Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) At the 2017 annual meeting of shareholders (the “Annual Meeting”) of H&R Block, Inc. (the “Company”) on September 14, 2017 (the “Annual Meeting”), the shareholders of the Company approved the H&R Block, Inc. 2018 Long Term Incentive Plan (the “2018 Plan”), which will replace the Company’s 2013 Long Term Incentive Plan (the “2013 Plan”) for future equity awards to eligible participants under the 2018 Plan. The Company’s board of directors (the “Board”) approved the 2018 Plan, based on the recommendation of the Compensation Committee (the “Committee”), on July 19, 2017, subject to shareholder approval.

The 2018 Plan, which becomes effective on September 15, 2017, one business day following shareholder approval at the Annual Meeting (the “Effective Date”), provides for the grant of stock options, stock appreciation rights, restricted share awards, restricted share units (“RSUs”) awards, performance awards, and other awards to eligible participants. Subject to adjustment, the aggregate number of shares of Company common stock that are available for issuance pursuant to awards granted under the 2018 Plan is 15,000,000, less one share for every one share subject to an award granted under the 2013 Plan after June 30, 2017.

No additional awards will be granted under the 2013 Plan after the Effective Date. Outstanding awards under the 2013 Plan will continue to be governed by the 2013 Plan and the agreements under which they were granted.

A more complete description of the 2018 Plan is contained in the Company’s most recent proxy statement, dated August 2, 2017, as filed with the Securities and Exchange Commission (the “SEC”), under the heading “Proposal 5 - Approval of the 2018 Long Term Incentive Plan,” which is incorporated herein by reference. The descriptions of the 2018 Plan set forth herein and in the proxy statement are qualified in their entirety by reference to the full text of the 2018 Plan, a copy of which is filed as Exhibit 10.1 hereto, and incorporated herein by reference.

In addition, the Committee approved forms of equity award agreements for grants of RSUs and non-qualified stock options under the 2018 Plan. The forms of award agreement are identical to the forms of equity award agreement for RSUs and non-qualified stock options, respectively, approved by the Committee in June 2017 for use under the 2013 Plan, as described in the Company’s Current Report on Form 8-K filed with the SEC on June 23, 2017, with updates to change references, where applicable, from the 2013 Plan to the 2018 Plan. The foregoing summary of the forms of equity award agreements is qualified in its entirety by reference to the full text of such forms, copies of which are filed as Exhibits 10.2 and 10.3 hereto, and incorporated herein by reference.

3. SHARES SUBJECT TO THE PLAN

3.1 *Number of Shares.* (a) Subject to adjustment as provided in Section 12.2, a total of 15,000,000 Shares shall be authorized for Awards granted under the Plan less one (1) Share for every one (1) Share subject to an award granted under any Prior Plan after June 30, 2017. After the effective date of the Plan (as provided in Section 13.13), no awards may be granted under any Prior Plan.

(b) If (i) any Shares subject to an Award are forfeited, an Award expires or otherwise terminates without issuance of Shares, or an Award is settled for cash (in whole or in part) or otherwise does not result in the issuance of all or a portion of the Shares subject to such Award, such Shares shall, to the extent of such forfeiture, expiration, termination, cash settlement or non-issuance, again be available for grant under the Plan, or (ii) after June 30, 2017, any Shares subject to an award under the Prior Plans are forfeited, an award under the Prior Plans expires or otherwise terminates without issuance of such Shares, or an award under the Prior Plans is settled for cash (in whole or in part), or otherwise does not result in the issuance of all or a portion of the Shares subject to such award, then in each such case the Shares subject to the Award or award under the Prior Plans shall, to the extent of such forfeiture, expiration, termination, cash settlement or non-issuance, again be available for grant under the Plan on a one-for-one basis.

(c) In the event that any withholding tax liabilities arising from the issuance or vesting of Shares in connection with a “full-value” Award (i.e., an Award other than an Option or Stock Appreciation Right or similar appreciation award) are satisfied by the tendering or withholding of Shares by the Company, then in each such case the Shares so tendered or withheld shall again be available for grant under the Plan and be added back to the number of Shares available for issuance on a one-for-one basis. In the event that after June 30, 2017 any withholding tax liabilities arising from the issuance or vesting of Shares in connection with a full-value award granted under the Prior Plans, are satisfied by the tendering or withholding of Shares by the Company, then in each such case the Shares so tendered or withheld shall again be available for grant under the Plan and be added back to the number of Shares available for issuance on a one-for-one basis.

(d) Notwithstanding anything to the contrary contained herein, the following Shares shall not be added to the Shares authorized for grant under paragraph (a) of this Section: (i) Shares tendered by the Participant or withheld by the Company in payment of the purchase price of an Option or, after June 30, 2017, an option under any Prior Plan, (ii) Shares tendered by the

Participant or withheld by the Company to satisfy any tax withholding obligation with respect to Options or Stock Appreciation Rights or, after June 30, 2017, options or stock appreciation rights under any Prior Plan, (iii) Shares subject to a Stock Appreciation Right or, after June 30, 2017, a stock appreciation right under any Prior Plan that are not issued in connection with its stock settlement on exercise thereof, and (iv) Shares reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of Options or, after June 30, 2017, options under any Prior Plan.

(e) Substitute Awards shall not reduce the Shares authorized for grant under the Plan or the applicable limitations for grant to a Participant under Section 10.5, nor shall Shares subject to a Substitute Award again be available for Awards under the Plan as provided in Sections 3.1(b) and (d) above. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities that are parties to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

3.2. Character of Shares. Any Shares issued hereunder may consist, in whole or in part, of authorized and unissued shares, treasury shares or shares purchased in the open market or otherwise.

4. ELIGIBILITY AND ADMINISTRATION

4.1. Eligibility. Any Employee, Director or Consultant shall be eligible to be selected as a Participant.

4.2. Administration. (a) Except with respect to any authority, duties or responsibilities that the Committee is permitted and elects to delegate hereunder, the Plan shall be administered by the Committee. The Committee shall have full power and authority, subject to the provisions of the Plan and subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board, to: (i) select the Employees, Directors and Consultants to whom Awards may from time to time be granted hereunder; (ii) determine the type or types of Awards to be granted to each Participant hereunder; (iii) determine the number of Shares (or dollar value) to be covered by each Award granted hereunder; (iv) determine the terms and conditions, not inconsistent with the provisions of the Plan, of any Award granted hereunder (including, without limitation, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions and any restriction or limitation regarding any Awards or the Shares relating thereto) based in each case on such factors as the Administrator, in its sole discretion, shall determine; (v) determine whether, to what extent and under what circumstances Awards may be settled in cash,

Shares or other property; (vi) determine whether, to what extent, and under what circumstances cash, Shares, other property and other amounts payable with respect to an Award made under the Plan shall be deferred either automatically or at the election of the Participant; (vii) determine whether, to what extent and under what circumstances any Award shall be canceled or suspended; (viii) interpret and administer the Plan and any instrument or agreement entered into under or in connection with the Plan, including any Award Agreement; (ix) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent that the Committee shall deem desirable to carry it into effect; (x) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; (xi) determine whether any Award, other than an Option or Stock Appreciation Right, will include Dividend Equivalents subject to Section 12.5; and (xii) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(b) Decisions of the Committee shall be final, conclusive and binding on all persons or entities, including the Company, any Participant, and any Subsidiary. A majority of the members of the Committee may determine its actions, including fixing the time and place of its meetings.

(c) To the extent not inconsistent with applicable law (including without limitation applicable state laws), Section 162(m) of the Code with respect to Awards intended to comply with the performance-based compensation exception under Section 162(m), and the rules and regulations of the principal U.S. national securities exchange on which the Shares are traded, the Committee may (i) delegate to a committee of one or more Directors of the Company, or such higher number as may be required under applicable law, any of the authority of the Committee under the Plan, including the right to grant, cancel or suspend Awards, (ii) delegate to one or more executive officers the Committee's authority, duties and responsibilities relating to the Company's right to prevent, enforce or remedy affirmative or restrictive covenants contained in any Award, as set forth in Section 13.5(b), including the authority for such executive officer(s) to further delegate such authority, duties and responsibilities to any other individual or entity, whether or not such person or entity is employed by, an officer of, or affiliated with the Company and (iii) authorize one or more executive officers to do one or more of the following with respect to Employees who are not directors or executive officers of the Company to the extent permissible under applicable law: (A) designate Employees to be recipients of Awards, (B) determine the number of Shares subject to such Awards to be received by such Employees and (C) cancel or suspend Awards to such Employees; provided that (x) any resolution of the Committee authorizing such officer(s) must specify the total number of Shares subject to Awards that such officer(s) may so award and (y) the Committee may not authorize any officer to designate himself or herself as the recipient of an Award.

4.3. Director Compensation Limit. The maximum number of Shares subject to Awards granted under the Plan or otherwise during any one fiscal year to any Director, taken together with any cash fees paid by the Company to such Director during such fiscal year for service as Director, will not exceed \$750,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes), excluding, for this purpose, the value of any Dividend Equivalents paid during such fiscal year. For purposes of the foregoing limitation, any deferred stock units or other deferred shares granted under the Plan shall count against the limit only during the fiscal year in which the Awards are initially granted and not in the fiscal year in which any deferred stock units or deferred Shares are ultimately settled and issued.

The limitation set forth in this Section 4.3 will not apply to Awards granted to a Director solely in his or her capacity as non-executive chairman of the Board, provided that the non-executive chairman receiving such additional compensation may not participate in the decision to award such compensation.

5. OPTIONS

5.1. Grant. Options may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Any Option shall be subject to the terms and conditions of this Section 5 and to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall deem desirable.

5.2. Award Agreements. All Options shall be evidenced by an Award Agreement in such form and containing such terms and conditions as the Committee or Board shall determine which are not inconsistent with the provisions of the Plan. The terms and conditions of Options need not be the same with respect to each Participant. Granting an Option pursuant to the Plan shall impose no obligation on the recipient to exercise such Option. Any individual who is granted an Option pursuant to this Section 5 may hold more than one Option granted pursuant to the Plan at the same time.

5.3. Option Price. Other than in connection with Substitute Awards, the option price per each Share purchasable under any Option granted pursuant to this Section 5 shall not be less than 100% of the Fair Market Value of one Share on the date of grant of such Option; provided, however, that in the case of an Incentive Stock Option granted to a Participant who, at the time of the grant, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Subsidiary, the option price per share shall be no less than 110% of the Fair Market Value of one Share on the date of grant. Other than pursuant to Section 12.2, the Committee shall not without the approval of the Company's shareholders (a) lower the option price per Share of an Option after it is granted, (b) cancel an Option when the option price per Share exceeds the Fair Market Value of one Share in exchange for cash, another Award or other consideration (other than in connection with a Change in Control as defined in Section 11.3), or (c) take any other action with respect to an Option that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which the Shares are listed.

5.4. Option Term. The term of each Option shall be fixed by the Committee in its sole discretion; provided that no Option shall be exercisable after the expiration of ten (10) years from the date the Option is granted, except in the event of death or disability; provided, however, that the term of the Option shall not exceed five (5) years from the date the Option is granted in the case of an Incentive Stock Option granted to a Participant who, at the time of the grant, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Subsidiary. Notwithstanding the foregoing, in the event that on the last business day of the term of an Option (a) the exercise of the Option, other than an Incentive Stock Option, is prohibited by applicable law or (b) Shares may not be purchased or sold by certain Employees or Directors due to the "black-out period" of a Company policy or a "lock-up" agreement undertaken in connection

with an issuance of securities by the Company, the term shall be extended for a period of thirty (30) days following the end of the legal prohibition, black-out period or lock-up agreement.

5.5. Vesting of Options. The Award Agreement shall specify when Options vest and become exercisable. Except for Substitute Awards, the death, disability or retirement of the Participant, or special circumstances determined by the Committee, Options shall have a Vesting Period of not less than (a) twenty-four (24) months from date of grant (but permitting pro rata vesting over such time) if subject only to continued service with the Company or a Subsidiary and (b) one year from the date of grant if subject to the achievement of performance objectives, subject in either case to accelerated vesting in the Committee's discretion in the event of a Change in Control (as defined in Section 11.3) if the Options are not assumed, substituted for or continued as provided in Section 11.2. Notwithstanding the foregoing, the restrictions in the preceding sentence shall not be applicable to (x) grants to new hires to replace forfeited awards from a prior employer or (y) grants in payment of Performance Awards and other earned cash-based incentive compensation. The minimum Vesting Period requirements of this Section shall not apply to Options granted to Directors or Consultants.

5.6. Exercise of Options. (a) Vested Options granted under the Plan shall be exercised by the Participant or by a Permitted Assignee thereof (or the Participant's executors, administrators, guardian or legal representative, to the extent provided in an Award Agreement) as to all or part of the Shares covered thereby, by giving notice of exercise to the Company or its designated agent, specifying the number of Shares to be purchased. The notice of exercise shall be in such form, made in such manner, and shall comply with such other requirements consistent with the provisions of the Plan as the Committee, or any representative authorized by the Committee, may prescribe from time to time.

(b) Unless otherwise provided in an Award Agreement, full payment of such purchase price shall be made at the time of exercise and shall be made (i) in cash or cash equivalents (including certified check or bank check or wire transfer of immediately available funds), (ii) by tendering previously acquired Shares (either actually or by attestation) valued at their then Fair Market Value, (iii) with the consent of the Committee, by delivery of other consideration having a Fair Market Value on the exercise date equal to the total purchase price, (iv) with the consent of the Committee, by withholding Shares otherwise issuable in connection with the exercise of the Option, (v) through any other method specified in an Award Agreement (including same-day sales through a broker), or (vi) any combination of any of the foregoing. The notice of exercise, accompanied by such payment, shall be delivered to the Company or its designated agent at its principal business office or such other office as the Committee may from time to time direct, and shall be in such form, containing such further provisions consistent with the provisions of the Plan, as the Committee may from time to time prescribe. In no event may any Option granted hereunder be exercised for a fraction of a Share.

(c) Notwithstanding the foregoing, an Award Agreement may provide that if, on the last day of the term of an Option, the Fair Market Value of one Share exceeds the option price per Share, the Participant has not exercised the Option (or a tandem Stock Appreciation Right, if applicable) and the Option has not expired, the Option shall be deemed to have been exercised by the Participant on such day with payment made by withholding Shares otherwise issuable in connection with the exercise of the Option. In such event, the Company shall deliver to the

Participant the number of Shares for which the Option was deemed exercised, less the number of Shares required to be withheld for the payment of the total purchase price and required withholding taxes; provided, however, any fractional Share shall be settled in cash.

5.7. Form of Settlement. In its sole discretion, the Committee may provide that the Shares to be issued upon an Option's exercise shall be in the form of Restricted Shares or other similar securities.

5.8. Incentive Stock Options. The Committee may grant Incentive Stock Options to any Employee, subject to the requirements of Section 422 of the Code. Solely for purposes of determining whether Shares are available for the grant of Incentive Stock Options under the Plan, the maximum aggregate number of Shares that may be issued pursuant to Incentive Stock Options granted under the Plan shall be 15,000,000 Shares, subject to adjustment as provided in Section 12.2.

6. STOCK APPRECIATION RIGHTS

6.1. Grant and Vesting.

(a) The Committee may grant Stock Appreciation Rights (i) in tandem with all or part of any Option granted under the Plan or at any subsequent time during the term of such Option, (ii) in tandem with all or part of any Award (other than an Option) granted under the Plan or at any subsequent time during the term of such Award, or (iii) without regard to any Option or other Award in each case upon such terms and conditions as the Committee may establish in its sole discretion.

