Three Strategic Imperatives

**Small Business**
Expand our base of 2.4 million small business customers by building more direct, valuable relationships via the tailored experiences and services of Block Advisors and Wave

**Financial Products**
Evolve the Emerald Card into a consumer-centric, mobile-first solution for the underbanked, leveraging our technology platform and favorable banking relationship

**Block Experience**
Converge our platform by blending human expertise and care with digital capabilities to make tax prep easier, faster, and more personalized, with our MyBlock app as the centerpiece

- Driven by growth in Small Business, Financial Products and Block Experience
- FY21 outlook
  - Revenue: $3.5-$3.6 billion
  - EBITDA: $950 million to $1 billion
- Tremendous operating leverage in the business given flexible cost structure
- At an illustrative 4% revenue growth rate, EBITDA would grow 1.5x faster than revenue and EPS 2.5x faster
- $150 million in cost savings by 2025 to fuel investment for growth:
  - Footprint optimization
  - Labor model efficiencies
  - Technology roadmap
  - Disciplined expense management
- Maintain investment-grade metrics
- Adequate access to capital through line of credit and recent debt issuance
- Trending below target adjusted debt ratio of 2.5x-3x
- Dividend +30% since FY16
- ~6% current dividend yield*
- Q2 FY21: $150 million in share repurchases
- 19% of shares outstanding repurchased between FY17 and Q2 FY21

*As of Dec. 2, 2020
