KANSAS CITY, Mo.--(BUSINESS WIRE)--Dec. 19, 2007--The House of Representatives has approved an AMT patch, 352-64, which now goes to the president for his signature.

### **H&R BLOCK COMMENT:**

"The good news is Congress' action today keeps 21 million additional taxpayers from having to pay the Alternative Minimum Tax this year," said Chrys Sullivan, H&R Block's assistant vice president for client services. "The bad news is millions of refunds are likely to be delayed while the IRS reprograms its computers to account for the AMT patch."

### **INTERVIEW OPPORTUNITY:**

Chrys Sullivan is available to discuss the delay and what it could mean for taxpayers. Please contact H&R Block at 816-854-4287 or [mediadesk@hrblock.com](mailto:mediadesk@hrblock.com).