(b) The Award Agreement shall specify when Stock Appreciation Rights vest and become exercisable. Except for Substitute Awards, the death, disability or retirement of the Participant, or special circumstances determined by the Committee, Stock Appreciation Rights shall have a Vesting Period of not less than (i) twenty-four (24) months from date of grant (but permitting pro rata vesting over such time) if subject only to continued service with the Company or a Subsidiary and (ii) one year from the date of grant if subject to the achievement of performance objectives, subject in either case to accelerated vesting in the Committee's discretion in the event of a Change in Control (as defined in Section 11.3) if the Stock Appreciation Rights are not assumed, substituted for or continued as provided in Section 11.2. Notwithstanding the foregoing, the restrictions in the preceding sentence shall not be applicable to (x) grants to new hires to replace forfeited awards from a prior employer or (y) grants in payment of Performance Awards and other earned cash-based incentive compensation. The minimum Vesting Period requirements of this Section shall not apply to Stock Appreciation Rights granted to Directors or Consultants.

6.2. Terms and Conditions. Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

(a) Upon the exercise of a Stock Appreciation Right, the holder shall have the right to receive the excess of (i) the Fair Market Value of one Share on the date of exercise (or such

amount less than such Fair Market Value as the Committee shall so determine at any time during a specified period before the date of exercise) over (ii) the grant price of the Stock Appreciation Right.

(b) The Committee shall determine in its sole discretion whether payment on exercise of a Stock Appreciation Right shall be made in cash, in whole Shares or other property, or any combination thereof.

=

(c) The terms and conditions of Stock Appreciation Rights need not be the same with respect to each recipient.

(d) The Committee may impose such other terms and conditions on the exercise of any Stock Appreciation Right, as it shall deem appropriate. A Stock Appreciation Right shall (i) have a grant price per Share of not less than the Fair Market Value of one Share on the date of grant or, if applicable, on the date of grant of an Option with respect to a Stock Appreciation Right granted in exchange for or in tandem with, but subsequent to, the Option (subject to the requirements of Section 409A of the Code) except in the case of Substitute Awards or in connection with an adjustment provided in Section 12.2, and (ii) have a term not greater than ten (10) years, except in the event of death or disability. Notwithstanding clause (ii) of the preceding sentence, in the event that on the last business day of the term of a Stock Appreciation Right (x) the exercise of the Stock Appreciation Right is prohibited by applicable law or (y) Shares may not be purchased or sold by certain Employees or Directors due to the "black-out period" of a Company policy or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the term shall be extended for a period of thirty (30) days following the end of the legal prohibition, black-out period or lock-up agreement.

(e) An Award Agreement may provide that if, on the last day of the term of a Stock Appreciation Right, the Fair Market Value of one Share exceeds the grant price per Share of the Stock Appreciation Right, the Participant has not exercised the Stock Appreciation Right or the tandem Option (if applicable), and the Stock Appreciation Right has not otherwise expired, the Stock Appreciation Right shall be deemed to have been exercised by the Participant on such day. In such event, the Company shall make payment to the Participant in accordance with this Section, reduced by the number of Shares (or cash) required for withholding taxes; any fractional Share shall be settled in cash.

(f) Without the approval of the Company's shareholders, other than pursuant to Section 12.2, the Committee shall not (i) reduce the grant price of any Stock Appreciation Right after the date of grant, (ii) cancel any Stock Appreciation Right when the grant price per Share exceeds the Fair Market Value of one Share in exchange for cash, another Award or other consideration (other than in connection with a Change in Control as defined in Section 11.3), or (iii) take any other action with respect to a Stock Appreciation Right that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which the Shares are listed.

7. RESTRICTED SHARES AND RESTRICTED SHARE UNITS

7.1. Grants. Awards of Restricted Shares and of Restricted Share Units may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan (a “Restricted Share Award” or “Restricted Share Unit Award” respectively), and such Restricted Share Awards and Restricted Share Unit Awards shall also be available as a form of payment of Performance Awards and other earned cash-based incentive compensation. The Committee has absolute discretion to determine whether any consideration (other than services) is to be received by the Company or any Subsidiary as a condition precedent to the grant of Restricted Shares or Restricted Share Units, subject to such minimum consideration as may be required by applicable law.

7.2. Award Agreements. The terms of any Restricted Share Award or Restricted Share Unit Award granted under the Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee or Board and not inconsistent with the Plan. The terms of Restricted Share Awards and Restricted Share Unit Awards need not be the same with respect to each Participant.

7.3. Rights of Holders of Restricted Shares and Restricted Share Units.

(a) Unless otherwise provided in the Award Agreement, beginning on the date of grant of the Restricted Share Award and subject to execution of the Award Agreement, the Participant shall become a shareholder of the Company with respect to all Shares subject to the Award Agreement and shall have all of the rights of a shareholder, including the right to vote such Shares and the right to receive distributions made with respect to such Shares, except as otherwise provided in this Section.

(b) A Participant who holds a Restricted Share Unit Award shall only have those rights specifically provided for in the Award Agreement; provided, however, in no event shall the Participant have voting rights with respect to such Award.

(c) A Participant shall have those rights to dividends, distributions or Dividend Equivalents as set forth in Section 12.5.

7.4. Vesting Period. The Award Agreement shall specify the Vesting Period for Restricted Share Awards or Restricted Share Unit Awards. Except for Substitute Awards, the death, disability or retirement of the Participant, or special circumstances determined by the Committee, Restricted Share Awards and Restricted Share Unit Awards shall have a Vesting Period of not less than (a) twenty-four (24) months from date of grant (but permitting pro rata vesting over such time) if subject only to continued service with the Company or a Subsidiary and (b) one year from the date of grant if subject to the achievement of performance objectives, subject in either case to accelerated vesting in the Committee’s discretion in the event of a Change in Control (as defined in Section 11.3) if the Restricted Share Awards or Restricted Share Unit Awards are not assumed, substituted for or continued as provided in Section 11.2. Notwithstanding the foregoing, the restrictions in the preceding sentence shall not be applicable to (x) grants to new hires to replace forfeited awards from a prior employer or (y) grants in payment of Performance Awards and other earned cash-based

incentive compensation. The minimum Vesting Period requirements of this Section shall not apply to Restricted Share Awards or Restricted Share Unit Awards granted to Directors or Consultants.

7.5 Issuance of Shares. Any Restricted Shares granted under the Plan may be evidenced in such manner as the Board may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such book entry registration, certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Shares.

8. OTHER SHARE-BASED AWARDS

8.1. Grants. Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based on, Shares or other property (“Other Share-Based Awards”), including deferred stock units, may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Other Share-Based Awards shall also be available as a form of payment of other Awards granted under the Plan and other earned cash-based compensation.

8.2. Award Agreements . The terms of Other Share-Based Awards granted under the Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee and that are not inconsistent with the Plan. The terms of such Awards need not be the same with respect to each Participant. An Other Share-Based Award may entitle a Participant to dividends, distributions or Dividend Equivalents as set forth in Section 12.5.

8.3. Vesting Period. The Award Agreement shall specify the Vesting Period for Other Share-Based Awards. Except for Substitute Awards, the death, disability or retirement of the Participant, or special circumstances determined by the Committee, Other Share-Based Awards shall have a Vesting Period of not less than (a) twenty-four (24) months from date of grant (but permitting pro rata vesting over such time) if subject only to continued service with the Company or a Subsidiary and (b) one year from the date of grant if subject to the achievement of performance objectives, subject in either case to accelerated vesting in the Committee’s discretion in the event of a Change in Control (as defined in Section 11.3) if the Other Share-Based Awards are not assumed, substituted for or continued as provided in Section 11.2. Notwithstanding the foregoing, the restrictions in the preceding sentence shall not be applicable to (x) grants to new hires to replace forfeited awards from a prior employer or (y) grants of Other Share-Based Awards in payment of Performance Awards and other earned cash-based incentive compensation. The minimum Vesting Period requirements of this Section shall not apply to Other Share-Based Awards granted to Directors or Consultants.

8.4. Payment. Except as may be provided in an Award Agreement, Other Share-Based Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Other Share-Based Awards may be paid in a lump sum or in installments or, in accordance with procedures established by the Committee, on a deferred basis subject to the requirements of Section 409A of the Code.

9. PERFORMANCE AWARDS

9.1. Grants. Performance Awards in the form of Performance Cash, Performance Share Units or Performance Units, as determined by the Committee in its sole discretion, may be granted hereunder to Participants, for no consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Plan. The performance goals to be achieved for each Performance Period shall be conclusively determined by the Committee or Board and may be based upon the criteria set forth in Section 10.2 or such other criteria as determined by the Committee in its discretion.

9.2. Award Agreements. The terms of any Performance Award granted under the Plan shall be set forth in an Award Agreement (or, if applicable, in a resolution duly adopted by the Committee) which shall contain provisions determined by the Committee or Board and that are not inconsistent with the Plan, including whether such Awards shall have Dividend Equivalents in accordance with Section 12.5. The terms of Performance Awards need not be the same with respect to each Participant.

9.3. Terms and Conditions. The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee or Board upon the grant of each Performance Award; provided, however, that a Performance Period shall not be shorter than one year unless the Award is not payable in Shares. The amount of the Award to be distributed shall be conclusively determined by the Committee or Board.

9.4. Payment. Except as provided in Section 11, as provided by the Committee or Board or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee or Board. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee or Board, on a deferred basis subject to the requirements of Section 409A of the Code.

10. CODE SECTION 162(m) PROVISIONS

10.1. Covered Employees. Notwithstanding any other provision of the Plan, if the Committee determines at the time a Restricted Share Award, a Restricted Share Unit Award, a Performance Award or an Other Share-Based Award is granted to a Participant who is, or may be, as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee, then the Committee may provide that this Section 10 is applicable to such Award.

10.2. Performance Criteria.

(a) If the Committee determines that a Restricted Share Award, a Restricted Share Unit, a Performance Award, an Other Share-Based Award or any other Award is intended to be subject to this Section 10, the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment

of specified levels of one or any combination of the following: sales (including comparable sales); net sales; return on sales; revenue, net revenue, product revenue or system-wide revenue (including growth of such revenue measures); operating income (before or after taxes); pre- or after-tax income or loss (before or after allocation of corporate overhead and bonus); earnings or loss per share; net income or loss (before or after taxes); return on equity (including average return on equity); total shareholder return (or any element of shareholder return); return on assets or net assets; the price of the Shares or any other publicly-traded securities of the Company; total number of clients; number of new clients; client retention; total tax returns prepared; market share; gross profits; gross or net profit margin; gross profit growth; net operating profit (before or after taxes); operating earnings; earnings or losses or net earnings or losses (including earnings or losses before taxes, before interest and taxes, or before interest, taxes, depreciation and amortization); earnings or losses margin percentage or net earnings or losses margin percentage; economic value-added models or equivalent metrics; comparisons with various stock market indices; reductions in costs; cash flow (including operating cash flow and free cash flow) or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; cash flow return on capital; improvement in or attainment of expense levels or working capital levels, including cash, inventory and accounts receivable; general and administrative expense savings; inventory control; operating margin; gross margin; year-end cash; cash margin; debt reduction; shareholders equity; operating efficiencies; cost reductions or savings; market share; customer satisfaction; customer growth; customer retention; employee satisfaction; productivity or productivity ratios; regulatory achievements (including submitting or filing applications or other documents with regulatory authorities or receiving approval of any such applications or other documents); strategic partnerships or transactions (including in-licensing and out-licensing of intellectual property; establishing relationships with commercial entities with respect to the marketing, distribution and sale of the Company's products (including with group purchasing organizations, distributors and other vendors); co-development, co-marketing, profit sharing, joint venture or other similar arrangements); financial ratios, including those measuring liquidity, activity, profitability or leverage; cost of capital or assets under management; financing and other capital raising transactions (including sales of the Company's equity or debt securities; debt level; year-end cash position; book value; factoring transactions; competitive market metrics; timely completion of new product roll-outs; timely launch of new facilities (such as new store openings, gross or net); sales or licenses of the Company's assets, including its intellectual property, whether in a particular jurisdiction or territory or globally; or through partnering transactions); royalty income; implementation, completion or attainment of measurable objectives with respect to research, development, manufacturing, commercialization, products or projects, production volume levels, acquisitions and divestitures, succession and hiring projects, reorganization and other corporate transactions, expansions of specific business operations and meeting divisional or project budgets; factoring transactions; and recruiting and maintaining personnel. Any performance goals that are financial metrics may be determined in accordance with United States Generally Accepted Accounting Principles ("GAAP") or may be adjusted when established (or to the extent permitted under Section 162(m) of the Code, at any time thereafter) to include or exclude any items otherwise includable or excludable under GAAP.

(b) The performance goals specified in Section 10.2(a) also may be based solely by reference to the Company's consolidated performance, performance of the Company's continuing operations, or the performance of a Subsidiary, division, business segment or business unit of the

Company, or based upon the performance of the Company relative to performance of other companies or upon comparisons of any of the indicators of Company performance relative to performance of other companies.

(c) When determining the specific metrics applicable to the performance goals specified in Section 10.2(a), and calculating the actual results related thereto, the Committee may include or exclude the impact of an event or occurrence which the Committee determines should appropriately be included or excluded, including without limitation (i) restructurings, performance attributable to discontinued operations, extraordinary items, and other unusual, infrequently occurring, or non-recurring charges, (ii) any event either not directly related to the operations of the Company, Subsidiary, division, business segment or business unit or not within the reasonable control of management, (iii) acquisitions and divestitures, (iv) any reorganization or change in the corporate structure or capital structure of the Company, (v) foreign exchange gains or losses or (vi) the cumulative effects of tax or accounting changes in accordance with U.S. generally accepted accounting principles.

(d) Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, and the regulations thereunder.

10.3. Adjustments. Notwithstanding any provision of the Plan (other than Section 11), with respect to any Restricted Share Award, Restricted Share Unit Award, Performance Award or Other Share-Based Award that is subject to this Section 10, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance goals except to the extent permitted by Section 162(m) of the Code and the regulations thereunder without causing the Award to cease to be performance-based.

10.4. Restrictions. The Committee shall have the power to impose such other restrictions on Awards subject to this Section 10 as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for “performance-based compensation” within the meaning of Section 162(m) of the Code.

10.5. Limitations on Grants to Individual Participants. Subject to adjustment as provided in Section 12.2, no Participant may be granted during any calendar year (a) Options or Stock Appreciation Rights with respect to more than 5,000,000 Shares, or (b) Restricted Share Awards, Restricted Share Unit Awards, Performance Awards and/or Other Share-Based Awards with respect to more than 1,000,000 shares, ignoring for purposes of the limitation in this clause (b), any Restricted Share Awards, Restricted Share Unit Awards, Performance Awards and/or Other Share-Based Awards that are (i) not intended to comply with the performance-based exception under Code Section 162(m), or (ii) denominated in cash. During any calendar year, no Participant may be granted Performance Awards that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in cash under which more than \$3,000,000 may be earned for each twelve (12) months in the Performance Period. Each of the limitations in this section shall be multiplied by two (2) with respect to Awards granted to a Participant during the first calendar year in which the Participant commences employment with the Company and its Subsidiaries. If an

Award is cancelled, the cancelled Award shall continue to be counted toward the applicable limitation in this section.

11. CHANGE IN CONTROL PROVISIONS

11.1. *Impact on Certain Awards.* The Committee may, in Award Agreements or otherwise, provide that in the event of a Change in Control of the Company (as defined in Section 11.3) (a) Options and Stock Appreciation Rights outstanding as of the date of the Change in Control shall be cancelled and terminated without payment if the Fair Market Value of one Share as of the date of the Change in Control is less than the per Share Option exercise price or Stock Appreciation Right grant price, and (b) all Performance Awards shall be (i) considered to be earned and payable based on achievement of performance goals or based on target performance (either in full or pro rata based on the portion of Performance Period completed as of the date of the Change in Control), and any limitations or other restrictions shall lapse and such Performance Awards shall be immediately settled or distributed or (ii) converted into Restricted Share or Restricted Share Unit Awards based on achievement of performance goals or based on target performance (either in full or pro rata based on the portion of Performance Period completed as of the date of the Change in Control) that are subject to Section 11.2.

