided herein (the "Change of Control Offer") at a purchase price in cash equal to 101% of the aggregate principal amount of such Notes plus accrued and unpaid interest, if any, on such Notes to the date of purchase (the "Change of Control Payment").

Within 30 days following any Change of Control Triggering Event, the Company shall send, by first class mail, a notice to each Holder of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

- (i) a description of the transaction or transactions that constitute such Change of Control Triggering Event;
- (ii) that the Change of Control Offer is being made pursuant to provisions hereof and that all Notes validly tendered will be accepted for payment;
- (iii) the Change of Control Payment and the date on which the Change of Control Payment will be made ("Change of Control Payment Date"), which shall be a Business Day that is no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law;
- (iv) that any Note not tendered will continue to accrue interest;
- (v) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Payment Date unless the Company shall default in the Change of Control Payment and the only remaining right of the Holder thereof is to receive the Change of Control Payment upon surrender of such Note to the Paying Agent;
- (vi) that Holders of the Notes electing to have a portion of a Note purchased pursuant to a Change of Control Offer may only elect to have such Note purchased in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof;
- (vii) that if a Holder of Notes elects to have such Notes purchased pursuant to the Change of Control Offer it will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(viii) that a Holder of Notes will be entitled to withdraw its election if the Company receives, not later than the third Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes such Holder delivered for purchase, and a statement that such Holder is withdrawing its election to have such Notes purchased; and

(ix) that if Notes are purchased only in part a new Note of the same type will be issued in a principal amount equal to the unpurchased portion of the Notes surrendered.

On the Change of Control Payment Date, the Company shall, to the extent lawful, (i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof properly tendered and (iii) deliver or cause to be delivered to the Trustee for cancellation the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company. The Paying Agent shall promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee, upon receipt of an order from the Company, shall promptly authenticate and mail (or cause to be transferred by book entry) to such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered by such Holder, if any, in denominations as set forth in the Indenture.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations thereunder to the extent these laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions hereof, the Company and the Guarantor will comply with the applicable securities laws and regulations and will not be deemed to have breached its or their obligations under the Change of Control Triggering Event provisions hereof by virtue of such conflicts.

For all purposes hereof:

"Below Investment Grade Rating Event" means the ratings on the Notes are lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee or the Company in writing at the Trustee's or the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Capital Stock” of any Person means any and all shares, interests, rights to purchase, warrants, options, participation or other equivalents of or interests in (however designated) equity of such Person, including any preferred stock and limited liability or partnership interests (whether general or limited), but excluding any debt securities convertible into such equity.

“Change of Control” means the occurrence of any of the following:

- (a) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Guarantor’s properties or assets and of the Guarantor’s Subsidiaries’ properties or assets taken as a whole to any Person or group of related “persons” (as that term is used in Section 13(d)(3) of the Exchange Act (a “Group”) other than the Company or Guarantor or one of the their Subsidiaries or a holding company satisfying the conditions of the proviso below;
- (b) the adoption of a plan relating to the liquidation or dissolution of the Guarantor;
- (c) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group (other than the Company or the Guarantor or one of their subsidiaries) becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s or the Guarantor’s Voting Stock; or
- (d) the first day on which a majority of the members of the Guarantor’s Board of Directors are not Continuing Directors.

Notwithstanding the foregoing, a transaction will not be considered to be a Change of Control if (1) the Guarantor becomes a direct or indirect wholly owned subsidiary of a holding company or transfers all or substantially all of its assets to a holding company and (2) immediately following that transaction, (A) the direct or indirect holders of the Voting Stock of the holding company are substantially the same as the Holders of the Guarantor’s Voting Stock immediately prior to that transaction or (B) no Person or Group is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of the holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Director” means, as of any date of determination, any member of the Guarantor’s Board of Directors who (1) was a member of the Guarantor’s Board of Directors on the date of the issuance of the Notes or (2) was nominated for election, elected or appointed to the Guarantor’s Board of Directors with the approval of a majority of the Continuing Directors who were members of the Guarantor’s Board of Directors at the time of such nomination, election or appointment (either by a specific vote or by approval of the Guarantor’s proxy statement in which such member was named as a nominee for election as a director).

