Explanation of Responses:

- Vesting of Common Stock underlying previously awarded performance share units upon determination by the Compensation Committee that performance criteria for the awards had been satisfied, which remain subject to the executive's continued service through August 31, 2024.
- On August 16, 2024, the reporting person filed a Form 4 to report the vesting of common stock underlying previously awarded performance share units ("PSUs"), which inadvertently reported the incremental number of shares of common stock awarded under the PSUs above target level performance, rather than the total number of shares of common stock awarded under the PSUs. This amendment is being filed to reflect the total number of shares of common stock awarded pursuant to the PSUs.