11.2. *Assumption or Substitution of Certain Awards.* (a) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company in which the successor company assumes or substitutes for an Option, Stock Appreciation Right, Restricted Share Award, Restricted Share Unit Award or Other Share-Based Award (or in which the Company is the ultimate parent corporation and continues the Award), if a Participant's employment with such successor company (or the Company) or a subsidiary thereof terminates within 24 months following such Change in Control (or such other period set forth in the Award Agreement, including prior to the Change in Control if applicable) and under the circumstances specified in the Award Agreement (i) Options and Stock Appreciation Rights outstanding as of the date of such termination of employment will immediately vest, become fully exercisable, and may thereafter be exercised for 24 months (or the period of time set forth in the Award Agreement), (ii) the restrictions, limitations and other conditions applicable to Restricted Shares and Restricted Share Units outstanding as of the date of such termination of employment shall lapse and the Restricted Shares and Restricted Share Units shall become free of all restrictions, limitations and conditions and become fully vested, and (iii) the restrictions, limitations and other conditions applicable to any Other Share-Based Awards or any other Awards shall lapse, and such Other Share-Based Awards or such other Awards shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant. For the purposes of this Section 11.2, an Option, Stock Appreciation Right, Restricted Share Award, Restricted Share Unit Award or Other Share-Based Award shall be considered assumed or substituted for if following the Change in Control the Award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Share Award, Restricted Share Unit Award or Other Share-Based Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company, the

Committee may, with the consent of the successor company, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Share Award, Restricted Share Unit Award or Other Share-Based Award, for each Share subject thereto, will be solely common stock of the successor company with a fair market value substantially equal to the per Share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of whether fair market value is substantially equal shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(b) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company to the extent the successor company does not assume or substitute for an Option, Stock Appreciation Right, Restricted Share Award, Restricted Share Unit Award or Other Share-Based Award (or in which the Company is the ultimate parent corporation and does not continue the Award), then immediately prior to the Change in Control: (i) those Options and Stock Appreciation Rights outstanding as of the date of the Change in Control that are not assumed or substituted for (or continued) shall immediately vest and become fully exercisable, (ii) restrictions, limitations and other conditions applicable to Restricted Share and Restricted Share Units that are not assumed or substituted for (or continued) shall lapse and the Restricted Share and Restricted Share Units shall become free of all restrictions, limitations and conditions and become fully vested, and (iii) the restrictions, other limitations and other conditions applicable to any Other Share-Based Awards or any other Awards that are not assumed or substituted for (or continued) shall lapse, and such Other Share-Based Awards or such other Awards shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant.

(c) The Committee, in its discretion, may determine that, upon the occurrence of a Change in Control of the Company, each Option and Stock Appreciation Right outstanding shall terminate within a specified number of days after notice to the Participant, and/or that each Participant shall receive, with respect to each Share subject to such Option or Stock Appreciation Right, an amount equal to the excess of the Fair Market Value of such Share immediately prior to the occurrence of such Change in Control over the exercise price per Share of such Option and/or Stock Appreciation Right; such amount to be payable in cash, in one or more kinds of stock or property (including the stock or property, if any, payable in the transaction) or in a combination thereof, as the Committee, in its discretion, shall determine.

11.3. *Change in Control.* For purposes of the Plan, unless otherwise provided in an Award Agreement, Change in Control means the occurrence of any one of the following events:

(a) During any twenty-four (24) month period, individuals who, as of the beginning of such period, constitute the Board (the "Incumbent Directors") cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the beginning of such period whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director; provided, however, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director;

(b) Any “person” (as such term is defined in the Exchange Act and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes a “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 35% or more of the combined voting power of the Company’s then outstanding securities eligible to vote for the election of the Board (the “Company Voting Securities”); provided, however, that the event described in this Section 11.3(b) shall not be deemed to be a Change in Control by virtue of any of the following acquisitions: (i) by the Company or any Subsidiary; (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Subsidiary; (iii) by any underwriter temporarily holding securities pursuant to an offering of such securities; or (iv) pursuant to a Non-Qualifying Transaction, as defined in Section 11.3(c);

(c) The consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company or any of its Subsidiaries that requires the approval of the Company’s shareholders, whether for such transaction or the issuance of securities in the transaction (a “Business Combination”), unless immediately following such Business Combination: (i) more than 50% of the total voting power of (A) the corporation resulting from such Business Combination (the “Surviving Corporation”), or (B) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of 100% of the voting securities eligible to elect directors of the Surviving Corporation (the “Parent Corporation”), is represented by Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Company Voting Securities among the holders thereof immediately prior to the Business Combination; (ii) no person (other than any employee benefit plan (or related trust) sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of 35% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation); and (iii) at least a majority of the members of the board of directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Incumbent Directors at the time of the Board’s approval of the execution of the initial agreement providing for such Business Combination (any Business Combination which satisfies all of the criteria specified in (i), (ii) and (iii) above shall be deemed to be a “Non-Qualifying Transaction”); or

(d) The consummation of a sale of 50% or more of the total gross fair market value of the Company’s assets, other than to an entity (or, if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of 100% of the voting securities eligible to elect directors of such entity) (i) in which 50% or more of the Voting Securities is represented by Company Voting Securities that were outstanding immediately prior to such sale or (ii) of which the Company directly or indirectly owns 50% or more of the Voting Securities.

Notwithstanding anything contained in this Section 11.3, a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of more than 35% of the Company Voting Securities as a result of the acquisition of Company Voting Securities by the Company which reduces the number of Company Voting Securities outstanding; provided, that if after such acquisition by the Company such person becomes the beneficial owner of additional Company

Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control of the Company shall be deemed to have occurred.

12. GENERALLY APPLICABLE PROVISIONS

12.1. *Amendment and Termination of the Plan.* The Board may, from time to time, alter, amend, suspend or terminate the Plan as it shall deem advisable, subject to any requirement for shareholder approval imposed by applicable law, including the rules and regulations of the principal U.S. national securities exchange on which the Shares are traded; provided that the Board may not amend the Plan in any manner that would result in noncompliance with Rule 16b-3 under the Exchange Act; and further provided that the Board may not, without the approval of the Company's shareholders, amend the Plan to (a) increase the number of Shares that may be the subject of Awards under the Plan (except for adjustments pursuant to Section 12.2), (b) expand the types of awards available under the Plan, (c) materially expand the class of persons eligible to participate in the Plan, (d) amend Section 5.3 or Section 6.2(f) to eliminate the requirements relating to minimum exercise price, minimum grant price and shareholder approval, (e) increase the maximum permissible term of any Option specified by Section 5.4 or the maximum permissible term of a Stock Appreciation Right specified by Section 6.2(d), or (f) increase any of the limitations in Section 10.5. The Board may not (except pursuant to Section 12.2 or in connection with a Change in Control), without the approval of the Company's shareholders, take any action with respect to an Option or Stock Appreciation Right that would, if such action were taken by the Committee, violate section 5.3 or 6.2(f). In addition, no amendments to, or termination of, the Plan shall impair the rights of a Participant in any material respect under any Award previously granted without such Participant's consent.

12.2. *Adjustments.* In the event of any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Shares or the value thereof, such adjustments and other substitutions shall be made to the Plan and to Awards in a manner the Committee deems equitable or appropriate taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan, the limitations in Section 10.5 (other than to Awards denominated in cash), the maximum number of Shares that may be issued pursuant to Incentive Stock Options, in the aggregate or to any Participant, in the number, class, kind and option or exercise price of securities subject to outstanding Awards granted under the Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company) as the Committee may determine to be appropriate, and the performance goals applicable to outstanding Awards; provided, however, that the number of Shares subject to any Award shall always be a whole number, unless the Committee determines otherwise.

12.3. *Transferability of Awards.* Except as provided below, no Award and no Shares that have not been issued or as to which any applicable restriction, performance or deferral period has not lapsed, may be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution, and such Award may be exercised during the life of the

Participant only by the Participant or the Participant's guardian or legal representative. To the extent and under such terms and conditions as determined by the Committee, a Participant may assign or transfer an Award without consideration (each transferee thereof, a "Permitted Assignee") (a) to the Participant's spouse, children or grandchildren (including any adopted and step children or grandchildren), parents, grandparents or siblings, (b) to a trust for the benefit of one or more of the Participant or the persons referred to in clause (a), (c) to a partnership, limited liability company or corporation in which the Participant or the persons referred to in clause (a) are the only partners, members or shareholders, or (d) for charitable donations; provided however, that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Plan. The Company shall cooperate with any Permitted Assignee and the Company's transfer agent in effectuating any transfer permitted under this Section.

12.4. Termination of Employment or Services. The Committee shall determine and set forth in each Award Agreement whether any Awards granted in such Award Agreement will continue to be exercisable, continue to vest or be earned and the terms of such exercise, vesting or earning, on and after the date that a Participant ceases to be employed by or to provide services to the Company or any Subsidiary (including as a Director), whether by reason of death, disability, voluntary or involuntary termination of employment or services, or otherwise. The date of termination of a Participant's employment or services will be determined by the Committee, which determination will be final.

12.5. Deferral; Dividends and Dividend Equivalents. (a) The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred in accordance with Section 13.15.

(b) Unless otherwise expressly provided in the applicable Restricted Share Award Agreement, Restricted Share Awards shall be entitled to receive Shares or any other property distributed as a dividends or otherwise relating to the underlying Shares; provided, however, in no event may any such distributed property or dividends be distributed or paid to the Participant and with respect to a Restricted Share before such Restricted Share has become vested and all such distributions and dividends shall be subject to the same restrictions and risk of forfeiture to the same extent as the Restricted Share and shall be paid, if at all, at the time(s) such restrictions and risk of forfeiture lapse. The Committee shall have the sole discretion to determine whether, if at all, any cash-denominated amount that is subject to such restrictions shall earn interest and at what rate.

(c) The recipient of an Award other than an Option, Stock Appreciation Right or Restricted Share Award may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, amounts equivalent to cash, stock or other property, paid as dividends on Shares ("Dividend Equivalents") with respect to the number of Shares covered by the Award; provided, however, (i) in no event will any such Dividend Equivalents be distributed to the Participant before the underlying Shares covered by the Award to which the Dividend Equivalents relate become vested or issued, (ii) any such Dividend Equivalents shall be subject to the same restrictions and risk of forfeiture as underlying Shares subject to the Award, and shall be paid, if at all, at the time such restrictions and risk of forfeiture lapse. Subject to the provisions of the Plan and to the extent expressly provided in the applicable Award Agreement, the Committee shall have

the sole discretion to determine whether, if at all, any cash-denominated amount that is subject to such restrictions shall earn interest and at what rate or whether Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested or deemed reinvested in additional Shares.

13. MISCELLANEOUS

13.1. Award Agreements. Each Award Agreement shall either be (a) in writing in a form approved by the Committee or Board and executed by the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee or Board and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking one or more types of Awards as the Committee may provide; in each case and if required by the Committee, the Award Agreement shall be executed or otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company. The Award Agreement shall set forth the material terms and conditions of the Award as established by the Committee or Board consistent with the provisions of the Plan. The Award Agreement may be amended by agreement of the Company and the recipient, to the extent approved by the Committee or Board.

13.2. Tax Withholding. The Company shall have the right to make all payments or distributions pursuant to the Plan to a Participant (or a Permitted Assignee thereof) net of any applicable federal, state and local taxes required to be paid or withheld as a result of (a) the grant of any Award, (b) the exercise of an Option or Stock Appreciation Right, (c) the delivery of Shares or cash, (d) the lapse of any restrictions in connection with any Award or (e) any other event occurring pursuant to the Plan. The Company or any Subsidiary shall have the right to withhold from wages or other amounts otherwise payable to a Participant (or Permitted Assignee) such withholding taxes as may be required by law, or to otherwise require the Participant (or Permitted Assignee) to pay such withholding taxes. If the Participant (or Permitted Assignee) shall fail to make such tax payments as are required, the Company or its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant (or Permitted Assignee) or to take such other action as may be necessary to satisfy such withholding obligations. The Committee shall be authorized to establish procedures for election by Participants (or Permitted Assignees) to satisfy such obligation for the payment of such taxes by tendering previously acquired Shares (either actually or by attestation, valued at their then Fair Market Value), or by directing the Company to retain Shares otherwise deliverable in connection with the Award at such rate as will not cause an adverse accounting consequence or cost and is permitted under applicable withholding rules.

13.3. Right of Discharge Reserved; Claims to Awards. Nothing in the Plan nor the grant of an Award hereunder shall confer upon any Employee, Director or Consultant the right to continue in the employment or service of the Company or any Subsidiary or affect any right that the Company or any Subsidiary may have to terminate the employment or service of (or to demote or to exclude from future Awards under the Plan) any such Employee, Director or Consultant at any time for any reason. The Company shall not be liable for the loss of existing or potential profit from an Award granted in the event of termination of an employment or other relationship. No Employee, Director

or Consultant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees, Directors or Consultants under the Plan.

13.4. *Substitute Awards.* Notwithstanding any other provision of the Plan, the terms of Substitute Awards may vary from the terms set forth in the Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

13.5. *Cancellation of Award; Forfeiture of Gain.* Notwithstanding anything to the contrary contained herein, an Award Agreement may provide that

(a) In the event of an accounting restatement due to material noncompliance by the Company with any financial reporting requirement under the securities laws, the Committee shall have the right to review any Award, the amount, payment or vesting of which was directly or indirectly based on an entry in the financial statements that are the subject of the restatement. If the Committee determines that (i) based on the results of the restatement or (ii) due to inaccurate financial data used to determine the payment or vesting of an Award, that a lesser amount or portion of an Award should have been paid, vested or realized (including as a result of the impact of the restatement or inaccurate data on the Fair Market Value of Shares as determined by the Committee in its discretion), it may (x) cancel all or any portion of any outstanding Awards and (y) require the Participant or other person to whom any payment has been made or shares or other property have been transferred in connection with the Award to forfeit and pay over to the Company, on demand, all or any portion of the gain (whether or not taxable) realized upon the exercise of any Option or Stock Appreciation Right and the value realized (whether or not taxable) on the vesting or payment of any other Award during the period beginning twelve months preceding the date of the restatement and ending with the date of Committee action pursuant to this section of the Plan. In applying this section, the Committee is not required to treat all Participants in the same manner.

(b) If the Participant, without the consent of the Company, while employed by or providing services to the Company or any Subsidiary or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement, as determined by the Committee in its sole discretion, then (i) any outstanding, vested or unvested, earned or unearned portion of the Award may, at the Committee's discretion, be canceled and (ii) the Committee, in its discretion, may require the Participant or other person to whom any payment has been made, or Shares or other property have been transferred in connection with the Award, to forfeit and pay over to the Company, on demand, all or any portion of the gain (whether or not taxable) realized upon the exercise of any Option or Stock Appreciation Right and the value realized (whether or not taxable) on the vesting or payment of any other Award during the time period specified in the Award Agreement. Except with respect to officers who are designated as executive officers by the Company's Board of Directors under Section 16 of the Securities Act of 1934, the Committee shall have the power to delegate all or a portion of the Committee's authority, duties and responsibilities under this Section 13.5(b) to one or more executive officers of the Company, including the authority for such executive officer(s) to further delegate such authority, duties and responsibilities to any other individual or entity, whether or not such person or entity is employed by, an officer of, or affiliated with the Company. Any delegation, including any delegation made by an executive officer, may be rescinded by the Committee at any time.

13.6. *Stop Transfer Orders.* All Shares delivered under the Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which the Shares are then listed, and any applicable federal or state securities law, and the Committee may cause a legend or notation to be put on any certificates or book entries to make appropriate reference to such restrictions.