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P.

“Moody’s” means Moody’s Investors Service, Inc. or its successor.

“Person” means any individual, corporation, partnership, joint venture, association, joint stock company, trust, unincorporated organization, limited liability company, government or any agency or political subdivision thereof or any other entity, and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Moody’s and S&P and (2) if either of Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act, selected by the Guarantor (as certified by a resolution of the Guarantor’s Board of Directors) as a replacement agency for Moody’s or S&P or either of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc. or its successor.

“Voting Stock” of a Person means all classes of Capital Stock of such Person then outstanding and normally entitled to vote in the election of directors, managers or trustees, as applicable.

Unless a Change of Control Triggering Event has occurred, the Holders of the Notes shall not have the right to demand repayment of the Notes prior to maturity.

The Notes will not be entitled to any sinking fund.

In case an Event of Default with respect to the Notes, as defined in the Indenture, shall have occurred and be continuing, the principal hereof together with interest accrued thereon, if any, may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

The interest rate payable on the Notes shall be subject to adjustments from time to time if either Moody’s or S&P (or, in either case if applicable, any Substitute Rating Agency (as defined below)) downgrades or subsequently upgrades the debt rating assigned to the Notes, as set forth below.

If the rating from Moody’s (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
Ba1	0.25%
Ba2	0.50%
Ba3	0.75%
B1 or below	1.00%

If the rating from S&P (or any applicable Substitute Rating Agency) of the Notes is decreased to a rating set forth in the immediately following table, the interest rate on the Notes shall increase from the Original Interest Rate by the percentage set forth opposite that rating:

<u>Rating</u>	<u>Percentage</u>
BB+	0.25%
BB	0.50%
BB-	0.75%
B+ or below	1.00%

Notwithstanding the foregoing, if at any time the interest rate on the Notes has been adjusted upward and either Moody's or S&P (or any applicable Substitute Rating Agency), as the case may be, subsequently increases its rating of the Notes to any of the threshold ratings set forth in the tables above, the interest rate on the Notes shall be decreased such that the interest rate for the Notes equals the Original Interest Rate plus the percentages set forth opposite the ratings from the tables above in effect immediately following the increase. If Moody's (or any applicable Substitute Rating Agency) subsequently increases its rating of the Notes to Baa3 or higher and S&P (or any applicable Substitute Rating Agency) increases its rating to BBB- or higher (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) the interest rate on the Notes shall be decreased to the Original Interest Rate.

Each adjustment required by any decrease or increase in a rating set forth above, whether occasioned by the action of Moody's or S&P (or any applicable Substitute Rating Agency), shall be made independent of any and all other adjustments. In no event shall (1) the interest rate for the Notes be reduced to below the Original Interest Rate or (2) the total increase in the interest rate on the Notes exceed 2.00% above the Original Interest Rate.

If either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes and a Substitute Rating Agency is not obtained as provided below, any subsequent increase or decrease in the interest rate of the Notes necessitated by a reduction or increase in the rating by the agency continuing to provide the rating shall be twice the percentage set forth in the applicable table above. No adjustments in the interest rate of the Notes shall be made solely as a result of either Moody's or S&P (or any applicable Substitute Rating Agency) ceasing to provide a rating. If none of Moody's, S&P or any Substitute Rating Agency provides a rating of the Notes, the interest rate on the Notes shall increase to, or remain at, as the case may be, 2.00% above the Original Interest Rate.

If at any time either Moody's or S&P (or any applicable Substitute Rating Agency) ceases to provide a rating of the Notes for reasons outside of the Company's control, the Company may, at its option, obtain a rating of the Notes from another nationally recognized statistical rating organization within the meaning of Section 3(a)(62) under the Exchange Act, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by the Company in writing to the Trustee, a "Substitute Rating Agency"), for purposes of determining any increase or decrease in the interest rate on the Notes pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last such rating agency to provide a rating of the Notes but which has since ceased to provide such rating until such time, if any, as such rating agency resumes providing a rating of the Notes, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by the Company and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody's, S&P or any prior Substitute Rating Agency (if applicable), as the case may be, in such table and for any other purpose described in this section and (c) the interest rate on the Notes will increase, decrease or remain unchanged, as the case may be, as described above to reflect any change in the appropriate percentage, if any, set forth opposite the rating from such Substitute Rating Agency in the applicable table above (taking into account the provisions of

clause (b) above) compared to the prior percentage, if any, corresponding to the rating agency for which the Substitute Rating Agency has been substituted. If Moody's or S&P either ceases to provide a rating of the Notes for reasons within the Company's control, the Company will not be entitled to obtain a rating from a Substitute Rating Agency and the increase or decrease in the interest rate of the Notes shall be determined in the manner described above as if either only one or no rating agency provides a rating of the Notes, as the case may be.