13.7. *Nature of Payments.* All Awards made pursuant to the Plan are in consideration of services performed or to be performed for the Company or any Subsidiary, division or business unit of the Company or a Subsidiary. Any income or gain realized pursuant to Awards under the Plan constitutes a special incentive payment to the Participant and shall not be taken into account, to the extent permissible under applicable law, as compensation for purposes of any of the employee benefit plans of the Company or any Subsidiary except as may be required by the terms of such plan or determined by the Committee or by the Board or board of directors of the applicable Subsidiary.

13.8. *Other Plans.* Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

13.9. *Severability.* The provisions of the Plan shall be deemed severable. If any provision of the Plan shall be held unlawful or otherwise invalid or unenforceable in whole or in part by a court of competent jurisdiction or by reason of change in a law or regulation, such provision shall (a) be deemed limited to the extent that such court of competent jurisdiction deems it lawful, valid and/or enforceable and as so limited shall remain in full force and effect, and (b) not affect any other provision of the Plan or part thereof, each of which shall remain in full force and effect. If the making of any payment or the provision of any other benefit required under the Plan shall be held unlawful or otherwise invalid or unenforceable by a court of competent jurisdiction or any governmental regulatory agency, or impermissible under the rules of any securities exchange on which the Shares are listed, such unlawfulness, invalidity, unenforceability or impermissibility shall not prevent any other payment or benefit from being made or provided under the Plan, and if the making of any payment in full or the provision of any other benefit required under the Plan in full would be unlawful or otherwise invalid or impermissible, then such unlawfulness, invalidity, unenforceability or impermissibility shall not prevent such payment or benefit from being made or provided in part, to the extent that it would not be unlawful, invalid, unenforceable or impermissible, and the maximum payment or benefit that would not be unlawful, invalid, unenforceable or impermissible shall be made or provided under the Plan.

13.10. *Construction.* As used in the Plan, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

13.11. *Unfunded Status of the Plan.* The Plan is intended to constitute an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the

creation of trusts or other arrangements to meet the obligations created under the Plan to deliver the Shares or payments in lieu of or with respect to Awards hereunder; provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

13.12. *Governing Law.* The Plan and all determinations made and actions taken thereunder, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Missouri, without reference to principles of conflict of laws, and construed accordingly.

13.13. *Effective Date of Plan; Termination of Plan.* The Plan shall be effective one (1) business day following the date of the approval of the Plan by the holders of the shares entitled to vote at a duly constituted meeting of the shareholders of the Company. The Plan shall be null and void and of no effect if the foregoing condition is not fulfilled and in such event each Award shall, notwithstanding any of the preceding provisions of the Plan, be null and void and of no effect. Awards may be granted under the Plan at any time and from time to time on or prior to the tenth anniversary of the effective date of the Plan, on which date the Plan will expire except as to Awards then outstanding under the Plan; provided, however, in no event may an Incentive Stock Option be granted more than ten (10) years after the earlier of (a) the date of the adoption of the Plan by the Board or (b) the effective date of the Plan as provided in the first sentence of this Section. Such outstanding Awards shall remain in effect until they have been exercised or terminated, or have expired.

13.14. *Foreign Employees and Consultants.* Awards may be granted to Participants who are foreign nationals or employed or providing services outside the United States, or both, on such terms and conditions different from those applicable to Awards to Employees or Consultants providing services in the United States as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Employees or Consultants on assignments outside their home country.

13.15. *Compliance with Section 409A of the Code.* It is intended that Awards shall not result in, and that this Plan and Awards shall be administered in a manner that does not result in, the imposition of any taxes, interest or penalties as a result of Section 409A of the Code and regulations and other guidance issued with respect thereto (any such taxes, interest or penalties shall be a "409A Penalty") and this Plan and Awards shall be construed and interpreted in accordance with such intent. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the Award shall be granted, paid, settled or deferred in a manner that will not result in a 409A Penalty, except as otherwise determined by the Committee. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to result in a 409A Penalty shall be amended so as not to result in or to minimize a 409A Penalty on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A of the Code. Notwithstanding the requirements of this Section, in no event will the Company or any affiliate thereof (including the Committee) have any liability to any Participant with respect to any 409A Penalty even if there is a failure on the part of the Company or Committee to avoid or minimize a 409A Penalty.

13.16. *No Registration Rights; No Right to Settle in Cash.* The Company has no obligation to register with any governmental body or organization (including, without limitation, the SEC) any of (a) the offer or issuance of any Award, (b) any Shares issuable upon the exercise of any Award, or (c) the sale of any Shares issued upon exercise of any Award, regardless of whether the Company in fact undertakes to register any of the foregoing. In particular, in the event that any of (x) any offer or issuance of any Award, (y) any Shares issuable upon exercise of any Award, or (z) the sale of any Shares issued upon exercise of any Award are not registered with any governmental body or organization (including, without limitation, the SEC), the Company will not under any circumstance be required to settle its obligations, if any, under this Plan in cash.

13.17. *Data Privacy.* As a condition of acceptance of an Award, the Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this Section by and among, as applicable, the Company and its Subsidiaries for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Participant understands that the Company and its Subsidiaries hold certain personal information about the Participant, including the Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company or any Subsidiary, details of all Awards or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in the Participant's favor, for the purpose of implementing, managing and administering the Plan (the "Data"). The Participant further understands that the Company and its Subsidiaries may transfer the Data amongst themselves as necessary for the purpose of implementation, management and administration of the Participant's participation in the Plan, and that the Company and its Subsidiaries may each further transfer the Data to any third parties assisting the Company in the implementation, management, and administration of the Plan. The Participant understands that these recipients may be located in the Participant's country, or elsewhere, and that the recipient's country may have different data privacy laws and protections than the Participant's country. The Participant understands that he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Participant, through participation in the Plan and acceptance of an Award under the Plan, authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Participant may elect to deposit any Shares. The Participant understands that the Data will be held only as long as is necessary to implement, manage, and administer the Participant's participation in the Plan. The Participant understands that he or she may, at any time, view the Data, request additional information about the storage and processing of the Data, require any necessary amendments to the Data, or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Participant understands that refusal or withdrawal of consent may affect the Participant's ability to participate in the Plan. For more information on the consequences of refusal to consent or withdrawal of consent, the Participant understands that he or she may contact his or her local human resources representative.

13.18. *Indemnity.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board and any person to whom the Committee has delegated any of its authority

under the Plan shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

13.19. *Whistleblower Protections.* Nothing contained herein, in any Award Agreement, or otherwise prohibits the Participant from: (a) reporting possible violations of federal law or regulations, including any possible securities laws violations, to any governmental agency or entity, including but not limited to the U.S. Department of Justice, the SEC, the U.S. Congress, or any agency Inspector General; (b) making any other disclosures that are protected under the whistleblower provisions of federal law or regulations; or (c) otherwise fully participating in any federal whistleblower programs, including but not limited to any such programs managed by the SEC and/or the Occupational Safety and Health Administration. The Participant does not need prior authorization from the Company to make any such reports or disclosures, and is not required to notify the Company about such disclosures.

13.20. *Captions.* The captions in the Plan are for convenience of reference only, and are not intended to narrow, limit or affect the substance or interpretation of the provisions contained herein.

H&R BLOCK, INC.
2018 LONG TERM INCENTIVE PLAN
RESTRICTED SHARE UNITS
AWARD AGREEMENT

This Award Agreement is entered into by and between H&R Block, Inc., a Missouri corporation (“H&R Block”), and [Participant Name] (“Participant”).

WHEREAS, H&R Block provides certain incentive awards (“Awards”) to key employees of subsidiaries of H&R Block under the H&R Block, Inc. 2018 Long Term Incentive Plan (the “Plan”);

WHEREAS, Participant has been selected by the Board, the Compensation Committee, or the Chief Executive Officer of H&R Block to receive an Award under the Plan; and

WHEREAS, receipt of this Award is conditioned upon Participant’s execution of this Award Agreement within 180 days of [Grant Date], wherein Participant agrees to abide by certain terms and conditions authorized by the Compensation Committee of the Board.

NOW THEREFORE, in consideration of the parties’ promises and agreements set forth in this Award Agreement, the sufficiency of which the parties hereby acknowledge,
IT IS AGREED AS FOLLOWS:

1. Restricted Share Units.

1.1 Grant of Units. As of [Grant Date] (the “Grant Date”), H&R Block hereby awards [Number of Units Granted] Restricted Share Units (the “Units”) to Participant, as evidenced by this Award Agreement.

1.2 Vesting Conditions. In order to become vested in any or all of the Units, Participant must remain continuously employed with Company through the applicable Vesting Date as set forth in Section 1.4. Except as otherwise provided in this Award Agreement, or absent a written agreement to the contrary, if Participant’s employment with Company terminates before a Vesting Date, for any reason other than those set forth in Section 1.5, then all unvested Units then held by Participant, if any, shall be forfeited by Participant, and Participant shall have no right to receive Common Stock in respect thereof.

1.3 No Shareholder Privileges; Dividend Equivalents.

(a) Neither Participant nor any person claiming under or through him or her shall be, or have any of the rights or privileges of, a shareholder of H&R Block (including the right to vote shares or to receive dividends) with respect to any of the Common Stock issuable pursuant to this Award Agreement, unless and until such shares of Common Stock shall have been duly issued and delivered to Participant as a result of the vesting of Units.

(b) Notwithstanding Section 1.3(a), dividend equivalents will accrue and vest proportionally as the Units vest, and will be paid as additional whole shares of Common Stock (unless the Committee in its discretion determines to pay the value of the accrued dividend equivalents in cash), net of withholding, upon the date shares of Common Stock are delivered for vested Units pursuant to Section 1.4. Dividend equivalents will apply to all cash dividends (excluding dividends for which an adjustment to the Award was or will be made pursuant to Section 4.3) and will be deemed reinvested in shares of Common Stock based on the Closing Price of the Common Stock on the trading day immediately preceding the ex-dividend date applicable to such dividend. Future dividend equivalents will apply to the shares of Common Stock relating to the reinvested dividend equivalents for each dividend record date that occurs before actual delivery of the shares. Notwithstanding the foregoing, the Committee retains discretion at any time, upon notice to Participant, to revise whether, and in what manner, dividend equivalents will be deemed reinvested with respect to any future dividends.

1.4 Vesting Dates and Delivery of Common Stock.

(a) *Vesting Dates.* Subject to Section 1.2, the Units shall vest on the dates noted below (each, a “Vesting Date”), in accordance with the following schedule:

<u>Vesting Date</u>	Percent of Units Subject to Vesting on Such <u>Vesting Date</u>
First Anniversary of the Grant Date	33 1/3%
Second Anniversary of the Grant Date	33 1/3%
Third Anniversary of the Grant Date	33 1/3%

If the percentage of the aggregate number of shares of Common Stock subject to this Restricted Share Unit scheduled to vest on a Vesting Date is not a whole number of shares, then the number vesting on such Vesting Date shall be rounded up or down to the nearest whole number of shares for each Vesting Date in accordance with the administrative systems established by Company’s third-party stock plan administrator, except that the amount vesting on the final Vesting Date shall be such that 100% (and for the avoidance of doubt, no more than 100%) of the aggregate number of shares of Common Stock subject to this Restricted Share Unit shall be cumulatively vested as of the final Vesting Date.

(b) *Delivery of Common Stock.* As soon as administratively practicable (while remaining compliant with Section 4.14) following each Vesting Date, Company shall transfer shares of Common Stock equal to the number of Units then vesting under this Award Agreement, plus any shares attributable to vested dividend equivalents, less any shares withheld for tax withholding purposes pursuant to Section 4.7, into a brokerage account established for Participant at a financial institution the Committee shall select at its discretion (the “Financial Institution”) or delivered to Participant in certificate form, such method to be selected by the Committee in its discretion. Participant agrees to complete, before a Vesting Date, any documentation for Company or the Financial Institution which is necessary to effect the transfer of shares of Common Stock to the Financial Institution.

1.5 Acceleration of Vesting. Notwithstanding Section 1.4(a), the Units held by Participant vest on the occurrence of any of the following events:

(a) *Termination Related to Change in Control*. Upon Participant's Qualifying CIC Separation, 100% of all outstanding Units granted under this Award Agreement shall immediately vest upon the later of the date of the Change in Control and Participant's Last Day of Employment.

(b) *Termination Related to Death or Disability*. Upon Participant's Termination of Employment due to death or Disability at least one year after the Grant Date, 100% of all outstanding Units granted under this Award Agreement shall immediately vest upon Participant's Last Day of Employment.

(c) *Termination Related to Retirement*. Upon Participant's Termination of Employment due to Retirement at least one year after the Grant Date, a pro-rata portion of the Units granted under this Award Agreement shall immediately vest upon Participant's Last Day of Employment. The pro-rata portion of Units shall be equal to a percentage based upon the number of whole months of service completed between the Grant Date and Participant's Last Day of Employment divided by thirty-six (36), minus the number of Units already vested pursuant to Section 1.4.

(d) *Other Termination of Employment*. All unvested Units shall be forfeited upon occurrence of Participant's Termination of Employment that is not described in subsection (a), (b) or (c).

As soon as administratively practicable (while remaining compliant with Section 4.14) following the accelerated vesting date pursuant to this Section 1.5, Company shall transfer shares of Common Stock equal to the number of Units that become vested, plus any shares attributable to vested dividend equivalents, less any shares withheld for tax withholding purposes pursuant to Section 4.7, directly into a brokerage account established for Participant at the Financial Institution or delivered to Participant in certificate form, such method to be selected by the Committee in its discretion. Any fractional share eligible to be transferred to Participant shall be rounded up to the next whole share. Participant agrees to complete any documentation with Company or the Financial Institution that is necessary to affect the transfer of shares of Common Stock to the Financial Institution before the delivery of such shares will occur. Notwithstanding the foregoing, delivery of shares of Common Stock will be delayed, if applicable under the circumstances, to the extent provided under Section 4.14 (Compliance with Section 409A).

2. Covenants

2.1 Consideration for Award under the Plan. Participant acknowledges that Participant's agreement to this Section 2 is a key consideration for the Award made under this Award Agreement. Participant hereby agrees to abide by the covenants set forth in Sections 2.2, 2.3, 2.4, 2.5, 2.6, and 2.7.

2.2 Covenant Against Competition. During the period of Participant's employment and for two (2) years after his or her Last Day of Employment, Participant acknowledges and agrees he or she will not, directly or indirectly, establish or engage in any business or organization, or own

or control any interest in, be employed by, or act as an officer, director, consultant, advisor, or lender to, any of the following located in those geographic markets where Participant has had direct and substantial involvement in Company's operations in such geographic markets: (a) any entity that engages in any business competitive with the business activities of Company including, without limitation, its assisted and digital (including software) tax services businesses ("Prohibited Companies"); (b) any financial institution or business where any of Participant's duties or activities would relate to or assist in providing services or products to one or more of the Prohibited Companies for use in connection with products, services or assistance being provided to customers; or (c) any financial institution or business whose primary purpose is to provide services or products to one or more of the Prohibited Companies for use in connection with products, services or assistance being provided to customers. Without limiting clause (c), any financial institution or business whose profits or revenues from the provision of services or products to the Prohibited Companies exceeds 25% of total profits or revenues, as the case may be, shall be deemed to be covered by clause (c). For Participants whose primary place of employment as of the Last Day of Employment is in Puerto Rico or Arizona, the restrictions in this Section 2.2 shall be limited to one (1) year following Participant's Last Day of Employment. The restrictions in this Section 2.2 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in California or North Dakota; provided, however, to the extent permitted under such states' laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.2. Notwithstanding the foregoing, if Participant has a standalone employment agreement with Company and such employment agreement includes covenants against competition or non-solicitation of customers, the scope, but not the duration, of such covenants shall apply solely for purposes of Sections 2.2 and 2.4, but shall have no other effect on this Award Agreement. All other covenants contained in this Section 2 shall apply to Participant notwithstanding any covenants or other terms contained in any other agreement.

2.3 Covenant Against Solicitation of Employees. Participant acknowledges and agrees that, during the period of Participant's employment and for one (1) year after his or her Last Day of Employment, Participant will not directly or indirectly: (a) recruit, solicit, or otherwise induce any employee of Company to leave the employment of Company or to become an employee of or otherwise be associated with Participant or any company or business with which Participant is or may become associated; or (b) hire any employee of Company as an employee or otherwise in any company or business with which Participant is or may become associated. The restrictions in this Section 2.3 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in Wisconsin; provided, however, to the extent permitted under such state's laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.3.

2.4 Covenant Against Solicitation of Customers. During the period of Participant's employment and for two (2) years after his or her Last Day of Employment, Participant acknowledges and agrees that he or she will not, directly or indirectly, solicit or enter into any arrangement with any person or entity which is, at the time of the solicitation, a customer of Company for purposes of engaging in any business transaction of the nature performed by Company, or contemplated to be performed by Company, provided that this Section 2.4 will only apply to customers for whom Participant personally provided services while employed by Company or customers about whom or which Participant acquired material information while employed by

Company. For Participants whose primary place of employment as of the Last Day of Employment is in Puerto Rico or Arizona, the restrictions in this Section 2.4 shall be limited to one (1) year following Participant's Last Day of Employment. The restrictions in this Section 2.4 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in California or North Dakota; provided, however, to the extent permitted under such state's laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.4.

2.5 Covenant Against Disclosure of Confidential Information. Participant acknowledges and agrees: (a) that "Confidential Business Information" includes, but is not limited to, Company's client lists and information, employee lists and information, developments, systems, designs, software, databases, know-how, marketing plans, product information, business and financial information and plans, strategies, forecasts, new products and services, financial statements, budgets, projections, prices, and acquisition and disposition plans, regardless of whether any court determines that such information constitutes a trade secret as defined by applicable law; and (b) that (i) Company has spent many years developing its business and clients, and is engaged in a continuous program of developing its business and clients, (ii) Company's methods of operation are unique within the industry, (iii) Participant's position creates a relationship of confidence and trust between Participant and Company with respect to Company's Confidential Business Information, and (iv) Participant's disclosure of Confidential Business Information could substantially injure Company's present and planned business.

Therefore, Participant agrees that at all times during employment and for a period of two (2) years after Participant's Last Day of Employment with Company, Participant shall keep in strictest confidence and trust all Confidential Business Information. During this period, Participant shall not use or disclose any Confidential Business Information without the written consent of Company, except as may be necessary in the ordinary course of performing duties as an employee of Company or as may be required by law.

Notwithstanding the foregoing, to the extent that any Confidential Business Information satisfies the legal definition of "trade secret," and for so long as such information remains a trade secret, Participant shall keep in strictest confidence such trade secret and not use or disclose any such trade secret without the written consent of Company, except as may be necessary in the ordinary course of performing duties as an employee of Company or as may be required by law. Participant acknowledges that trade secrets include, but are not limited to, Company's client lists and all information identifying its clients, and all information pertaining to Company's business development, marketing plans, product information, business and financial information and plans, and strategies.

Notwithstanding any other provision of this Award Agreement, nothing herein prevents Participant from filing a charge or complaint with, or from participating in an investigation or proceeding conducted by, the Equal Employment Opportunity Commission, National Labor Relations Board, the Securities and Exchange Commission, or any other federal, state or local agency charged with the enforcement of any laws, including providing documents or other information. Notwithstanding Participant's agreement to keep in confidence and trust any Confidential Business Information and not to use or disclose any Confidential Business Information,

Participant, as provided by the Federal Defend Trade Secrets Act, will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of Confidential Business Information made: (x) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (y) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

2.6 Covenant Regarding Company Property. Participant acknowledges and agrees that as between Participant and Company, all Confidential Business Information is the sole and exclusive property of Company and/or Company's nominee(s) or assign(s). Participant hereby assigns and agrees to assign to Company any rights Participant may have or may acquire in such Confidential Business Information.

In the event that Participant conceives or develops, in whole or in part, any inventions, discoveries, ideas, concepts, strategies, plans, processes, systems, products, services, know-how, technology, software, website content, writings, expressions, designs, artwork, graphics, names, logos or other proprietary developments while employed by Company that (a) directly or indirectly relate in any way to or arise out of Participant's job responsibilities or the performance of the duties or assigned tasks of Participant with Company; or (b) directly or indirectly relate or pertain in any way to the existing or reasonably anticipated business, products, services, or other activities of Company; or (c) were otherwise conceived or developed, in whole or in part, using Company time or materials or based upon Confidential Business Information (collectively, the "Developments"), all right, title, and interest in and to the Developments including, without limitation, all patent, copyright, trademark, trade secret and other proprietary rights therein shall become the sole and exclusive property of Company and/or Company's nominee(s) or assign(s).

Participant acknowledges that any Developments subject to copyright protection shall be considered "works-for-hire" on behalf of Company as such term is defined under the copyright laws of the United States. All right, title and interest in such Developments or components thereof shall automatically vest in Company and Company shall be the author and exclusive owner thereof including, without limitation, all copyrights (and renewals and extensions thereof), merchandising and allied, ancillary and subsidiary rights therein. To the extent that any of the Developments, or any portion thereof, may not qualify as a work-for-hire or for copyright protection, Participant hereby irrevocably assigns and agrees to assign in the future all right, title, and interest in and to the Developments to Company or Company's nominee(s) or assign(s), including, without limitation, all patent, copyright, trademark, trade secret and any and all other proprietary rights therein.

Participant will keep and maintain adequate and current written records of the conception and development of Developments in the form of notes, sketches, drawings, reports or other documents relating thereto, which records shall be and shall remain the sole and exclusive property of Company and shall be available to Company at all times.

Participant further agrees to execute and deliver all documents and do all acts that Company shall deem necessary or desirable to secure to Company or its nominee(s) or assignee(s) the entire right, title and interest in and to the Confidential Business Information and Developments, at Company's expense. Participant further agrees to cooperate with Company as reasonably necessary

to maintain or enforce Company's rights in the Confidential Business Information and Developments.

In the event Participant's employment terminates, Participant shall promptly deliver to Company the originals and all copies of all Confidential Business Information, Developments and other materials and property of any nature belonging to Company and obtained during the course of, or as a result of, Participant's employment with Company. In addition, upon such termination, Participant shall not remove from the premises of Company any of its documents or property.

2.7 Non-Disparagement. Participant agrees, that after his or her Last Day of Employment, Participant will not disparage Company or any of its directors, officers, executives, employees, agents or other Company representatives ("Related Parties"), or make or solicit any comments to the media or others that may be considered derogatory or detrimental to the good business name or reputation of Company or Related Parties. This clause has no application to any communications with the Equal Employment Opportunity Commission or any state or local agency responsible for investigation and enforcement of discrimination laws.

2.8 Forfeiture of Rights. Notwithstanding anything herein to the contrary, if Participant violates any provisions of this Section 2, Participant shall forfeit all rights to payments or benefits under the Plan. All unvested Units shall terminate and be incapable of vesting.

2.9 Remedies. Notwithstanding anything herein to the contrary, if Participant violates any provisions of this Section 2, whether before, on or after any settlement of an Award under the Plan, then Participant shall promptly pay to Company an amount equal to the aggregate Amount of Gain Realized by Participant on all Common Stock received pursuant to this Award Agreement after a date commencing one (1) year before Participant's Last Day of Employment. Participant shall pay Company within three (3) business days after the date of any written demand by Company to Participant.

2.10 Remedies Payable. Participant shall pay the amounts described in Section 2.9 in cash or as otherwise determined by Company.

2.11 Remedies without Prejudice. The remedies provided in this Section 2 shall be without prejudice to the rights of Company to recover any losses resulting from the applicable conduct of Participant, and shall be in addition to any other remedies Company may have, at law or in equity, resulting from such conduct.

2.12 Survival. Participant's obligations in this Section 2 shall survive and continue beyond settlement of all Awards under the Plan and any termination or expiration of this Award Agreement for any reason.

2.13 Tolling. The restricted period for each of the covenants in this Award Agreement shall be tolled during (a) any period(s) of violation that occur during the original restricted period; and (b) any period(s) of time required by litigation to enforce the covenant (other than any periods during which Participant is enjoined from engaging in the prohibited activity and is in compliance

with such order of enjoinder) provided that the litigation is filed within one year following the end of the two-year period immediately following the cessation of employment.

3. Non-Transferability of Award. This Award (including all rights, privileges and benefits conferred under such Award) shall not be transferred, assigned, pledged, or hypothecated in any way (whether by operation of law or otherwise) and shall not be subject to sale under execution, attachment or similar process. Upon any attempt to transfer, assign, pledge, hypothecate, or otherwise dispose of this Award, or of any right or privilege conferred hereby, contrary to the provisions hereof, or upon any attempted sale under any execution, attachment, or similar process upon the rights and privileges hereby granted, then and in any such event this Award and the rights and privileges hereby granted shall immediately become null and void.

4. Miscellaneous.

4.1 No Employment Contract. This Award Agreement does not confer on Participant any right to continued employment for any period of time, and is not an employment contract.

4.2 Clawback. If a restatement of H&R Block's financial results occurs and (a) the vesting or the Amount of Gain Realized with respect to any portion of this Award, or (b) the vesting or issuance of performance-based Shares pursuant to any other award granted under the Plan or any other company-sponsored equity compensation plan, or (c) any other cash compensation received by Participant pursuant to a Company-sponsored incentive plan, would not have occurred, been paid or would have been reduced if the results represented by the restatement were known as of the time of the original issuance of the financial results, Participant may be required to reimburse Company for the Amount of Gain Realized related to this Award. The Committee has sole discretion to make all determinations that may be made pursuant to this section, including the amount of reimbursement.

4.3 Adjustment of the Units. If any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affects the Common Stock or the value thereof, the Committee shall make such adjustments and other substitutions to this Award Agreement as the Committee determines necessary or appropriate to prevent dilution or enlargement of benefits or potential benefits intended to be made available under this Award Agreement, in a manner the Committee deems equitable or appropriate, taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan, and in the number, class, kind and price of securities subject to the Award Agreement (including, if the Committee deems appropriate, the substitution of awards denominated in the shares of another company).

4.4 Merger, Consolidation, Reorganization, Liquidation, etc. If H&R Block shall become a party to any corporate merger, consolidation, major acquisition of property for stock, reorganization, or liquidation, all Plan awards outstanding on the effective date of the consummation of the transaction shall be treated in the manner the Committee, in its discretion, deems equitable and appropriate after taking into consideration relevant facts, including the accounting and tax

consequences. Such treatment need not treat all Awards (or all portions of an Award) in an identical manner. Such treatment may include, but is not limited to, the substitution of new Awards, or for any Awards then outstanding, the assumption of any such Awards or the cancellation of such Awards for a payment to Participant in cash or other property in an amount equitably determined by the Committee (and, for the avoidance of doubt, such cancellation may be without any payment to Participant in the event the Committee determines that the intrinsic value of the Award is zero or negative). Any such arrangements shall be binding upon Participant and any action taken under this Section 4.4 shall either preserve an Award's status as exempt from Code Section 409A or comply with Code Section 409A.

4.5 Interpretation and Regulations. The Committee shall have the full power and authority provided under Section 4.2 of the Plan and provided by delegation by the Board, subject to the terms of the Plan, and subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board. Such power and authority shall include, but not be limited to, the power and authority to: (a) interpret and administer the Plan, the Award Agreement, and any instrument or agreement entered into under or in connection with the Plan; (b) correct any defect, supply any omission or reconcile any inconsistency in the Plan or the Award Agreement in the manner and to the extent that the Committee shall deem desirable to carry it into effect; (c) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan and Award; (d) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan and Award; (e) determine whether, to what extent and under what circumstances the Award shall be canceled or suspended; and (f) determine, for purposes of the Plan and this Award Agreement, (i) the date and circumstances that constitute a cessation or termination of employment, (ii) whether such cessation or termination is the result of Retirement, death, Disability, termination without Cause or any other reason, and (iii) what constitutes continuous employment with respect to vesting under this Award Agreement. Notwithstanding the foregoing, leaves of absence approved by the Committee or transfers of employment among the subsidiaries of H&R Block shall not be considered an interruption of continuous employment under the Plan, unless otherwise required by Code Section 409A.

4.6 Reservation of Rights. If at any time Company determines that qualification or registration of the Units or any shares of Common Stock subject to the Units under any federal, state or other applicable securities law, or the consent or approval of any governmental regulatory authority, is necessary or desirable as a condition of executing an Award or providing a benefit under the Plan, then such action may not be taken, in whole or in part, unless and until such qualification, registration, consent or approval shall have been effected or obtained free of any conditions Company deems unacceptable.

4.7 Withholding of Taxes. Company shall make the delivery of shares of Common Stock pursuant to this Award Agreement net of all federal, state, local or foreign taxes required to be paid or withheld as a result of the delivery of shares of Common Stock. Unless otherwise determined pursuant to established procedures pursuant to the Plan, the number of shares of Common Stock withheld shall be based on the Fair Market Value of such shares on the vesting date and the minimum required tax withholding rate for Participant (or such other rate that will not cause an adverse accounting consequence or cost to Company). Participant acknowledges that Participant may be

required by the Company to take specified actions in order to enable the Company to be permitted to withhold at a rate higher than the minimum required tax withholding rates upon any distribution of shares of Common Stock, including, but not limited to, terminating any outstanding additional withholding elections in effect prior to such delivery of shares of Common Stock. Participant agrees to take any such actions as may be required by the Company.

4.8 Reasonableness of Restrictions, Severability and Court Modification. Participant and Company agree that the restrictions contained in this Award Agreement are reasonable, but, should any provision of this Award Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable or unreasonable in scope, the validity, legality and enforceability of the other provisions of this Award Agreement will not be affected thereby, and the provision found invalid, illegal, or otherwise unenforceable or unreasonable will be considered by Company and Participant to be amended as to scope of protection, time or geographic area (or any one of them, as the case may be) in whatever manner is considered reasonable by that court and, as so amended, will be enforced.

4.9 Waiver. The failure of Company to enforce at any time any terms, covenants or conditions of this Award Agreement shall not be construed to be a waiver of such terms, covenants or conditions or of any other provision. Any waiver or modification of the terms, covenants or conditions of this Award Agreement shall only be effective if reduced to writing and signed by both Participant and an officer of H&R Block.

4.10 Plan Control. The terms of this Award Agreement are governed by the terms of the Plan, as it exists on the Grant Date (except to the extent the Plan is amended from time to time and such amendment is intended to have retroactive effect). Except where the Plan expressly permits an award agreement to provide for different terms, if any provisions of this Award Agreement conflict with any provisions of the Plan, the terms of the Plan shall control.

4.11 Notices. Any notice to be given to Company or election to be made under the terms of this Award Agreement shall be addressed to Company (Attention: Long Term Incentive Department) at One H&R Block Way, Kansas City Missouri 64105, or at such other address or by such other means as Company may hereafter designate in writing to Participant. Any notice to be given to Participant shall be addressed to Participant at the last address of record with Company or at such other address as Participant may hereafter designate in writing to Company. Any such notice shall be deemed to have been duly given when deposited in the United States mail via regular or certified mail, addressed as aforesaid, postage prepaid.

4.12 Choice of Law. This Award Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Missouri without reference to principles of conflicts of laws.

4.13 Choice of Forum and Jurisdiction. Participant and Company agree that any proceedings to enforce the obligations and rights under this Award Agreement must be brought in the Missouri District Court located in Jackson County, Missouri, or in the United States District Court for the Western District of Missouri in Kansas City, Missouri. Participant agrees and submits to personal jurisdiction in either court. Participant and Company further agree that this Choice of

Forum and Jurisdiction is binding on all matters related to Awards under the Plan and may not be altered or amended by any other arrangement or agreement (including an employment agreement) without the express written consent of Participant and H&R Block.