Any interest rate increase or decrease described above shall take effect on the next Business Day after the rating change has occurred.

The interest rate on the Notes shall permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by either or both rating agencies (or any applicable Substitute Rating Agency)) if the Notes become rated Baa1 and BBB+ or higher by Moody's and S&P, respectively (or, in either case if applicable, the equivalent rating of any Substitute Rating Agency) (or one of these ratings if only rated by one rating agency), with a stable or positive outlook by each of the rating agencies.

The Indenture contains provisions permitting the Company, the Guarantor and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes; provided, however, that no such supplemental indenture shall, among other things, (i) reduce the percentage in principal amount of Notes whose Holders must consent to an amendment; (ii) reduce the rate of or extend the time for payment of interest on any Notes; (iii) reduce the principal of or extend the Stated Maturity of any Notes; (iv) reduce the premium payable upon the redemption of any Notes or change the time at which any Notes may or will be redeemed; (v) make any Notes payable in Currency other than that stated in the Notes; (vi) release any security that may have been granted in respect of the Notes; or (vii) make any change in any of the provisions of the Indenture relating to directing the Trustee and waiving defaults or amendments that require unanimous consent. It is also provided in the Indenture that the Holders of a majority in aggregate principal amount of the Securities of a series at the time outstanding may on behalf of the Holders of all the Securities of such series waive any past default under the Indenture with respect to such series and its consequences, except a default in the payment of the principal of, premium, if any, or interest, if any, on any Security of such series or in respect of a covenant or provision which cannot be modified without the consent of each Holder affected thereby. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Note and any Notes which may be issued in exchange or substitution herefor, irrespective of whether or not any notation thereof is made upon this Note or such other Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, if any, and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein prescribed.

The Indenture permits the Company to discharge its obligations with respect to the Notes on the 91st day following the satisfaction of the conditions set forth in the Indenture, which include the deposit with the Trustee of money or U.S. Government Obligations or a combination thereof sufficient to pay and discharge each installment of principal of (including premium, if any, on) and interest, if any, on the outstanding Notes.

If the Company or Guarantor shall, in accordance with Section 10.01 of the Indenture, consolidate with or merge with or into any other Person or convey, transfer or lease all or substantially all the assets of the Guarantor on a consolidated basis to any Person (other than the Company or any Subsidiary) the successor shall succeed to, and be substituted for, the Person named as the "Company" on the face of this Note or the Guarantee, as applicable, all on the terms set forth in the Indenture.

The Notes are issuable in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000. In the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, Notes may be exchanged for an equal aggregate principal amount of Notes of other authorized denominations at the office or agency of the Company maintained for such purpose.

Prior to due presentment for registration of transfer of this Note, the Company, the Trustee and any agent of the Company or the Trustee may deem and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue) for the purpose of receiving payment of the principal of, premium, if any, and interest on this Note, as herein provided, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be affected by any notice of the contrary. All payments made to or upon the order of such registered Holder shall, to the extent of the sum or sums paid, effectually satisfy and discharge liability for moneys payable on this Note.

No recourse for the payment of the principal of, premium, if any, or interest on this Note, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any indenture supplemental thereto or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

Unless otherwise defined in this Note, all terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

Re: Offering of 5.50% Notes due 2022

Ladies and Gentlemen:

We have acted as counsel to Block Financial LLC, a Delaware limited liability company (the “**Issuer**”), and H&R Block, Inc., a Missouri corporation (the “**Guarantor**” and together with the Issuer, the “**Companies**”), in connection with the offer and sale by the Issuer of \$500,000,000 in aggregate principal amount of the Issuer’s 5.50% Notes due 2022 (the “**Notes**”) and the related guarantee thereof by the Guarantor (the “**Guarantee**”) endorsed on the Notes, pursuant to the Underwriting Agreement dated October 22, 2012 (the “**Underwriting Agreement**”) among the Issuer, the Guarantor, and J.P. Morgan Securities LLC, for itself and as representative of the underwriters listed in Schedule A thereto.