4.14 Compliance with Section 409A. Notwithstanding any provision in this Award Agreement or the Plan to the contrary, this Award Agreement shall be interpreted and administered in accordance with Code Section 409A and regulations and other guidance issued thereunder (“Section 409A”). For purposes of determining whether any payment made pursuant to this Award Agreement results in a “deferral of compensation” within the meaning of Treasury Regulation 1.409A-1(b), H&R Block shall maximize the exemptions described in such section, as applicable. Any reference to a “termination of employment” or similar term or phrase shall be interpreted as a “separation from service” within the meaning of Section 409A. If any deferred compensation payment is payable while Participant is a “specified employee” under Section 409A, and payment is due because of separation from service for any reason other than death, then payment of such amount shall be delayed for a period of six months and paid in a lump sum on the first payroll payment date following the earlier of the expiration of such six month period or Participant’s death. To the extent any payments under this Award Agreement are made in installments, each installment shall be deemed a separate payment for purposes of Section 409A and the regulations issued thereunder. Participant or his or her beneficiary, as applicable, shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on Participant or his or her beneficiary in connection with any payments to Participant or his or her beneficiary pursuant to this Award Agreement, including but not limited to any taxes, interest and penalties under Section 409A, and neither H&R Block nor any of its affiliates shall have any obligation to indemnify or otherwise hold Participant or his or her beneficiary harmless from any and all of such taxes and penalties.

4.15 Attorneys Fees. Participant and Company agree that in the event of litigation to enforce the terms and obligations under this Award Agreement, the party prevailing in any such cause of action will be entitled to reimbursement of reasonable attorneys fees.

4.16 Relationship of the Parties. Participant acknowledges that this Award Agreement is between H&R Block and Participant. Participant further acknowledges that H&R Block is a holding company and that Participant is not an employee of H&R Block.

4.17 Headings. The section headings herein are for convenience only and shall not be considered in construing this Award Agreement.

4.18 Amendment. No amendment, supplement, or waiver to this Award Agreement is valid or binding unless in writing and signed on behalf of H&R Block by an officer of H&R Block, and, if materially adverse to Participant, signed by Participant.

4.19 Execution of Agreement. This Award Agreement shall not be enforceable by either party, and Participant shall have no rights with respect to the Awards made hereunder, unless and until it has been (a) signed by Participant within 180 days of the Grant Date, (b) signed on behalf of H&R Block by an officer of H&R Block, and (c) returned to H&R Block.

This Award Agreement may be signed by the parties via facsimile or electronic signature, as acceptable to Company, and may be signed by H&R Block via stamped signature.

4.20 **WAIVER OF JURY TRIAL.** PARTICIPANT KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING, ACTION OR CLAIM ARISING OUT OF OR RELATED TO THIS AGREEMENT.

5. Definitions. Whenever a term is used in this Award Agreement, the following words and phrases shall have the meanings set forth below or as set forth in the Plan unless the context plainly requires a different meaning, and when a defined meaning is intended, the term is capitalized.

5.1 **Amount of Gain Realized.** The Amount of Gain Realized shall be equal to the number of shares of Common Stock that Participant receives pursuant to this Award Agreement multiplied by the Fair Market Value of one share of Common Stock on the date of delivery.

5.2 **Board.** Board means the Board of Directors of H&R Block.

5.3 **Cause.** Cause means those actions or omissions that constitute cause for termination under the written Company severance plan that applies to Participant. If no severance plan applies to Participant or if the applicable severance plan does not define "Cause," then Cause shall have the meaning found in the H&R Block Severance Plan, or any successor to that plan. Notwithstanding any of the foregoing, if Participant has a standalone employment agreement with Company and such employment agreement includes a definition for cause, the definition of cause in the employment agreement shall apply.

5.4 **Change in Control.** Change in Control means the occurrence of one or more of the following events:

(a) Any one person, or more than one person acting as a group, acquires ownership of stock of H&R Block that, together with stock held by such person or group, constitutes more than 50 percent of the total fair market value or total voting power of the stock of H&R Block. If any one person, or more than one person acting as a group, is considered to own more than 50 percent of the total fair market value or total voting power of the stock of H&R Block, the acquisition of additional stock by the same person or persons shall not be considered to cause a Change in Control. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which H&R Block acquires its stock in exchange for property will be treated as an acquisition of stock for purposes of this Section 5.4(a).

(b) Any one person, or more than one person acting as a group, acquires (when combined with all other acquisitions of H&R Block stock acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) ownership of stock of H&R Block possessing 35 percent or more of the total voting power of the stock of H&R Block. If any one person, or more than one person acting as a group, is considered to effectively control a corporation within the meaning of Treasury Regulation 1.409A-3(i)(5)(vi), the acquisition of additional control of the corporation by the same person or persons is not considered to cause a change in the effective

control of the corporation. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which H&R Block acquires its stock in exchange for property will not be treated as an acquisition of stock for purposes of this Section 5.4(b), but will be treated as an acquisition of stock for purposes of Section 5.4(a).

(c) A majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by two-thirds (2/3) of the members of the Board before the date of such appointment or election.

(d) Any one person, or more than one person acting as a group, acquires (when combined with all other acquisitions of H&R Block assets acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from H&R Block that have a total gross fair market value equal to or more than 50 percent of the total gross fair market value of all of the assets of H&R Block immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of H&R Block, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. Notwithstanding the foregoing, there is no Change in Control event under this Section 5.4(d) when there is a transfer to an entity that is controlled by the shareholders of H&R Block immediately after the transfer. A transfer of assets by H&R Block is not treated as a change in the ownership of such assets if the assets are transferred to: (i) a shareholder of H&R Block (immediately before the asset transfer) solely in exchange for or with respect to its stock; (ii) an entity, 50 percent or more of the total value or voting power of which is owned, directly or indirectly, by H&R Block; (iii) a person, or more than one person acting as a group, that owns, directly or indirectly, 50 percent or more of the total value or voting power of all the outstanding stock of H&R Block; or (iv) an entity, at least 50 percent of the total value or voting power of which is owned, directly or indirectly, by a person described in (iii) above.

For purposes of this section, persons will be considered to be acting as a group in accordance with Sections 13(d)(3) and 14(d)(2) of the Securities Exchange Act of 1934, as amended, and Code Section 409A.

5.5 Closing Price. Closing Price shall mean the last reported market price for one share of Common Stock, regular way, on the New York Stock Exchange (or any successor exchange or stock market on which such last reported market price is reported) on the day in question. If the exchange is closed on the day on which the Closing Price is to be determined or if there were no sales reported on such date, the Closing Price shall be computed as of the last date preceding such date on which the exchange was open and a sale was reported.

5.6 Code. Code means the Internal Revenue Code of 1986, as amended.

5.7 Committee. Committee means the Compensation Committee of the Board.

5.8 Common Stock. Common Stock means the common stock of H&R Block, without par value.

5.9 Company. Company means H&R Block, Inc., a Missouri corporation, and includes its “subsidiary corporations” (as defined in Code Section 424(f)) and their respective divisions,

departments and subsidiaries and the respective divisions, departments and subsidiaries of such subsidiaries.

5.10 Comparable Position. Comparable Position means a position where:

- (a) Participant's primary work location would be within 50 miles of Participant's current primary work location, and
- (b) Participant's compensation rate (salary and target bonus) would be no more than 10% below Participant's current compensation rate.

5.11 Disability. Disability or disabled means, determined in accordance with the following determination periods:

(a) If Participant has coverage under a group long-term disability program maintained by Company, Participant is, by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of at least three months under such program; or

(b) If Participant does not have coverage under a group long-term disability program maintained by Company, Participant is unable to engage in any substantial gainful activity for a period of at least 9 months by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months.

For this purpose, Participant shall be deemed to have incurred a Disability on the last day of the applicable determination period above. Notwithstanding the foregoing, if Participant has a standalone employment agreement with Company and such employment agreement includes a definition of disability, the definition in the employment agreement shall apply.

5.12 Fair Market Value. Fair Market Value means the Closing Price for one share of Common Stock.

5.13 Good Reason Termination. Good Reason Termination means a Termination of Employment initiated by Participant that is related to one or more conditions described in subsection (a), and that is subject to the timing, notice and remedy provisions of subsection (b):

(a) *Conditions for Good Reason Termination*. The conditions that qualify for Good Reason Termination shall be those conditions provided in the definition of Good Reason Termination under the written Company severance plan that applies to Participant, unless Participant has a standalone employment agreement with Company and such employment agreement includes such definition (or a definition of "Good Reason"), in which case the definition in the employment agreement shall apply. For the avoidance of doubt, any such definition shall only apply with respect to determining the conditions that constitute "Good Reason." The periods of time relating to the initial existence, notice, and remedy of any such condition are determined solely as described in

subsection (b). If no severance plan or employment agreement applies to Participant or if neither includes a definition of “Good Reason” or “Good Reason Termination,” then the conditions that qualify for Good Reason Termination are:

(i) A change in Participant’s primary work location that is more than 50 miles from Participant’s previous primary work location, or

(ii) A diminution of Participant’s compensation rate (salary and target bonus) of more than 10%.

(b) *Timing, Notice and Remedy Requirements*. Participant’s voluntary Termination of Employment qualifies as a Good Reason Termination only if such Termination of Employment occurs within 18 months after a Change in Control because of a qualifying condition described in subsection (a), and only if (i) the initial existence of the condition occurs no more than 75 days before the Change in Control, or occurs on or after the Change in Control; (ii) Participant does not consent to the condition; and (iii) Company does not substantially remedy the condition (as further described in this section).

Participant must provide notice no more than 30 days after the initial occurrence of the event; provided, however, if the event initially occurs within the 75 day period preceding a Change in Control, notice must be provided by the earlier of (i) 90 days of the date of the initial occurrence and (ii) 30 days after the date of the Change in Control. During the 30 days following receipt of the notice, Company may take steps to substantially remedy the event, occurrence or condition for which notice was given, in which case a Good Reason Termination will not occur as a result of the condition.

5.14 Last Day of Employment. Last Day of Employment means the date of Participant’s Termination of Employment.

5.15 Qualifying CIC Separation. Qualifying CIC Separation means (a) a Good Reason Termination or (b) Company’s involuntary Termination of Employment of Participant without Cause no more than 75 days before or 18 months after a Change in Control; provided, however, that Qualifying CIC Separation described under subsection (b) does not include the elimination of Participant’s position where Participant was offered a Comparable Position with Company or with a party (or a subsidiary or an affiliate of such a party) that acquires any asset from Company.

5.16 Restricted Share Units. Restricted Share Units means Restricted Share Units granted to Participant under the Plan subject to such terms and conditions as the Committee may determine at the time of issuance.

5.17 Retirement. Retirement means Participant’s voluntary Termination of Employment with Company at or after the date Participant (a) attains age 60 or (b) attains age 55 and completes at least five (5) years of service with Company.

5.18 Termination of Employment. Termination of Employment, termination of employment and similar references mean a separation from service within the meaning of Code

Section 409A. If Participant is an employee, Participant will generally have a Termination of Employment if Participant voluntarily or involuntarily terminates employment with Company. A termination of employment occurs if the facts and circumstances indicate that Participant and Company reasonably anticipate that no further services will be performed after a certain date or that the level of bona fide services Participant will perform after such date (whether as an employee, director or other independent contractor) for Company will decrease to no more than 20 percent of the average level of bona fide services performed (whether as an employee, director or other independent contractor) over the immediately preceding 36-month period (or full period of services if Participant has been providing services for less than 36 months). For purposes of this Section 5.18, "Company" includes any entity that would be aggregated with Company under Treasury Regulation 1.409A-1(h)(3).

6. ACKNOWLEDGEMENT OF COVENANTS AND WAIVERS.

H&R BLOCK, INC.
2018 LONG TERM INCENTIVE PLAN
NON-QUALIFIED STOCK OPTION
AWARD AGREEMENT

This Award Agreement is entered into by and between H&R Block, Inc., a Missouri corporation (“H&R Block”), and [Participant Name] (“Participant”).

WHEREAS, H&R Block provides certain incentive awards (“Awards”) to key employees of subsidiaries of H&R Block under the H&R Block, Inc. 2018 Long Term Incentive Plan (the “Plan”);

WHEREAS, Participant has been selected by the Board, the Compensation Committee, or the Chief Executive Officer of H&R Block to receive an Award under the Plan; and

WHEREAS, receipt of this Award is conditioned upon Participant’s execution of this Award Agreement within 180 days of [Grant Date], wherein Participant agrees to abide by certain terms and conditions authorized by the Compensation Committee of the Board.

NOW THEREFORE, in consideration of the parties’ promises and agreements set forth in this Award Agreement, the sufficiency of which the parties hereby acknowledge,

IT IS AGREED AS FOLLOWS:

1. Stock Option.

1.1 Grant of Stock Option. As of [Grant Date] (the “Grant Date”), H&R Block grants Participant the right and option to purchase [Number of Shares Granted] shares of Common Stock (this “Stock Option”). This Stock Option is not an “incentive stock option” as defined in Code Section 422(b).

1.2 Option Price. The price per share of Common Stock subject to this Stock Option is [Grant Price], which is the Closing Price on [Grant Date] (the “Option Price”).

1.3 Vesting Conditions. In order to become vested in the Stock Option, Participant must remain continuously employed with Company through the applicable Vesting Date as set forth in Section 1.4. Except as otherwise provided in this Award Agreement, or absent a written agreement to the contrary, if Participant’s employment with Company terminates before a Vesting Date, for any reason other than those set forth in Section 1.5, then the unvested portion of the Stock Option, if any, shall be forfeited by Participant, and Participant shall have no right to purchase shares of Common Stock related thereto.

1.4 Vesting Dates. Subject to Section 1.3, this Stock Option shall vest on the dates noted below (each, a “Vesting Date”) and become exercisable in installments, which shall be cumulative, with regard to the percentage of the number of shares of Common Stock subject to this Stock Option indicated next to each Vesting Date set forth in the table below:

Stock Option (2018 Plan)

Vesting Date	Percent of Stock Option Subject to Vesting on Such Vesting Date
First Anniversary of the Grant Date	33 1/3%
Second Anniversary of the Grant Date	33 1/3%
Third Anniversary of the Grant Date	33 1/3%

If the percentage of the aggregate number of shares of Common Stock subject to this Stock Option scheduled to vest on a Vesting Date is not a whole number of shares, then the amount vesting on such Vesting Date shall be rounded up or down to the nearest whole number of shares for each Vesting Date in accordance with the administrative systems established by Company's third-party stock plan administrator, except that the amount vesting on the final Vesting Date shall be such that 100% (and for the avoidance of doubt, no more than 100%) of the aggregate number of shares of Common Stock subject to this Stock Option shall be cumulatively vested as of the final Vesting Date.

1.5 Acceleration of Vesting. Notwithstanding Section 1.4, this Stock Option, or a portion thereof, vests on the occurrence of any of the following events:

(a) *Termination Related to Change in Control*. Upon Participant's Qualifying CIC Separation, 100% of this Stock Option not already vested shall immediately vest and become exercisable upon the later of the date of the Change in Control and Participant's Last Day of Employment.

(b) *Termination Related to Death or Disability*. Upon Participant's Termination of Employment due to death or Disability that occurs at least one year after the Grant Date, 100% of this Stock Option not already vested shall immediately vest and become exercisable upon Participant's Last Day of Employment.

(c) *Termination Related to Retirement*. Upon Participant's Termination of Employment due to Retirement at least one year after the Grant Date, a pro-rata portion of this Stock Option shall immediately vest and become exercisable upon Participant's Last Day of Employment. The pro-rata portion of this Stock Option shall be equal to a percentage based upon the number of whole months of service completed between the Grant Date and Participant's Last Day of Employment divided by thirty-six (36), minus the number of shares that already vested pursuant to Section 1.4 and rounded up to the next whole share.

(d) *Other Termination of Employment*. All unvested portions of this Stock Option shall be forfeited upon occurrence of Participant's Termination of Employment that is not described in subsection (a), (b) or (c).

1.6 Term of Option. No portion of this Stock Option may be exercised after [Expiration Date] (the "Expiration Date"). Except as provided in this Section 1.6, this Stock Option shall terminate when Participant ceases, for any reason, to be an employee of Company:

(a) *After Qualifying CIC Separation or Retirement.* If Participant ceases to be an employee of Company on account of a Qualifying CIC Separation or Retirement, Participant may exercise any vested portion of this Stock Option at any time for a period of up to three (3) years after Participant's Last Day of Employment, but in no event after the Expiration Date.

(b) *After Involuntary Termination of Employment without Cause.* If Participant ceases to be an employee of Company on account of an involuntary Termination of Employment without Cause that is not a Qualifying CIC Separation, and no Comparable Position is offered, Participant may exercise any vested portion of this Stock Option at any time for a period of up to eighteen (18) months after Participant's Last Day of Employment, but in no event after the Expiration Date.

(c) *After Participant's Death or Disability.* If Participant ceases to be an employee of Company because of Disability or death, Participant, or the person or persons to whom Participant's rights under this Award Agreement pass by Participant's will or laws of descent and distribution, as applicable in the case of death, may exercise any vested portion of this Stock Option at any time for a period of up to twelve (12) months after Participant's Disability or date of death, as applicable, but in no event after the Expiration Date.

1.7 Exercise of Stock Option. This Stock Option shall be exercisable by Participant by giving notice of exercise to Company, in the manner specified by Company, specifying the number of whole shares to be purchased, and accompanied by full payment of the purchase price. The right to purchase shall be cumulative, so that the full number of shares of Common Stock that become purchasable at any time need not be purchased at such time, but may be purchased at any time or from time to time thereafter (but before the termination of this Stock Option).

1.8 Payment of the Option Price. Full payment of the Option Price for shares purchased shall be made at the time Participant exercises this Stock Option. Payment of the aggregate Option Price may be made in (a) cash (which may include same day sales through a broker), (b) by delivery of Common Stock (with a value equal to the Closing Price of Common Stock on the last trading date preceding the date on which this Stock Option is exercised), or (c) a combination thereof.

1.9 No Shareholder Privileges. Neither Participant nor any person claiming under or through him or her shall be, or have any of the rights or privileges of, a shareholder of H&R Block (including the right to vote shares or to receive dividends) with respect to any of the Common Stock issuable upon the exercise of this Stock Option, unless and until such shares of Common Stock shall have been duly issued and delivered to Participant as a result of such exercise of any vested portion of this Stock Option. No dividend equivalents shall be issued with respect to this Stock Option.

2. Covenants.

2.1 Consideration for Award under the Plan. Participant acknowledges that Participant's agreement to this Section 2 is a key consideration for the Award made under this Award Agreement. Participant hereby agrees to abide by the covenants set forth in Sections 2.2, 2.3, 2.4, 2.5, 2.6, and 2.7.

2.2 Covenant Against Competition. During the period of Participant's employment and for two (2) years after his or her Last Day of Employment, Participant acknowledges and agrees he or she will not, directly or indirectly, establish or engage in any business or organization, or own or control any interest in, be employed by, or act as an officer, director, consultant, advisor, or lender to, any of the following located in those geographic markets where Participant has had direct and substantial involvement in Company's operations in such geographic markets: (a) any entity that engages in any business competitive with the business activities of Company including, without limitation, its assisted and digital (including software) tax services businesses ("Prohibited Companies"); (b) any financial institution or business where any of Participant's duties or activities would relate to or assist in providing services or products to one or more of the Prohibited Companies for use in connection with products, services or assistance being provided to customers; or (c) any financial institution or business whose primary purpose is to provide services or products to one or more of the Prohibited Companies for use in connection with products, services or assistance being provided to customers. Without limiting clause (c), any financial institution or business whose profits or revenues from the provision of services or products to the Prohibited Companies exceeds 25% of total profits or revenues, as the case may be, shall be deemed to be covered by clause (c). For Participants whose primary place of employment as of the Last Day of Employment is in Puerto Rico or Arizona, the restrictions in this Section 2.2 shall be limited to one (1) year following Participant's Last Day of Employment. The restrictions in this Section 2.2 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in California or North Dakota; provided, however, to the extent permitted under such states' laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.2. Notwithstanding the foregoing, if Participant has a standalone employment agreement with Company and such employment agreement includes covenants against competition or non-solicitation of customers, the scope, but not the duration, of such covenants shall apply solely for purposes of Sections 2.2 and 2.4, but shall have no other effect on this Award Agreement. All other covenants contained in this Section 2 shall apply to Participant notwithstanding any covenants or other terms contained in any other agreement.

2.3 Covenant Against Solicitation of Employees. Participant acknowledges and agrees that, during the period of Participant's employment and for one (1) year after his or her Last Day of Employment, Participant will not directly or indirectly: (a) recruit, solicit, or otherwise induce any employee of Company to leave the employment of Company or to become an employee of or otherwise be associated with Participant or any company or business with which Participant is or may become associated; or (b) hire any employee of Company as an employee or otherwise in any company or business with which Participant is or may become associated. The restrictions in this Section 2.3 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in Wisconsin; provided, however, to the extent permitted under such state's laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.3.

2.4 Covenant Against Solicitation of Customers. During the period of Participant's employment and for two (2) years after his or her Last Day of Employment, Participant acknowledges and agrees that he or she will not, directly or indirectly, solicit or enter into any arrangement with any person or entity which is, at the time of the solicitation, a customer of Company for purposes of engaging in any business transaction of the nature performed by Company, or

contemplated to be performed by Company, provided that this Section 2.4 will only apply to customers for whom Participant personally provided services while employed by Company or customers about whom or which Participant acquired material information while employed by Company. For Participants whose primary place of employment as of the Last Day of Employment is in Puerto Rico or Arizona, the restrictions in this Section 2.4 shall be limited to one (1) year following Participant's Last Day of Employment. The restrictions in this Section 2.4 shall not apply if Participant's primary place of employment as of the Last Day of Employment is in California or North Dakota; provided, however, to the extent permitted under such state's laws, Company nevertheless retains all rights and remedies set forth in Sections 2.8 and 2.9 in lieu of enforcing the restrictive covenant set forth in this Section 2.4.

2.5 Covenant Against Disclosure of Confidential Information. Participant acknowledges and agrees: (a) that "Confidential Business Information" includes, but is not limited to, Company's client lists and information, employee lists and information, developments, systems, designs, software, databases, know-how, marketing plans, product information, business and financial information and plans, strategies, forecasts, new products and services, financial statements, budgets, projections, prices, and acquisition and disposition plans, regardless of whether any court determines that such information constitutes a trade secret as defined by applicable law; and (b) that (i) Company has spent many years developing its business and clients, and is engaged in a continuous program of developing its business and clients, (ii) Company's methods of operation are unique within the industry, (iii) Participant's position creates a relationship of confidence and trust between Participant and Company with respect to Company's Confidential Business Information, and (iv) Participant's disclosure of Confidential Business Information could substantially injure Company's present and planned business.

Therefore, Participant agrees that at all times during employment and for a period of two (2) years after Participant's Last Day of Employment with Company, Participant shall keep in strictest confidence and trust all Confidential Business Information. During this period, Participant shall not use or disclose any Confidential Business Information without the written consent of Company, except as may be necessary in the ordinary course of performing duties as an employee of Company or as may be required by law.

Notwithstanding the foregoing, to the extent that any Confidential Business Information satisfies the legal definition of "trade secret," and for so long as such information remains a trade secret, Participant shall keep in strictest confidence such trade secret and not use or disclose any such trade secret without the written consent of Company, except as may be necessary in the ordinary course of performing duties as an employee of Company or as may be required by law. Participant acknowledges that trade secrets include, but are not limited to, Company's client lists and all information identifying its clients, and all information pertaining to Company's business development, marketing plans, product information, business and financial information and plans, and strategies.

Notwithstanding any other provision of this Award Agreement, nothing herein prevents Participant from filing a charge or complaint with, or from participating in an investigation or proceeding conducted by, the Equal Employment Opportunity Commission, National Labor Relations Board, the Securities and Exchange Commission, or any other federal, state or local agency charged with the enforcement of any laws, including providing documents or other

information. Notwithstanding Participant's agreement to keep in confidence and trust any Confidential Business Information and not to use or disclose any Confidential Business Information, Participant, as provided by the Federal Defend Trade Secrets Act, will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of Confidential Business Information made: (x) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (y) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

2.6 Covenant Regarding Company Property. Participant acknowledges and agrees that as between Participant and Company, all Confidential Business Information is the sole and exclusive property of Company and/or Company's nominee(s) or assign(s). Participant hereby assigns and agrees to assign to Company any rights Participant may have or may acquire in such Confidential Business Information.

In the event that Participant conceives or develops, in whole or in part, any inventions, discoveries, ideas, concepts, strategies, plans, processes, systems, products, services, know-how, technology, software, website content, writings, expressions, designs, artwork, graphics, names, logos or other proprietary developments while employed by Company that (a) directly or indirectly relate in any way to or arise out of Participant's job responsibilities or the performance of the duties or assigned tasks of Participant with Company; or (b) directly or indirectly relate or pertain in any way to the existing or reasonably anticipated business, products, services, or other activities of Company; or (c) were otherwise conceived or developed, in whole or in part, using Company time or materials or based upon Confidential Business Information (collectively, the "Developments"), all right, title, and interest in and to the Developments including, without limitation, all patent, copyright, trademark, trade secret and other proprietary rights therein shall become the sole and exclusive property of Company and/or Company's nominee(s) or assign(s).

Participant acknowledges that any Developments subject to copyright protection shall be considered "works-for-hire" on behalf of Company as such term is defined under the copyright laws of the United States. All right, title and interest in such Developments or components thereof shall automatically vest in Company and Company shall be the author and exclusive owner thereof including, without limitation, all copyrights (and renewals and extensions thereof), merchandising and allied, ancillary and subsidiary rights therein. To the extent that any of the Developments, or any portion thereof, may not qualify as a work-for-hire or for copyright protection, Participant hereby irrevocably assigns and agrees to assign in the future all right, title, and interest in and to the Developments to Company or Company's nominee(s) or assign(s), including, without limitation, all patent, copyright, trademark, trade secret and any and all other proprietary rights therein.

Participant will keep and maintain adequate and current written records of the conception and development of Developments in the form of notes, sketches, drawings, reports or other documents relating thereto, which records shall be and shall remain the sole and exclusive property of Company and shall be available to Company at all times.

Participant further agrees to execute and deliver all documents and do all acts that Company shall deem necessary or desirable to secure to Company or its nominee(s) or assignee(s) the entire right, title and interest in and to the Confidential Business Information and Developments, at

Company's expense. Participant further agrees to cooperate with Company as reasonably necessary to maintain or enforce Company's rights in the Confidential Business Information and Developments.

In the event Participant's employment terminates, Participant shall promptly deliver to Company the originals and all copies of all Confidential Business Information, Developments and other materials and property of any nature belonging to Company and obtained during the course of, or as a result of, Participant's employment with Company. In addition, upon such termination, Participant shall not remove from the premises of Company any of its documents or property.

2.7 Non-Disparagement. Participant agrees, that after his or her Last Day of Employment, Participant will not disparage Company or any of its directors, officers, executives, employees, agents or other Company representatives ("Related Parties"), or make or solicit any comments to the media or others that may be considered derogatory or detrimental to the good business name or reputation of Company or Related Parties. This clause has no application to any communications with the Equal Employment Opportunity Commission or any state or local agency responsible for investigation and enforcement of discrimination laws.

2.8 Forfeiture of Rights. Notwithstanding anything herein to the contrary, if Participant violates any provisions of this Section 2, Participant shall forfeit all rights to payments or benefits under the Plan. Any portion of this Stock Option that remains unexercised on such date shall terminate, be forfeited and be incapable of vesting.

2.9 Remedies. Notwithstanding anything herein to the contrary, if Participant violates any provisions of this Section 2, whether before, on or after any settlement of an Award under the Plan, then Participant shall promptly pay to Company an amount equal to the aggregate Amount of Gain Realized by Participant pursuant to this Award Agreement (including upon exercise of this stock option) after the date occurring one (1) year before Participant's Last Day of Employment; provided, however, to the extent the violation occurs before the exercise of this entire Stock Option, all rights to payments or benefits under the Plan and all unexercised portions of this Stock Option shall terminate, be forfeited and be incapable of vesting in accordance with Section 2.8. Participant shall pay Company within three (3) business days after the date of any written demand by Company to Participant.

2.10 Remedies Payable. Participant shall pay the amounts described in Section 2.9 in cash or as otherwise determined by Company.

2.11 Remedies without Prejudice. The remedies provided in this Section 2 shall be without prejudice to the rights of Company to recover any losses resulting from the applicable conduct of Participant, and shall be in addition to any other remedies Company may have, at law or in equity, resulting from such conduct.

2.12 Survival. Participant's obligations in this Section 2 shall survive and continue beyond settlement of all Awards under the Plan and any termination or expiration of this Award Agreement for any reason.

2.13 Tolling. The restricted period for each of the covenants in this Award Agreement shall be tolled during (a) any period(s) of violation that occur during the original restricted period;

and (b) any period(s) of time required by litigation to enforce the covenant (other than any periods during which Participant is enjoined from engaging in the prohibited activity and is in compliance with such order of injunction) provided that the litigation is filed within one year following the end of the two-year period immediately following the cessation of employment.

3. Non-Transferability of Award. This Award (including all rights, privileges and benefits conferred under such Award) shall not be transferred, assigned, pledged, or hypothecated in any way (whether by operation of law or otherwise) and shall not be subject to sale under execution, attachment or similar process. Upon any attempt to transfer, assign, pledge, hypothecate, or otherwise dispose of this Award, or of any right or privilege conferred hereby, contrary to the provisions hereof, or upon any attempted sale under any execution, attachment, or similar process upon the rights and privileges hereby granted, then and in any such event this Award and the rights and privileges hereby granted shall immediately become null and void.

4. Miscellaneous.

4.1 No Employment Contract. This Award Agreement does not confer on Participant any right to continued employment for any period of time, and is not an employment contract.

4.2 Clawback. If a restatement of H&R Block's financial results occurs and (a) the vesting or the Amount of Gain Realized with respect to any portion of this Award, or (b) the vesting or issuance of performance-based Shares pursuant to any other award granted under the Plan or any other company-sponsored equity compensation plan, or (c) any other cash compensation received by Participant pursuant to a Company-sponsored incentive plan, would not have occurred, been paid or would have been reduced if the results represented by the restatement were known as of the time of the original issuance of the financial results, Participant may be required to reimburse Company for the Amount of Gain Realized related to this Award. The Committee has sole discretion to make all determinations that may be made pursuant to this section, including the amount of reimbursement.

4.3 Adjustment of Shares. If any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affects the Common Stock or the value thereof, the Committee shall make such adjustments and other substitutions to this Award Agreement as the Committee determines necessary or appropriate to prevent dilution or enlargement of benefits or potential benefits intended to be made available under this Award Agreement, in a manner the Committee deems equitable or appropriate, taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan, and in the number, class, kind and option or exercise price of securities subject to the Award Agreement (including, if the Committee deems appropriate, the substitution of awards denominated in the shares of another company).