In so acting, we have reviewed originals or copies (certified or otherwise identified to our satisfaction) of (i) the Underwriting Agreement; (ii) the Registration Statement on Form S-3 (File No. 333-184343) filed with the U.S. Securities and Exchange Commission on October 9, 2012 (the “**Registration Statement**”) under the Securities Act of 1933, as amended (the “**Securities Act**”); (iii) the prospectus dated October 9, 2012 (the “**Base Prospectus**”), which forms a part of the Registration Statement; (iv) the prospectus supplement dated October 22, 2012 (the “**Prospectus Supplement**,” and, together with the Base Prospectus, the “**Prospectus**”) (v) the Indenture dated as of October 20, 1997 (the “**Original Indenture**”), among Block Financial Corporation, as predecessor to the Issuer, the Guarantor and Deutsche Bank Trust Company Americas (f/k/a Bankers Trust Company), as trustee (the “**First Trustee**”); (vi) the First Supplemental Indenture, dated as of April 18, 2000 (the “**First Supplemental Indenture**”), among Block Financial Corporation, as predecessor to the Issuer, the Guarantor, the First Trustee and The Bank of New York, as separate trustee under the Original Indenture in respect of the Company’s 8.50% notes due 2007; (vii) the Officers’ Certificate of the Issuer dated as of October 25, 2012, establishing the terms of the Notes (the Officers’ Certificate, together with the Original Indenture, as supplemented by the First Supplemental Indenture, collectively, the “**Indenture**”); (viii) an executed copy of the global note representing the Notes and the Guarantee endorsed on the Notes; and (ix) such corporate and

limited liability company records, agreements, documents and other instruments, and such certificates or comparable documents of public officials and of officers and other representatives of the Companies, and have made such inquiries of such officers and representatives, as we have deemed relevant and necessary as a basis for the opinions set forth below, and we have assumed that such certificates and other documents and responses to our inquiries are true and correct as of the date hereof, without independent investigation on our part.

In issuing this opinion letter, with your permission, we have assumed, without independent investigation on our part, that (a) each agreement, certificate, document, instrument, record and paper (as used in this paragraph, each, a “**document**”) reviewed by us as an original is authentic; (b) each document reviewed by us as a certified, conformed, telecopied or photostatic copy conforms to the original of such document and each such original is authentic; (c) all signatures appearing on the documents reviewed by us are genuine; (d) all natural persons who have signed, or will sign, any document reviewed by us had, or will have, as the case may be, the legal capacity and competency to do so at the time of such signature; (e) the due authorization, execution and delivery of all documents by all parties and the validity, binding effect and enforceability thereof (other than the authorization, execution and delivery of the documents by the Guarantor); (f) each of the Original Indenture and the First Supplemental Indenture is in full force and effect and has not been terminated; and (g) all Notes will be issued and sold in compliance with the applicable federal and state securities laws and in the manner stated in the Registration Statement and the Prospectus.

Based upon the foregoing, and subject to the assumptions and qualifications set forth in this opinion letter, we are of the opinion as of this date that:

1. The Guarantor is a corporation validly existing under the laws of the State of Missouri, with the corporate power and authority to enter into and perform its obligations under the Indenture and the Guarantee with respect to the Notes.
2. The Guarantor has duly authorized, executed and delivered the Indenture and the Guarantee with respect to the Notes.

The opinions expressed herein are given as of the date hereof only with respect to the present status of the laws of the State of Missouri (excluding the statutes, ordinances, rules and regulations of counties, towns, municipalities and special political subdivisions of the State of Missouri), and we expressly disclaim any obligation to update or supplement our opinions in response to changes in the law by legislative or regulatory action, judicial decision or otherwise becoming effective hereafter or future events or circumstances affecting the transactions contemplated by the Underwriting Agreement.