4.4 Merger, Consolidation, Reorganization, Liquidation, etc. If H&R Block shall become a party to any corporate merger, consolidation, major acquisition of property for stock, reorganization, or liquidation, all Plan awards outstanding on the effective date of the consummation of the transaction shall be treated in the manner the Committee, in its discretion, deems equitable

and appropriate after taking into consideration relevant facts, including the accounting and tax consequences. Such treatment need not treat all Awards (or all portions of an Award) in an identical manner. Such treatment may include, but is not limited to, the substitution of new Awards, or for any Awards then outstanding, the assumption of any such Awards or the cancellation of such Awards for a payment to Participant in cash or other property in an amount equitably determined by the Committee (and, for the avoidance of doubt, such cancellation may be without any payment to Participant in the event the Committee determines that the intrinsic value of the Award is zero or negative). Any such arrangements shall be binding upon Participant and any action taken under this Section 4.4 shall either preserve an Award's status as exempt from Code Section 409A or comply with Code Section 409A.

4.5 Interpretation and Regulations. The Committee shall have the full power and authority provided under Section 4.2 of the Plan and provided by delegation by the Board, subject to the terms of the Plan, and subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board. Such power and authority shall include, but not be limited to, the power and authority to: (a) interpret and administer the Plan, the Award Agreement, and any instrument or agreement entered into under or in connection with the Plan; (b) correct any defect, supply any omission or reconcile any inconsistency in the Plan or the Award Agreement in the manner and to the extent that the Committee shall deem desirable to carry it into effect; (c) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan and Award; (d) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan and Award; (e) determine whether, to what extent and under what circumstances the Award shall be canceled or suspended; and (f) determine, for purposes of the Plan and this Award Agreement, (i) the date and circumstances that constitute a cessation or termination of employment, (ii) whether such cessation or termination is the result of Retirement, death, Disability, termination without Cause or any other reason, and (iii) what constitutes continuous employment with respect to vesting under this Award Agreement. Notwithstanding the foregoing, leaves of absence approved by the Committee or transfers of employment among the subsidiaries of H&R Block shall not be considered an interruption of continuous employment under the Plan, unless otherwise required by Code Section 409A.

4.6 Reservation of Rights. If at any time Company determines that qualification or registration of this Stock Option or any shares of Common Stock subject to this Stock Option under any federal, state or other applicable securities law, or the consent or approval of any governmental regulatory authority, is necessary or desirable as a condition of executing an Award or providing a benefit under the Plan, then such action may not be taken, in whole or in part, unless and until such qualification, registration, consent or approval shall have been effected or obtained free of any conditions Company deems unacceptable.

4.7 Withholding of Taxes. Company shall make the delivery of shares of Common Stock pursuant to this Award Agreement net of all federal, state, local or foreign taxes required to be paid or withheld as a result of the delivery of shares of Common Stock. Unless otherwise determined pursuant to established procedures pursuant to the Plan, the number of shares of Common Stock withheld shall be based on the Fair Market Value of such shares on the exercise date and the minimum required tax withholding rate for Participant (or such other rate that will not cause an adverse accounting consequence or cost to Company).

4.8 Reasonableness of Restrictions, Severability and Court Modification. Participant and Company agree that the restrictions contained in this Award Agreement are reasonable, but, should any provision of this Award Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable or unreasonable in scope, the validity, legality and enforceability of the other provisions of this Award Agreement will not be affected thereby, and the provision found invalid, illegal, or otherwise unenforceable or unreasonable will be considered by Company and Participant to be amended as to scope of protection, time or geographic area (or any one of them, as the case may be) in whatever manner is considered reasonable by that court and, as so amended, will be enforced.

4.9 Waiver. The failure of Company to enforce at any time any terms, covenants or conditions of this Award Agreement shall not be construed to be a waiver of such terms, covenants or conditions or of any other provision. Any waiver or modification of the terms, covenants or conditions of this Award Agreement shall only be effective if reduced to writing and signed by both Participant and an officer of H&R Block.

4.10 Plan Control. The terms of this Award Agreement are governed by the terms of the Plan, as it exists on the Grant Date (except to the extent the Plan is amended from time to time and such amendment is intended to have retroactive effect). Except where the Plan expressly permits an award agreement to provide for different terms, if any provisions of this Award Agreement conflict with any provisions of the Plan, the terms of the Plan shall control.

4.11 Notices. Any notice to be given to Company or election to be made under the terms of this Award Agreement shall be addressed to Company (Attention: Long Term Incentive Department) at One H&R Block Way, Kansas City Missouri 64105, or at such other address or by such other means as Company may hereafter designate in writing to Participant. Any notice to be given to Participant shall be addressed to Participant at the last address of record with Company or at such other address as Participant may hereafter designate in writing to Company. Any such notice shall be deemed to have been duly given when deposited in the United States mail via regular or certified mail, addressed as aforesaid, postage prepaid. Notwithstanding the foregoing, any notice of exercise of an option with respect to the Award shall be deemed to have been received upon the actual date of receipt by Company as provided herein.

4.12 Choice of Law. This Award Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Missouri without reference to principles of conflicts of laws.

4.13 Choice of Forum and Jurisdiction. Participant and Company agree that any proceedings to enforce the obligations and rights under this Award Agreement must be brought in the Missouri District Court located in Jackson County, Missouri, or in the United States District Court for the Western District of Missouri in Kansas City, Missouri. Participant agrees and submits to personal jurisdiction in either court. Participant and Company further agree that this Choice of Forum and Jurisdiction is binding on all matters related to Awards under the Plan and may not be altered or amended by any other arrangement or agreement (including an employment agreement) without the express written consent of Participant and H&R Block.

4.14 Attorneys Fees. Participant and Company agree that in the event of litigation to enforce the terms and obligations under this Award Agreement, the party prevailing in any such cause of action will be entitled to reimbursement of reasonable attorneys fees.

4.15 Relationship of the Parties. Participant acknowledges that this Award Agreement is between H&R Block and Participant. Participant further acknowledges that H&R Block is a holding company and that Participant is not an employee of H&R Block.

4.16 Headings. The section headings herein are for convenience only and shall not be considered in construing this Award Agreement.

4.17 Amendment. No amendment, supplement, or waiver to this Award Agreement is valid or binding unless in writing and signed on behalf of H&R Block by an officer of H&R Block, and, if materially adverse to Participant, signed by Participant.

4.18 Execution of Agreement. This Award Agreement shall not be enforceable by either party, and Participant shall have no rights with respect to the Awards made hereunder, unless and until it has been (a) signed by Participant within 180 days of the Grant Date, (b) signed on behalf of H&R Block by an officer of H&R Block, and (c) returned to H&R Block.

This Award Agreement may be signed by the parties via facsimile or electronic signature, as acceptable to Company, and may be signed by H&R Block via stamped signature.

4.19 **WAIVER OF JURY TRIAL**. PARTICIPANT KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING, ACTION OR CLAIM ARISING OUT OF OR RELATED TO THIS AGREEMENT.

5. Definitions. Whenever a term is used in this Award Agreement, the following words and phrases shall have the meanings set forth below or as set forth in the Plan unless the context plainly requires a different meaning, and when a defined meaning is intended, the term is capitalized.

5.1 Amount of Gain Realized. The Amount of Gain Realized shall be equal to the number of shares of Common Stock purchased pursuant to an exercise of this Stock Option multiplied by the difference between the actual market price of one share of Common Stock at the time of exercise and the Option Price; provided, however, to the extent the actual market price of one share of Common Stock at the time of exercise cannot be determined, the Amount of Gain Realized shall be equal to the number of shares of Common Stock purchased pursuant to an exercise of this Stock Option multiplied by the difference between the Fair Market Value of Common Stock on the date of exercise and the Option Price.

5.2 Board. Board means the Board of Directors of H&R Block.

5.3 Cause. Cause means those actions or omissions that constitute cause for termination under the written Company severance plan that applies to Participant. If no severance plan applies to Participant or if the applicable severance plan does not define "Cause," then Cause shall have the meaning found in the H&R Block Severance Plan, or any successor to that plan. Notwithstanding any of the foregoing, if Participant has a standalone employment agreement with Company and

such employment agreement includes a definition for cause, the definition of cause in the employment agreement shall apply.

5.4 Change in Control. Change in Control means the occurrence of one or more of the following events:

(a) Any one person, or more than one person acting as a group, acquires ownership of stock of H&R Block that, together with stock held by such person or group, constitutes more than 50 percent of the total fair market value or total voting power of the stock of H&R Block. If any one person, or more than one person acting as a group, is considered to own more than 50 percent of the total fair market value or total voting power of the stock of H&R Block, the acquisition of additional stock by the same person or persons shall not be considered to cause a Change in Control. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which H&R Block acquires its stock in exchange for property will be treated as an acquisition of stock for purposes of this Section 5.4(a).

(b) Any one person, or more than one person acting as a group, acquires (when combined with all other acquisitions of H&R Block stock acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) ownership of stock of H&R Block possessing 35 percent or more of the total voting power of the stock of H&R Block. If any one person, or more than one person acting as a group, is considered to effectively control a corporation within the meaning of Treasury Regulation 1.409A-3(i)(5)(vi), the acquisition of additional control of the corporation by the same person or persons is not considered to cause a change in the effective control of the corporation. An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which H&R Block acquires its stock in exchange for property will not be treated as an acquisition of stock for purposes of this Section 5.4(b), but will be treated as an acquisition of stock for purposes of Section 5.4(a).

(c) A majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by two-thirds (2/3) of the members of the Board before the date of such appointment or election.

(d) Any one person, or more than one person acting as a group, acquires (when combined with all other acquisitions of H&R Block assets acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from H&R Block that have a total gross fair market value equal to or more than 50 percent of the total gross fair market value of all of the assets of H&R Block immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of H&R Block, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. Notwithstanding the foregoing, there is no Change in Control event under this Section 5.4(d) when there is a transfer to an entity that is controlled by the shareholders of H&R Block immediately after the transfer. A transfer of assets by H&R Block is not treated as a change in the ownership of such assets if the assets are transferred to: (i) a shareholder of H&R Block (immediately before the asset transfer) solely in exchange for or with respect to its stock; (ii) an entity, 50 percent or more of the total value or voting power of which is owned, directly or indirectly, by H&R Block; (iii) a person, or more than one person acting as a group, that owns, directly or indirectly, 50 percent or more of the total value or voting power of all the outstanding stock of H&R Block; or (iv) an entity,

at least 50 percent of the total value or voting power of which is owned, directly or indirectly, by a person described in (iii) above.

For purposes of this section, persons will be considered to be acting as a group in accordance with Sections 13(d)(3) and 14(d)(2) of the Securities Exchange Act of 1934, as amended, and Code Section 409A.

5.5 Closing Price. Closing Price shall mean the last reported market price for one share of Common Stock, regular way, on the New York Stock Exchange (or any successor exchange or stock market on which such last reported market price is reported) on the day in question. If the exchange is closed on the day on which the Closing Price is to be determined or if there were no sales reported on such date, the Closing Price shall be computed as of the last date preceding such date on which the exchange was open and a sale was reported.

5.6 Code. Code means the Internal Revenue Code of 1986, as amended.

5.7 Committee. Committee means the Compensation Committee of the Board.

5.8 Common Stock. Common Stock means the common stock of H&R Block, without par value.

5.9 Company. Company means H&R Block, Inc., a Missouri corporation, and includes its “subsidiary corporations” (as defined in Code Section 424(f)) and their respective divisions, departments and subsidiaries and the respective divisions, departments and subsidiaries of such subsidiaries.

5.10 Comparable Position. Comparable Position means a position where:

- (a) Participant’s primary work location would be within 50 miles of Participant’s current primary work location, and
- (b) Participant’s compensation rate (salary and target bonus) would be no more than 10% below Participant’s current compensation rate.

5.11 Disability. Disability or disabled means, determined in accordance with the following determination periods:

(a) If Participant has coverage under a group long-term disability program maintained by Company, Participant is, by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of at least three months under such program; or

(b) If Participant does not have coverage under a group long-term disability program maintained by Company, Participant is unable to engage in any substantial gainful activity for a period of at least 9 months by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months.

For this purpose, Participant shall be deemed to have incurred a Disability on the last day of the applicable determination period above. Notwithstanding the foregoing, if Participant has a standalone employment agreement with Company and such employment agreement includes a definition of disability, the definition in the employment agreement shall apply.

5.12 Fair Market Value. Fair Market Value means the Closing Price for one share of Common Stock.

5.13 Good Reason Termination. Good Reason Termination means a Termination of Employment initiated by Participant that is related to one or more conditions described in subsection (a), and that is subject to the timing, notice and remedy provisions of subsection (b):

(a) *Conditions for Good Reason Termination*. The conditions that qualify for Good Reason Termination shall be those conditions provided in the definition of Good Reason Termination under the written Company severance plan that applies to Participant, unless Participant has a standalone employment agreement with Company and such employment agreement includes such definition (or a definition of “Good Reason”), in which case the definition in the employment agreement shall apply. For the avoidance of doubt, any such definition shall only apply with respect to determining the conditions that constitute “Good Reason.” The periods of time relating to the initial existence, notice, and remedy of any such condition are determined solely as described in subsection (b). If no severance plan or employment agreement applies to Participant or if neither includes a definition of “Good Reason” or “Good Reason Termination,” then the conditions that qualify for Good Reason Termination are:

(i) A change in Participant’s primary work location that is more than 50 miles from Participant’s previous primary work location, or

(ii) A diminution of Participant’s compensation rate (salary and target bonus) of more than 10%.

(b) *Timing, Notice and Remedy Requirements*. Participant’s voluntary Termination of Employment qualifies as a Good Reason Termination only if such Termination of Employment occurs within 18 months after a Change in Control because of a qualifying condition described in subsection (a), and only if (i) the initial existence of the condition occurs no more than 75 days before the Change in Control, or occurs on or after the Change in Control; (ii) Participant does not consent to the condition; and (iii) Company does not substantially remedy the condition (as further described in this section).

Participant must provide notice no more than 30 days after the initial occurrence of the event; provided, however, if the event initially occurs within the 75 day period preceding a Change in Control, notice must be provided by the earlier of (i) 90 days of the date of the initial occurrence and (ii) 30 days after the date of the Change in Control. During the 30 days following receipt of the notice, Company may take steps to substantially remedy the event, occurrence or condition for which notice was given, in which case a Good Reason Termination will not occur as a result of the condition.

5.14 Last Day of Employment. Last Day of Employment means the date of Participant’s Termination of Employment.

5.15 Qualifying CIC Separation. Qualifying CIC Separation means (a) a Good Reason Termination or (b) Company's involuntary Termination of Employment of Participant without Cause no more than 75 days before or 18 months after a Change in Control; provided, however, that Qualifying CIC Separation described under subsection (b) does not include the elimination of Participant's position where Participant was offered a Comparable Position with Company or with a party (or a subsidiary or an affiliate of such a party) that acquires any asset from Company.

5.16 Retirement. Retirement means Participant's voluntary Termination of Employment with Company at or after the date Participant (a) attains age 60 or (b) attains age 55 and completes at least five (5) years of service with Company.

5.17 Stock Option. Stock Option means the right to purchase, upon exercise of a stock option granted under the Plan, shares of Common Stock. The right and option to purchase shares of Common Stock pursuant to this Award Agreement shall not constitute and shall not be treated for any purpose as an "incentive stock option," as such term is defined in Code Section 422(b).

5.18 Termination of Employment. Termination of Employment, termination of employment and similar references mean a separation from service within the meaning of Code Section 409A. If Participant is an employee, Participant will generally have a Termination of Employment if Participant voluntarily or involuntarily terminates employment with Company. A termination of employment occurs if the facts and circumstances indicate that Participant and Company reasonably anticipate that no further services will be performed after a certain date or that the level of bona fide services Participant will perform after such date (whether as an employee, director or other independent contractor) for Company will decrease to no more than 20 percent of the average level of bona fide services performed (whether as an employee, director or other independent contractor) over the immediately preceding 36-month period (or full period of services if Participant has been providing services for less than 36 months). For purposes of this Section 5.18, "Company" includes any entity that would be aggregated with Company under Treasury Regulation 1.409A-1(h)(3).
